

Your 2026 Evidence of Coverage

Humana[®]

Thanks for being a Humana Community (HMO) member. We value your membership, and we're dedicated to helping you be the best you want to be.

This Evidence of Coverage contains important information about your plan. This book is a very detailed document with the full, legal description of your benefits and costs. You should keep this document for reference throughout the plan year.

Humana cares about your well-being.

We look forward to being your partner in health for many years to come. If you have any questions, we're here to help.

2026

Evidence of Coverage

Humana Community (HMO)

Orlando

Lake, Marion, and Sumter counties

Humana[®]

January 1 - December 31, 2026

Evidence of Coverage for 2026:

Your Medicare Health Benefits and Services and Drug Coverage as a Member of Humana Community (HMO)

This document gives the details of your Medicare health and drug coverage from January 1 - December 31, 2026.

This is an important legal document. Keep it in a safe place.

This document explains your benefits and rights. Use this document to understand:

- Our plan premium and cost sharing
- Our medical and drug benefits
- How to file a complaint if you're not satisfied with a service or treatment
- How to contact us
- Other protections required by Medicare law

For questions about this document, call Customer Care 800-457-4708 (TTY users call 711). Hours are from 8 a.m. to 8 p.m. seven days a week from Oct. 1 - Mar. 31 and 8 a.m. to 8 p.m. Monday - Friday from Apr. 1 - Sept. 30. This call is free.

This plan, Humana Community (HMO), is offered by Humana Medical Plan, Inc. (When this *Evidence of Coverage* says "we," "us," or "our," it means Humana Medical Plan, Inc. When it says "plan" or "our plan," it means Humana Community (HMO).)

This document is available for free in Spanish. This information is available in a different format, including Braille, large print, and audio. Please call Customer Care at the number listed above if you need plan information in another format.

Benefits, premiums, deductibles, and/or copayments/coinsurance may change on January 1, 2027.

Our formulary, pharmacy network, and/or provider network may change at any time. You'll get notice about any changes that may affect you at least 30 days in advance.

CHAPTER 1:

Get started as a member

SECTION 1 You're a member of Humana Community (HMO)

Section 1.1	You're enrolled in Humana Community (HMO), which is a Medicare HMO
--------------------	---

You're covered by Medicare, and you chose to get your Medicare health and your drug coverage through our plan, Humana Community (HMO). Our plan covers all Part A and Part B services. However, cost sharing and provider access in this plan are different from Original Medicare.

Humana Community (HMO) is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization) approved by Medicare and run by a private company.

Section 1.2	Legal information about the <i>Evidence of Coverage</i>
--------------------	--

This *Evidence of Coverage* is part of our contract with you about how Humana Community (HMO) covers your care. Other parts of this contract include your enrollment form, the *Prescription Drug Guide (formulary)*, and any notices you get from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders* or *amendments*.

The contract is in effect for the months you're enrolled in Humana Community (HMO) between January 1, 2026 and December 31, 2026.

Medicare allows us to make changes to our plans we offer each calendar year. This means we can change the costs and benefits of Humana Community (HMO) after December 31, 2026. We can also choose to stop offering the plan in your service area, after December 31, 2026.

Medicare (the Centers for Medicare & Medicaid Services) must approve Humana Community (HMO) each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue offering our plan and Medicare renews approval of our plan.

SECTION 2 Plan eligibility requirements

Section 2.1	Eligibility requirements
--------------------	---------------------------------

You're eligible for membership in our plan as long as you meet all these conditions:

- You have both Medicare Part A and Medicare Part B.
- You live in our geographic service area (described Section 2.2 below). People who are incarcerated aren't considered to be living in the geographic service area, even if they're physically located in it.
- You're a United States citizen or lawfully present in the United States.

Chapter 1 Get started as a member**Section 2.2 Plan service area for Humana Community (HMO)**

Humana Community (HMO) is only available to people who live in our plan service area. To stay a member of our plan, you must continue to live in our service area. The service area is described below.

Our service area includes the following county/counties in Florida: Lake, Marion, Sumter Counties, FL.

If you move out of our plan's service area, you can't stay a member of this plan. Call Customer Care at 800-457-4708 (TTY users call 711) to see if we have a plan in your new area. When you move, you'll have a Special Enrollment Period to either switch to Original Medicare or enroll in a Medicare health or drug plan in your new location.

If you move or change your mailing address, it's also important to call Social Security. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

Section 2.3 U.S. citizen or lawful presence

You must be a U.S. citizen or lawfully present in the United States to be a member of a Medicare health plan. Medicare (the Centers for Medicare & Medicaid Services) will notify Humana Community (HMO) if you're not eligible to stay a member of our plan on this basis. Humana Community (HMO) must disenroll you if you don't meet this requirement.

SECTION 3 Important membership materials**Section 3.1 Our plan membership card**

Use your membership card whenever you get services covered by our plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card, if you have one. Sample membership card:

DON'T use your red, white, and blue Medicare card for covered medical services while you're a member of this plan. If you use your Medicare card instead of your Humana Community (HMO) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials).

Chapter 1 Get started as a member

If our plan membership card is damaged, lost, or stolen, call Customer Care at 800-457-4708 (TTY users call 711) right away and we'll send you a new card.

Section 3.2 Provider Directory

The *Provider Directory* ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)) lists our current network providers, durable medical equipment suppliers, and pharmacies. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization you'll have to pay in full. The only exceptions are emergencies, urgently needed services when the network isn't available (that is, situations when it's unreasonable or not possible to get services in-network), out-of-area dialysis services, and cases when Humana Community (HMO) authorizes use of out-of-network providers.

The *Provider Directory* ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)) lists our network pharmacies. **Network pharmacies** are all of the pharmacies that agree to fill covered prescriptions for our plan members. You can use the *Provider Directory* to find the network pharmacy you want to use. See Chapter 5, Section 2.5 for information on when you can use pharmacies that are not in the plan's network.

The *Provider Directory* also shows which of the pharmacies in our network have preferred cost sharing, which may be lower than the standard cost sharing offered by other network pharmacies for some drugs.

If you don't have a *Provider Directory*, you can ask for a copy (electronically or in paper form) from Customer Care at 800-457-4708 (TTY users call 711). Requested paper *Provider Directories* will be mailed to you within 3 business days. You can also find this information on our website at [Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments). The website can give you the most up-to-date information about changes in our network providers and pharmacies.

Section 3.3 Prescription Drug Guide (formulary)

Our plan has a *Prescription Drug Guide* (also called the Drug Guide or *formulary*). It tells which Part D prescription drugs are covered under the Part D benefit included in Humana Community (HMO). The drugs on this list are selected by our plan, with the help of doctors and pharmacists. The Drug Guide must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your Drug Guide unless they have been removed and replaced as described in Chapter 5, Section 6. Medicare approved the Humana Community (HMO) Drug Guide.

The Drug Guide also tells if there are any rules that restrict coverage for a drug.

We'll give you a copy of the Drug Guide. The Drug Guide we provide you includes information for the covered drugs most commonly used by our members. However, we also cover additional drugs that aren't included in the Drug Guide. If one of your drugs isn't listed in the Drug Guide, visit our website or call Customer Care at 800-457-4708 (TTY users call 711) to find out if we cover it. To get the most complete and current information about which drugs are covered, visit ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)) or call Customer Care.

SECTION 4 Summary of Important Costs for 2026

Chapter 1 Get started as a member

	Your Costs in 2026
	In-Network
Monthly plan premium* * Your premium can be higher than this amount. Please continue to review section 4 for details.	\$0
Maximum out-of-pocket amount This is the <u>most</u> you'll pay out of pocket for covered Part A and Part B services. (Go to Chapter 4 Section 1 for details.)	\$2,400
Primary care office visits	\$0 copayment per visit
Specialist office visits	\$20 copayment per visit
Inpatient hospital stays	\$150 copayment per day for days 1 – 6 \$0 copayment per day for days 7 – 90
Part D drug coverage deductible (Go to Chapter 6 Section 4 for details)	\$175 except for covered insulin products and most adult Part D vaccines
Part D drug coverage (Go to Chapter 6 Section 4 for details, including Yearly Deductible, Initial Coverage, and Catastrophic Coverage Stages.) Not all tiers may include insulin. Please refer to your Prescription Drug Guide to confirm insulin coverage.	During the Deductible Stage, you pay \$0 cost sharing for drugs on Tier 1, \$0 cost sharing for drugs on Tier 2 and the full cost of drugs on Tier 3, Tier 4, and Tier 5 until you have reached the yearly deductible. Copayment/Coinsurance during the Initial Coverage Stage:

	<p>For a 100-day supply from a mail-order pharmacy with standard cost-sharing:</p> <ul style="list-style-type: none"> • Drug Tier 1: \$30 <p>You pay 25% up to \$30 per 3-month supply of each covered insulin product on this tier.</p> <ul style="list-style-type: none"> • Drug Tier 2: \$60 <p>You pay 25% up to \$60 per 3-month supply of each covered insulin product on this tier.</p> <ul style="list-style-type: none"> • Drug Tier 3: \$141 <p>You pay 25% up to \$105 per 3-month supply of each covered insulin product on this tier.</p> <ul style="list-style-type: none"> • Drug Tier 4: 37% <p>You pay 25% up to \$105 per 3-month supply of each covered insulin product on this tier.</p> <ul style="list-style-type: none"> • Drug Tier 5: Not available
	<p>Catastrophic Coverage:</p> <p>During this payment stage, you pay nothing for your covered Part D drugs and for excluded drugs that are covered under our enhanced benefit.</p>

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Part D Late Enrollment Penalty (Section 4.3)
- Income Related Monthly Adjusted Amount (Section 4.4)
- Medicare Prescription Payment Plan Amount (Section 4.5)

Section 4.1	Plan Premium
--------------------	---------------------

You don't pay a separate monthly plan premium for Humana Community (HMO).

Section 4.2	Monthly Medicare Part B Premium
--------------------	--

Many members are required to pay other Medicare premiums

Chapter 1 Get started as a member

Medicare Part B Premium Reduction

Your Medicare Part B premium is automatically deducted from your monthly Social Security check. While you are enrolled in this plan, Humana will pay up to **\$2** of your Medicare Part B premium. As a result, your monthly Social Security check will increase by this amount. You do not have to complete any paperwork to receive this benefit. We will take care of that for you. The portion of your Medicare Part B premium Humana pays only applies to any amount not paid by Medicaid.

It could take several months for the Social Security Administration to complete their processing. This means you may not see the increase in your Social Security check for several months after the effective date of this plan. Any missed increases will be added to your next check after processing is complete.

Please note that if you disenroll from this plan, your Medicare Part B premium benefit will end on the date of disenrollment. As mentioned above, it could take several months for the Social Security Administration to complete their processing. Any premium reductions you receive after you disenroll will eventually be deducted from your Social Security check.

You must continue paying your Medicare premiums to remain a member of our plan. This includes your premium for Part B. You may also pay a premium for Part A if you aren't eligible for premium-free Part A.

Section 4.3 Part D Late Enrollment Penalty

Some members are required to pay a Part D **late enrollment penalty**. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there was a period of 63 days or more in a row when you didn't have Part D or other creditable drug coverage. Creditable drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable drug coverage. You'll have to pay this penalty for as long as you have Part D coverage.

When you first enroll in Humana Community (HMO), we let you know the amount of the penalty. If you don't pay your Part D late enrollment penalty, you could lose your prescription drug benefits.

You **don't** have to pay the Part D late enrollment penalty if:

- You get Extra Help from Medicare to help pay your drug costs.
- You went less than 63 days in a row without creditable coverage.
- You had creditable drug coverage through another source (like a former employer, union, TRICARE, or Veterans Health Administration (VA)). Your insurer or human resources department will tell you each year if your drug coverage is creditable coverage. You may get this information in a letter or in a newsletter from that plan. Keep this information, because you may need it if you join a Medicare drug plan later.
 - **Note:** Any letter or notice must state that you had creditable prescription drug coverage that's expected to pay as much as Medicare's standard drug plan pays.
 - **Note:** Prescription drug discount cards, free clinics, and drug discount websites aren't creditable prescription drug coverage.

Medicare determines the amount of the Part D late enrollment penalty. Here's how it works:

- If you went 63 days or more without Part D or other creditable prescription drug coverage after you were first eligible to enroll in Part D, our plan will count the number of full months you didn't have coverage. The

Chapter 1 Get started as a member

penalty is 1% for every month you didn't have creditable coverage. For example, if you go 14 months without coverage, the penalty percentage will be 14%.

- Then Medicare determines the amount of the average monthly plan premium for Medicare drug plans in the nation from the previous year (national base beneficiary premium). For 2026, this average premium amount was **\$38.99**.
- To calculate your monthly penalty, multiply the penalty percentage by the national base beneficiary premium and round it to the nearest 10 cents. In the example here, it would be 14% times **\$38.99**, which equals **\$5.46**. This rounds to **\$5.50**. This amount would be added to **the monthly plan premium for someone with a Part D late enrollment penalty**.

Three important things to know about the monthly Part D late enrollment penalty:

- **The penalty may change each year** because the national base beneficiary premium can change each year.
- **You'll continue to pay a penalty** every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- If you're *under* 65 and enrolled in Medicare, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months you don't have coverage after your initial enrollment period for aging into Medicare.

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review.

Generally, you must ask for this review **within 60 days** from the date on the first letter you get stating you have to pay a late enrollment penalty. However, if you were paying a penalty before you joined our plan, you may not have another chance to ask for a review of that late enrollment penalty.

Important: Don't stop paying your Part D late enrollment penalty while you're waiting for a review of the decision about your late enrollment penalty. If you do, you could be disenrolled for failure to pay our plan premiums.

Section 4.4 Income Related Monthly Adjustment Amount

Some members may be required to pay an extra charge, known as the Part D Income Related Monthly Adjustment Amount (IRMAA). The extra charge is calculated using your modified adjusted gross income as reported on your IRS tax return from 2 years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit www.Medicare.gov/health-drug-plans/part-d/basics/costs.

If you have to pay an extra IRMAA, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay our plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you'll get a bill from Medicare. **You must pay the extra IRMAA to the government. It can't be paid with your monthly plan premium. If you don't pay the extra IRMAA, you'll be disenrolled from our plan and lose prescription drug coverage.**

If you disagree about paying an extra IRMAA, you can ask Social Security to review the decision. To find out how to do this, call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

Section 4.5 Medicare Prescription Payment Plan Amount

If you're participating in the Medicare Prescription Payment Plan, each month you'll pay our plan premium (if you have one) and you'll get a bill from your health or drug plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 2, Section 7 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in Chapter 9 to make a complaint or appeal.

SECTION 5 More information about your monthly plan premium

Section 5.1 If you pay a Part D late enrollment penalty, there are several ways you can pay your penalty

If you pay a Part D late enrollment penalty, there are four ways you can pay the penalty.

You were asked to choose one when you enrolled, but you can change your method of payment at any time. The four options described below are:

- Pay by check
- Set up automatic payments from your bank account or credit card
- Set up automatic payments from your Railroad Retirement Board check
- Set up automatic payments from your Social Security check

If you'd like to change your payment option, call Customer Care at 800-457-4708, TTY 711. If you're selecting any of the options for automatic payments, you can also go to **Humana.com/pay** and sign in with your username and password. (If it's the first time you're signing in, click on Register for MyHumana and follow the instructions on the screen.)

If you decide to change the way you pay your Part D late enrollment penalty, it can take up to three months for your new payment method to take effect. While we process your request for a new payment method, you are responsible for making sure that your Part D late enrollment penalty is paid on time.

Option 1: Pay by check

You can pay by check using the Humana coupon book that we'll give you. If you choose this option, your Part D late enrollment penalty will always be due on the first day of the month.

Make sure you follow these steps so there are no delays in processing your payments:

- Make your check out to Humana. You can also use a money order if you don't have a checking account.
- Always include the coupon along with your payment and send it to the address on the coupon.
- Write your Humana account number on your check. You can find your account number on the top left corner of your coupon.

Chapter 1 Get started as a member

- If the payment is for multiple members or accounts, write all account numbers on your check, as well as the payment amount intended for each.
- If someone else makes a payment for you, be sure your name and Humana account number are written on the check.

If you want to pay more than one month's Part D late enrollment penalty, just send in all the coupons you want to pay at one time and make your check out for the total amount.

Remember - don't make out or send checks to the Centers for Medicare & Medicaid Services or to the U.S. Department of Health and Human Services because that would cause a delay and your Part D late enrollment penalty might be late.

If you need to replace your coupon book, call Customer Care at 800-457-4708, TTY 711.

Option 2: You can set up automatic payments from your checking or savings account, or through your credit card or debit card

You can have your monthly Part D late enrollment penalty automatically withdrawn from your checking or savings account, or automatically charged to your credit card or debit card. You can contact Customer Care for more information on how to pay your late enrollment penalty this way or you can visit [Humana.com/pay](https://www.humana.com/pay) and sign into MyHumana to set up your automatic payments from your bank account or credit card.

If you choose this option, we'll withdraw the Part D late enrollment penalty from your bank account, or charge it to your card, between the 2nd -7th of each month.

Option 3: You can have the Part D late enrollment penalty deducted from your monthly Railroad Retirement Board check

You can have the Part D late enrollment penalty taken out of your monthly Railroad Retirement Board check. You can contact Customer Care for more information on how to pay your late enrollment penalty this way or you can visit [Humana.com/pay](https://www.humana.com/pay) and sign into MyHumana to set up your RRB payment option. We will be happy to help you set this up.

Option 4: Have Part D late enrollment penalties deducted from your monthly Social Security check

You can have the Part D late enrollment penalty taken out of your monthly Social Security check. Contact Customer Care for more information on how to pay your penalty this way. We will be happy to help you set this up.

Changing the way you pay your Part D late enrollment penalty. If you decide to change the option by which you pay your Part D late enrollment penalty, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your Part D late enrollment penalty is paid on time. To change your payment method, if applicable, please contact Customer Care. If you're selecting any of the options for automatic payments, you can also go to [Humana.com/pay](https://www.humana.com/pay) and sign in with your username and password. (If it's the first time you're signing in, click on Register for MyHumana and follow the instructions on the screen.)

If you have trouble paying your Part D late enrollment penalty

Your Part D late enrollment penalty is due in our office by the first day of the month. If we don't get your penalty payment by the 15th of the month, we will send you a notice of your account balance and advise your account

Chapter 1 Get started as a member

may continue with further collection activity. If you owe a Part D late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

If you have trouble paying your Part D late enrollment penalty on time, please contact Customer Care to see if we can direct you to programs that will help with your costs.

Section 5.2 Our monthly plan premium won't change during the year

We're not allowed to change our plan's monthly plan premium during the year. If the monthly plan premium changes for next year, we'll tell you in September and the new premium will take effect on January 1.

However, in some cases, you may be able to stop paying a late enrollment penalty, if you owe one, or you may need to start paying a late enrollment penalty. This could happen if you become eligible for Extra Help or lose your eligibility for Extra Help during the year:

- If you currently pay a Part D late enrollment penalty and become eligible for Extra Help during the year, you'd be able to stop paying your penalty.
- If you lose your Extra Help, you may be subject to the Part D late enrollment penalty if you go 63 days or more in a row without Part D or other creditable prescription drug coverage.

Find out more about Extra Help in Chapter 2, Section 7.

SECTION 6 Keep our plan membership record up to date

Your membership record has information from your enrollment form, including your address and phone number. It shows your specific plan coverage including your Primary Care Provider.

The doctors, hospitals, pharmacists, and other providers in our plan's network **use your membership record to know what services and drugs are covered and your cost-sharing amounts**. Because of this, it's very important you help to keep your information up to date.

If you have any of these changes, let us know:

- Changes to your name, address, or phone number
- Changes in any other health coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- Any liability claims, such as claims from an automobile accident
- If you're admitted to a nursing home
- If you get care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you participate in a clinical research study (**Note:** You're not required to tell our plan about clinical research studies you intend to participate in, but we encourage you to do so)

Chapter 1 Get started as a member

If any of this information changes, please let us know by calling Customer Care at 800-457-4708 (TTY users call 711).

It's also important to contact Social Security if you move or change your mailing address. Call Social Security at 1-800-772-1213 (TTY users call 711).

SECTION 7 How other insurance works with our plan

Medicare requires us to collect information about any other medical or drug coverage you have so we can coordinate any other coverage with your benefits under our plan. This is called **Coordination of Benefits**.

Once a year, we'll send you a letter that lists any other medical or drug coverage we know about. Read over this information carefully. If it's correct, you don't need to do anything. If the information isn't correct, or if you have other coverage that's not listed, call Customer Care at 800-457-4708 (TTY users call 711). You may need to give our plan member ID number to your other insurers (once you confirm their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), Medicare rules decide whether our plan or your other insurance pays first. The insurance that pays first ("the primary payer") pays up to the limits of its coverage. The insurance that pays second, ("secondary payer") only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you're under 65 and disabled and you (or your family member) are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan has more than 100 employees.
 - If you're over 65 and you (or your spouse or domestic partner) are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Chapter 1 Get started as a member

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

CHAPTER 2: Phone numbers and resources

SECTION 1 Humana Community (HMO) contacts

For help with claims, billing, or member card questions, call or write to Humana Community (HMO) Customer Care 800-457-4708 (TTY users call 711). We'll be happy to help you.

Customer Care – Contact Information	
Call	800-457-4708 Calls to this number are free. You can call us seven days a week, from 8 am to 8 pm. However, please note that our automated phone system may answer your call during weekends and holidays from April 1 to September 30. Customer Care (TTY users call 711) also has free language interpreter services available for non-English speakers.
TTY	711 This number requires special telephone equipment and is only for people who have difficulties hearing or speaking. Calls to this number are free. Hours of operation are the same as above.
Fax	877-837-7741
Write	Humana P.O. Box 14168 Lexington, KY 40512-4168
Website	Humana.com/customer-support Live chat available through Humana.com , Monday through Friday, 8 am to 8 pm, Eastern Standard Time.

How to ask for a coverage decision or appeal about your medical care

A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical services or Part D drugs. An appeal is a formal way of asking us to review and change a coverage decision. For more information on how to ask for coverage decisions or appeals about your medical care or Part D drugs, go to Chapter 9.

SECTION 2 Get help from Medicare

Medicare is the federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (CMS). This agency contracts with Medicare Advantage organizations including our plan.

Medicare – Contact Information

Call	800-MEDICARE (1-800-633-4227) Calls to this number are free. 24 hours a day, 7 days a week.

Write	Write to Medicare at PO Box 1270, Lawrence, KS 66044
Website	www.Medicare.gov <ul style="list-style-type: none"> • Get information about the Medicare health and drug plans in your area, including what they cost and what services they provide. • Find Medicare-participating doctors or other health care providers and suppliers. • Find out what Medicare covers, including preventive services (like screenings, shots or vaccines, and yearly “Wellness” visits). • Get Medicare appeals information and forms. • Get information about the quality of care provided by plans, nursing homes, hospitals, doctors, home health agencies, dialysis facilities, hospice centers, inpatient rehabilitation facilities, and long-term care hospitals. • Look up helpful websites and phone numbers. <p>You can also visit www.Medicare.gov to tell Medicare about any complaints you have about Humana Community (HMO).</p> <p>To submit a complaint to Medicare, go to www.Medicare.gov/my/medicare-complaint. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.</p>

SECTION 3 State Health Insurance Assistance Program (SHIP)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. Contact information for your State Health Insurance Assistance Program (SHIP) can be found in “Exhibit A” in the back of this document.

The State Health Insurance Assistance Program (SHIP) is an independent state program (not connected with any insurance company or health plan) that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

SHIP counselors can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and straighten out problems with your Medicare bills. SHIP counselors can also help you with Medicare questions or problems, help you understand your Medicare plan choices and answer questions about switching plans.

Chapter 2 Phone numbers and resources**SECTION 4 Quality Improvement Organization (QIO)**

A designated Quality Improvement Organization (QIO) serves people with Medicare in each state. Contact information for your state Quality Improvement Organization (QIO) can be found in “Exhibit A” in the back of this document.

The Quality Improvement Organization (QIO) has a group of doctors and other health care professionals paid by Medicare to check on and help improve the quality of care for people with Medicare. The QIO is an independent organization. It’s not connected with our plan.

Contact your QIO in any of these situations:

- You have a complaint about the quality of care you got. Examples of quality-of-care concerns include getting the wrong medication, unnecessary tests or procedures, or a misdiagnosis.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services is ending too soon.

SECTION 5 Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment. Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, contact Social Security to let them know.

Social Security – Contact Information

Call	800-772-1213 Calls to this number are free. Available 8 am to 7 pm, Monday through Friday. Use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.
TTY	800-325-0778 This number requires special telephone equipment and is only for people who have difficulties hearing or speaking. Calls to this number are free. Available 8 am to 7 pm, Monday through Friday.
Website	www.SSA.gov

Chapter 2 Phone numbers and resources

SECTION 6 Medicaid

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid. Medicaid offers programs to help people with Medicare pay their Medicare costs, such as their Medicare premiums. These **Medicare Savings Programs** include:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualifying Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and Medicare Savings Programs, contact your state Medicaid office. Contact information for your state Medicaid Office can be found in "Exhibit A" in the back of this document.

SECTION 7 Programs to help people pay for prescription drugs

The Medicare website (www.Medicare.gov/basics/costs/help/drug-costs) has information on ways to lower your prescription drug costs. The programs below can help people with limited incomes.

Extra Help from Medicare

Medicare and Social Security have a program called Extra Help that can pay drug costs for people with limited income and resources. If you qualify, you get help paying for your Medicare drug plan's monthly plan premium, yearly deductible, and copayments. Extra Help also counts toward your out-of-pocket costs.

If you automatically qualify for Extra Help, Medicare will mail you a purple letter to let you know. If you don't automatically qualify, you can apply anytime. To see if you qualify for getting Extra Help:

- Visit <https://secure.ssa.gov/i1020/start> to apply online
- Call Social Security at 1-800-772-1213. TTY users call 1-800-325-0778.

When you apply for Extra Help, you can also start the application process for a Medicare Savings Program (MSP). These state programs provide help with other Medicare costs. Social Security will send information to your state to initiate an MSP application, unless you tell them not to on the Extra Help application.

If you qualify for Extra Help and you think that you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help you get evidence of the right copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

Chapter 2 Phone numbers and resources

- If you already have a document that proves you have qualified for Extra Help, you can also show it the next time you go to a pharmacy to have a prescription filled. You can use any one of the following documents to provide evidence to us, or to show as proof at the pharmacy.

Proof that you already have Extra Help status

- A copy of your Medicaid card showing your name and the date you became eligible for Extra Help. The date has to be in the month of July or later of last year.
- A letter from the Social Security Administration showing your Extra Help status. This letter could be called Important Information, Award Letter, Notice of Change, or Notice of Action.
- A letter from the Social Security Administration showing that you receive Supplemental Security Income. If that's the case, you also qualify for Extra Help.

Proof that you have active Medicaid status

- A copy of any state document or any printout from the state system showing your active Medicaid status. The active date shown has to be in the month of July or later of last year.

Proof of a Medicaid payment for a stay at a medical facility

Your stay at the medical facility must be at least one full month long, and must be in the month of July or later of last year.

- A billing statement from the facility showing the Medicaid payment
- A copy of any state document or any printout from the state system showing the Medicaid payment for you

If you first show one of the documents listed above as proof at the pharmacy, please also send us a copy. Mail the document to:

Humana
P.O. Box 14168
Lexington, KY 40512-4168

- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right amount when you get your next prescription. If you overpay your copayment, we'll pay you back, either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make the payment directly to the state. Call Customer Care 800-457-4708 (TTY users call 711) if you have questions.

What if you have Extra Help and coverage from an AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps people living with HIV/AIDS access life-saving HIV medications. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the ADAP operating in your State.

Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of state residence and HIV status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, please notify your local ADAP enrollment worker so you can continue to get help. For information on eligibility

Chapter 2 Phone numbers and resources

criteria, covered drugs, or how to enroll in the program, call the ADAP operating in your State. Contact information for your AIDS Drug Assistance Program (ADAP) can be found in “Exhibit A” in the back of this document.

Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across **the calendar year** (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn’t save you money or lower your drug costs. If you’re participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.** To learn more about this payment option, call Customer Care at 800-457-4708 (TTY users call 711) or visit www.Medicare.gov.

Medicare Prescription Payment Plan – Contact Information

Call	800-457-4708 Calls to this number are free. You can call us seven days a week, from 8 am to 8 pm. However, please note that our automated phone system may answer your call during weekends and holidays from April 1 to September 30. Customer Care also has free language interpreter services available for non-English speakers.
TTY	711 This number requires special telephone equipment and is only for people who have difficulties hearing or speaking. Calls to this number are free. Hours of operation are the same as above.

Website	To learn more about this payment option, please visit Humana.com/RxCostHelp or visit Medicare.gov .

SECTION 8 Railroad Retirement Board (RRB)

The Railroad Retirement Board (RRB) is an independent federal agency that administers comprehensive benefit programs for the nation’s railroad workers and their families. If you get Medicare through the Railroad Retirement Board, let them know if you move or change your mailing address. For questions about your benefits from the Railroad Retirement Board, contact the agency.

Chapter 2 Phone numbers and resources**Railroad Retirement Board (RRB) – Contact Information**

Call	1-877-772-5772 Calls to this number are free. Press “0” to speak with an RRB representative from 9 am to 3:30 pm, Monday, Tuesday, Thursday, and Friday, and from 9 am to 12 pm on Wednesday. Press “1” to access the automated RRB HelpLine and get recorded information 24 hours a day, including weekends and holidays.
TTY	1-312-751-4701 This number requires special telephone equipment and is only for people who have difficulties hearing or speaking. Calls to this number aren't free.
Website	https://RRB.gov

SECTION 9 If you have group insurance or other health insurance from an employer

If you (or your spouse or domestic partner) get benefits from your (or your spouse or domestic partner's) employer or retiree group as part of this plan, call the employer/union benefits administrator or Customer Care 800-457-4708 (TTY users call 711) with any questions. You can ask about your (or your spouse or domestic partner's) employer or retiree health benefits, premiums, or the enrollment period. You can call 1-800-MEDICARE (1-800-633-4227) with questions about your Medicare coverage under this plan. TTY users call 1-877-486-2048.

If you have other drug coverage through your (or your spouse or domestic partner's) employer or retiree group, contact **that group's benefits administrator**. The benefits administrator can help you understand how your current drug coverage will work with our plan.

CHAPTER 3:

Using our plan for your medical services

SECTION 1 How to get medical care as a member of our plan

This chapter explains what you need to know about using our plan to get your medical care covered. For details on what medical care our plan covers and how much you pay when you get care, go to the Medical Benefits Chart in Chapter 4.

Section 1.1 Network providers and covered services

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term providers also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **Covered services** include all the medical care, health care services, supplies, equipment, and prescription drugs that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

Section 1.2 Basic rules for your medical care to be covered by our plan

As a Medicare health plan, Humana Community (HMO) must cover all services covered by Original Medicare and follow Original Medicare's coverage rules.

Humana Community (HMO) will generally cover your medical care as long as:

- **The care you get is included in our plan's Medical Benefits Chart** in Chapter 4.
- **The care you get is considered medically necessary.** Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You have a network primary care provider (a PCP) providing and overseeing your care.** As a member of our plan, you must choose a network PCP (go to Section 2.1 for more information).
 - In most situations, your network PCP must give you approval in advance (a referral) before you can use other providers in our plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. For more information go to Section 2.3.

Chapter 3 Using our plan for your medical services

- You don't need referrals from your PCP for emergency care or urgently needed services. To learn about other kinds of care you can get without getting approval in advance from your PCP (go to Section 2.2).
- **You must get your care from a network provider** (go to Section 2). In most cases, care you get from an out-of-network provider (a provider who's not part of our plan's network) won't be covered. This means you have to pay the provider in full for services you get. *Here are 3 exceptions:*
 - Our plan covers emergency care or urgently needed services you get from an out-of-network provider. For more information, and to see what emergency or urgently needed services are, go to Section 3.
 - If you need medical care that Medicare requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. You must obtain authorization from our plan prior to seeking care from an out-of-network provider. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, go to Section 2.4.
 - Our plan covers kidney dialysis services you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay our plan for dialysis can never be higher than the cost sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider that's outside our plan's network, your cost sharing can't be higher than the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from a provider outside our plan's network, your cost sharing for the dialysis may be higher.

SECTION 2 Use providers in our plan's network to get medical care

Section 2.1	You must choose a Primary Care Provider (PCP) to provide and oversee your medical care
--------------------	---

What is a PCP and what does the PCP do for you?

A "PCP" is your Primary Care Provider. When you become a member of the plan, you must choose a network doctor to be your PCP. Your PCP is a provider who meets state license requirements and is trained to give you basic medical care.

Having a PCP is an important step in managing your overall well-being. As the doctor who gets to know your medical history best, your PCP can provide you with routine healthcare and ongoing preventive care to keep you as healthy as possible.

Your PCP can coordinate all your care, by checking with other network providers, when you need to see specialists or get other services such as:

- X-Rays
- Lab Tests
- Physical Therapy
- Care from specialists
- Hospital admissions

Chapter 3 Using our plan for your medical services

- Follow-up care

You may need to get a referral from your PCP to a network specialist or other provider. Your PCP can help make sure all your care is coordinated, by checking with other network providers about your care. The only exceptions are the few covered services you can get from an in-network provider without a referral from your PCP. These are listed in Chapter 3, Section 2.2 below. In some cases, your PCP will need to get prior authorization (prior approval). Chapter 4 has more information on which services require prior authorization.

Just call your PCP to make an appointment when you need one. To help your PCP understand your medical history and oversee all your care, you may want to have your previous doctors send your past medical records to your new PCP.

How do you get care from your PCP?

You will usually see your PCP first for most of your routine health care needs; however, there are a few types of covered services you may get on your own, without first contacting your PCP. See Chapter 3, Section 2.2 for more information.

If it is after normal business hours and you have a need for routine care, please call your PCP back during normal business hours. If you have an emergency or have an urgent need for care after normal business hours, see Sections 3.1 or 3.2 in this chapter.

How to choose a PCP?

When you enrolled, you received a *Provider Directory* with a list of many PCPs in your area. If you need help finding or choosing one, call Customer Care or you can always see the most up-to-date list online at [Humana.com/findadoctor](https://www.humana.com/findadoctor). You will have to choose one of our network providers in your plan's service area listed in this document to be your Primary Care Provider (PCP).

To choose a PCP that's a good fit for you, call them to ask how long it usually takes to get an appointment and be sure the office hours are convenient for you. If there are particular network hospitals or specialists that you think you might want to use, you should also ask if the PCP uses them for referrals.

When you receive your Humana member ID card, the name and phone number of your PCP will be printed on it, so you always have it handy.

How to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP might leave our plan's network of providers, and you'd need to choose a new PCP.

To change your PCP call Customer Care. We'll make sure your new PCP is accepting new patients and then send you an updated member ID card. The change usually goes into effect on the first day of the month after you call.

Be sure to tell Customer Care if you're currently seeing specialists or any other providers that required a referral from your old PCP. We'll make sure you can continue with any services that had already been approved.

Section 2.2	Medical care you can get without a PCP referral
--------------------	--

You can get the services listed below without getting approval in advance from your PCP.

Chapter 3 Using our plan for your medical services

- Routine women's health care, including breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, COVID-19 vaccines, Hepatitis B vaccines, and pneumonia vaccines as long as you get them from a network provider.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed plan-covered services are services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area. If possible, call Customer Care at 800-457-4708 (TTY users call 711) before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.
- All covered preventive services from network providers. These services are indicated in the Chapter 4 Medical Benefits Chart with an 🍎.
- Partial hospitalization services from a network provider
- Dermatology services from a network provider. (You may self-refer to a network dermatologist up to five times per calendar year.)
- Medicare covered chiropractic services from a network provider
- Medicare covered podiatry services from a network provider
- Supplemental Benefits covered by the plan. These services are indicated in the Chapter 4 Medical Benefits Chart with an asterisk (*).

Section 2.3 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. For example:

- Oncologists care for patients with cancer
- Cardiologists care for patients with heart conditions
- Orthopedists care for patients with certain bone, joint, or muscle conditions

Referrals

Remember, you may need a referral from your PCP to see a specialist. Even if you have a referral for one type of care from a specialist, you may need another referral from your PCP if a new service or treatment is added.

Chapter 3 Using our plan for your medical services

All in-network specialists are listed in the *Provider Directory*, which you can find at [Humana.com/findadoctor](https://www.humana.com/findadoctor). Keep in mind, just because providers are in network doesn't mean that your PCP will provide referrals to all of them. You'll need to ask which hospitals and specialists your PCP uses for referrals.

For some types of services, your PCP may need to get approval in advance from our plan (this is called getting "prior authorization"). See Chapter 4, Section 2.1 for information about which services require prior authorization.

When a specialist or another network provider leaves our plan

We may make changes to the hospitals, doctors, and specialists (providers) in our plan's network during the year. If your doctor or specialist leaves our plan, you have these rights and protections:

- Even though our network of providers may change during the year, Medicare requires that you have uninterrupted access to qualified doctors and specialists.
- We'll notify you that your provider is leaving our plan so that you have time to choose a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past 3 years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past 3 months.
- We'll help you choose a new qualified in-network provider for continued care.
- If you're undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- When an in-network provider or benefit is unavailable or inadequate to meet your medical needs, we'll arrange for any medically necessary covered benefit outside of our provider network at in-network cost sharing. Prior authorization is required for service to be covered.
- If you find out your doctor or specialist is leaving our plan, contact us so we can help you choose a new provider to manage your care.
- If you believe we haven't furnished you with a qualified provider to replace your previous provider or that your care isn't being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to our plan, or both (go to Chapter 9).

Contact Customer Care at 800-457-4708, TTY 711 for assistance with selecting a new qualified provider to continue managing your health care needs.

Section 2.4 How to get care from out-of-network providers

Your network PCP must give you approval in advance before you can use providers not in the plan's network. This is called giving you a "referral." For more information about this and situations when you can see an out-of-network provider without a referral (such as an emergency), see Sections 2.2 and 2.3 of this chapter. If you don't have a referral (approval in advance) before you get services from an out-of-network provider, you may have to pay for these services yourself.

Chapter 3 Using our plan for your medical services

For some types of services, your doctor may need to get approval in advance from our plan (this is called getting "prior authorization"). See Chapter 4, Section 2.1 for more information about which services require prior authorization.

Please ask an out-of-network provider to bill the plan for services that you believe we should cover. If the provider refuses to bill the plan and sends you a bill that you think we should pay, you can send it to us for payment to the provider. If the provider refuses to bill the plan and you pay the provider, we will reimburse you for our share of the cost for covered services. See Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do if you receive a bill or if you need to ask for reimbursement.

Note: You are entitled to receive services from out-of-network providers for emergency or urgently needed services. In addition, plans must cover dialysis services for ESRD members who have traveled outside the plans service area and are not able to access contracted ESRD providers.

SECTION 3 How to get services in an emergency, disaster, or urgent need for care

Section 3.1 Get care if you have a medical emergency

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need to get approval or a referral first from your PCP. You don't need to use a network doctor. You can get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, make sure our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Customer Care using the phone number printed on the back cover of this document.

Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors giving you emergency care will decide when your condition is stable and when the medical emergency is over.

After the emergency is over, you're entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

Chapter 3 Using our plan for your medical services

If your emergency care is provided by out-of-network providers, we'll try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care—thinking that your health is in serious danger—and the doctor may say that it wasn't a medical emergency after all. If it turns out that it wasn't an emergency, as long as you reasonably thought your health was in serious danger, we'll cover your care.

However, after the doctor says it wasn't an emergency, we'll cover additional care *only* if you get the additional care in one of these 2 ways:

- You go to a network provider to get the additional care, or
- The additional care you get is considered urgently needed services and you follow the rules below for getting this urgent care.

Section 3.2 Get care when you have an urgent need for services

A service that requires immediate medical attention (but isn't an emergency) is an urgently needed service if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits such as annual checkups aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

The plan's *Provider Directory* will tell you which facilities in your area are in-network. This information can also be found online at [Humana.com/findadoctor](https://www.humana.com/findadoctor). For any other questions regarding urgently needed services, please contact Customer Care.

Our plan covers worldwide emergency and urgent care services outside of the United States under the following circumstances. If you have an emergency or an urgent need for care outside of the U.S. and its territories, you will be responsible to pay for those services upfront and request reimbursement from us. We will reimburse you for covered out-of-network emergency and urgent care services outside of the U.S. and its territories. However, the reimbursement rates will be no greater than the rates at which Original Medicare would pay for such services had the services been performed in the United States in the locality where you reside. The amount we pay you, if any, will be reduced by any applicable cost-sharing. Because we will reimburse at rates no greater than the rates at which Original Medicare would reimburse, and because foreign providers might charge more for services than the rates at which Original Medicare would pay, the total of our reimbursement plus the applicable cost-sharing may be less than the amounts you pay the foreign provider. This is a supplemental benefit not generally covered by Medicare. You must submit proof of payment to Humana for reimbursement. See Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*) for more information. If you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. You can send the bill with medical records to us for payment consideration. See Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do if you receive a bill or if you need to ask for reimbursement. Transportation back to the United States from another country is NOT covered. Pre-scheduled, pre-planned treatments (including treatment for an ongoing condition) and/or elective procedures are NOT covered.

Section 3.3 Get care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit [Humana.com/alert](https://www.humana.com/alert) for information on how to get needed care during a disaster.

If you can't use a network provider during a disaster, our plan will allow you to get care from out-of-network providers at in-network cost sharing. If you can't use a network pharmacy during a disaster, you may be able to fill your prescription at an out-of-network pharmacy. Go to Chapter 5, Section 2.5.

SECTION 4 What if you're billed directly for the full cost of covered services

If you paid more than our plan cost sharing for covered services, or if you get a bill for the full cost of covered medical services, you can ask us to pay our share of the cost of covered services. Go to Chapter 7 for information about what to do.

Section 4.1 If services aren't covered by our plan, you must pay the full cost

Humana Community (HMO) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4. If you get services that aren't covered by our plan or you get services out-of-network without authorization, you're responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you use up your benefit for that type of covered service. Paying for costs once a benefit limit has been reached will **not** count toward your out-of-pocket maximum. You can call Customer Care when you want to know how much of your benefit limit you have already used.

SECTION 5 Medical services in a clinical research study

Section 5.1 What is a clinical research study

A clinical research study (also called a *clinical trial*) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically ask for volunteers to participate in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for covered services you get as part of the study. If you tell us you're in a qualified clinical trial, you're only responsible for the in-network cost sharing for the services in that trial. If you paid more—for example, if you already paid the Original Medicare cost-sharing amount we'll reimburse the difference between what you paid and the in-network cost sharing. You'll need to provide documentation to show us how much you paid.

If you want to participate in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your PCP. The providers that deliver your care as part of the clinical research study don't need to be part of our plan's network (This doesn't apply to covered benefits that require a clinical trial or registry to

Chapter 3 Using our plan for your medical services

assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.)

While you don't need our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study not approved by Medicare or our plan, you'll be responsible for paying all costs for your participation in the study.

Section 5.2 Who pays for services in a clinical research study

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you get as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it's part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare pays its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you'll pay the same amount for services you get as part of the study as you would if you got these services from our plan. However, you must submit documentation showing how much cost sharing you paid. Go to Chapter 7 for more information on submitting requests for payments.

Example of cost sharing in a clinical trial: Let's say you have a lab test that costs \$100 as part of the research study. Your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan. In this case, Original Medicare would pay \$80 for the test, and you would pay the \$20 copay required under Original Medicare. You would notify our plan that you got a qualified clinical trial service and submit documentation, (like a provider bill) to our plan. Our plan would then directly pay you \$10. This makes your net payment for the test \$10, the same amount you'd pay under our plan's benefits.

When you're in a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare won't pay for the new item or service the study is testing unless Medicare would cover the item or service even if you weren't in a study.
- Items or services provided only to collect data and not used in your direct health care. For example, Medicare won't pay for monthly CT scans done as part of a study if your medical condition would normally require only one CT scan.
- Items and services provided by the research sponsors free of charge for people in the trial

Get more information about joining a clinical research study

Get more information about joining a clinical research study in the Medicare publication *Medicare and Clinical Research Studies*, available at:

www.Medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf. You can also call 1-800-MEDICARE (1-800-633-4227) TTY users call 1-877-486-2048.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 A religious non-medical health care institution

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we'll instead cover care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 How to get care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're conscientiously opposed to getting medical treatment that is **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that's *voluntary and not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment you get that's *not voluntary or is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers *non-religious* aspects of care.
- If you get services from this institution provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - *and* – you must get approval in advance from our plan before you're admitted to the facility, or your stay won't be covered.

Medicare Inpatient Hospital coverage limits apply (please refer to the Medical Benefits Chart in Chapter 4).

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1 You won't own some durable medical equipment after making a certain number of payments under our plan

Durable medical equipment (DME) includes items like oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for members to use in the home. The member always owns some DME items, like prosthetics. Other types of DME you must rent.

Chapter 3 Using our plan for your medical services

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. **As a member of Humana Community (HMO), you usually won't get ownership of rented DME items no matter how many copayments you make for the item while a member of our plan.** You won't get ownership even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under some limited circumstances we'll transfer ownership of the DME item to you. Call Customer Care at 800-457-4708 (TTY users call 711) for more information.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you didn't get ownership of the DME item while in our plan, you'll have to make 13 new consecutive payments after you switch to Original Medicare to own the DME item. The payments you made while enrolled in our plan don't count towards these 13 payments.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare don't count. You'll have to make 13 payments to our plan before owning the item.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You didn't get ownership of the item while in our plan. You then go back to Original Medicare. You'll have to make 13 consecutive new payments to own the item once you rejoin Original Medicare. Any payments you already made (whether to our plan or to Original Medicare) don't count.

Section 7.2	Rules for oxygen equipment, supplies, and maintenance
--------------------	--

If you qualify for Medicare oxygen equipment coverage Humana Community (HMO) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Humana Community (HMO) or no longer medically require oxygen equipment, then the oxygen equipment must be returned.

What happens if you leave our plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for five years. During the first 36 months you rent the equipment. For the remaining 24 months, the supplier provides the equipment and maintenance (you're still responsible for the copayment for oxygen). After 5 years you can choose to stay with the same company or go to another company. At this point, the 5-year cycle starts over again, even if you stay with the same company, and you're again required to pay copayments for the first 36 months. If you join or leave our plan, the 5-year cycle starts over.

CHAPTER 4: Medical Benefits Chart (what's covered and what you pay)

SECTION 1 Understanding your out-of-pocket costs for covered services

The Medical Benefits Chart lists your covered services and shows how much you pay for each covered service as a member of Humana Community (HMO). This section also gives information about medical services that aren't covered and explains limits on certain services. Also, see exclusions and limitations pertaining to certain supplemental benefits in the Medical Benefits Chart in this chapter.

Section 1.1 Out-of-pocket costs you may pay for covered services

Types of out-of-pocket costs you may pay for covered services include:

- **Copayment:** the fixed amount you pay each time you get certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart tells you more about your copayments.)
- **Coinsurance:** the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program don't pay deductibles, copayments, or coinsurance. If you're in one of these programs, be sure to show your proof of Medicaid or QMB eligibility to your provider.

Section 1.2 What's the most you'll pay for Medicare Part A and Part B covered medical services?

Medicare Advantage Plans have limits on the total amount you have to pay out of pocket each year for in-network medical services covered under Medicare Part A and Part B. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. **For calendar year 2026 the MOOP amount is \$2,400.**

The amounts you pay for copayments and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. The amount you pay for Part D drugs doesn't count toward your out-of-pocket maximum. In addition, amounts you pay for some services do not count toward your maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart. If you reach the maximum out-of-pocket amount of **\$2,400**, you won't have to pay any out-of-pocket costs for the rest of the year for in-network covered Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Providers aren't allowed to balance bill you

As a member of Humana Community (HMO), you have an important protection because you only have to pay your cost-sharing amount when you get services covered by our plan. Providers can't bill you for additional separate charges, called **balance billing**. This protection applies even if we pay the provider less than the provider charges for a service, and even if there's a dispute and we don't pay certain provider charges.

Here's how protection from balance billing works.

- If your cost sharing is a copayment (a set amount of dollars, for example, \$15.00), you pay only that amount for any covered services from a network provider.
- If your cost sharing is a coinsurance (a percentage of the total charges), you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you get covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (this is set in the contract between the provider and our plan.)
 - If you get covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Our plan covers services from out-of-network providers only in certain situations, such as when you get a referral or for emergencies or urgently needed services.)
 - If you get the covered services from an out-of-network provider who doesn't participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Our plan covers services from out-of-network providers only in certain situations, such as when you get a referral, or for emergencies or for urgently needed services outside the service area.)
- If you think a provider has balance billed you, call Customer Care at 800-457-4708 (TTY users call 711).

SECTION 2 The Medical Benefits Chart shows your medical benefits and costs

The Medical Benefits Chart on the next pages lists the services Humana Community (HMO) covers and what you pay out of pocket for each service. (Part D drug coverage is in Chapter 5.) The services listed in the Medical Benefits Chart are covered only when these are met:

- Your Medicare-covered services must be provided according to the Medicare coverage guidelines.
- Your services (including medical care, services, supplies, equipment, and Part B drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan can't require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

- You get your care from a network provider. In most cases, care you get from an out-of-network provider won't be covered, unless it's emergency or urgent care, or unless our plan or a network provider gave you a referral. This means you pay the provider in full for the out-of-network services you get.
- You have a primary care provider (a PCP) providing and overseeing your care. In most situations, your PCP must give you approval in advance (a referral) before you can see other providers in our plan's network.
- Some services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval from us in advance (sometimes called prior authorization). Covered services that need approval in advance are marked in the Medical Benefits Chart by a footnote.
 - The preauthorization list can be found here: [Humana.com/PAL](https://www.humana.com/PAL)
- If your coordinated care plan provides approval of a prior authorization request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care in accordance with applicable coverage criteria, your medical history, and the treating provider's recommendation.

Other important things to know about our coverage:

- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2026* handbook. View it online at www.Medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.)
- For preventive services covered at no cost under Original Medicare, we also cover those services at no cost to you. However, if you're also treated or monitored for an existing medical condition during the visit when you get the preventive service, a copayment will apply for the care you got for the existing medical condition.
- If Medicare adds coverage for any new services during 2026, either Medicare or our plan will cover those services.

Important Benefit Information for People Who Qualify for Extra Help:

- If you get Extra Help to pay your Medicare drug program costs, you may be eligible for other targeted supplemental benefits and/or targeted reduced cost sharing.

 **This apple shows preventive services in the Medical Benefits Chart.**

*** This asterisk shows to the supplemental benefits in the Medical Benefits Chart.**

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

Covered Service	What you pay
<ul style="list-style-type: none"> • Colonoscopy has no minimum or maximum age limitation and is covered once every 120 months (10 years) for patients not at high risk, or 48 months after a previous flexible sigmoidoscopy for patients who aren't at high risk for colorectal cancer, and once every 24 months for high-risk patients after a previous screening colonoscopy. • Computed tomography colonography for patients 45 year and older who are not at high risk of colorectal cancer and is covered when at least 59 months have passed following the month in which the last screening computed tomography colonography was performed or 47 months have passed following the month in which the last screening flexible sigmoidoscopy or screening colonoscopy was performed. For patients at high risk for colorectal cancer, payment may be made for a screening computed tomography colonography performed after at least 23 months have passed following the month in which the last screening computed tomography colonography or the last screening colonoscopy was performed. • Flexible sigmoidoscopy for patients 45 years and older. Once every 120 months for patients not at high risk after the patient got a screening colonoscopy. Once every 48 months for high-risk patients from the last flexible sigmoidoscopy or computed tomography colonography. • Screening fecal-occult blood tests for patients 45 years and older. Once every 12 months. • Multitarget stool DNA for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Blood-based Biomarker Tests for patients 45 to 85 years of age and not meeting high-risk criteria. Once every 3 years. • Colorectal cancer screening tests include a follow-on screening colonoscopy after a Medicare covered non-invasive stool-based colorectal cancer screening test returns a positive result. • Colorectal cancer screening tests include a planned screening flexible sigmoidoscopy or screening colonoscopy that involves the removal of tissue or other matter, or other procedure furnished in connection with, as a result of, and in the same clinical encounter as the screening test. 	<p>Medicare-covered colorectal cancer screening exam.</p>
<p>Dental services</p> <p>In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) aren't covered by Original Medicare. However, Medicare pays for dental services in a limited number of circumstances, specifically when that service is an integral part of specific treatment of a person's primary medical condition. Examples include reconstruction of the jaw after a fracture or injury, tooth extractions done in preparation for radiation treatment for cancer involving the jaw, or oral exams prior to organ transplantation.</p> <p>In addition, we cover Mandatory Supplemental Dental Benefits which include preventive and diagnostic services.</p>	<p><u>In-Network:</u> <u>Medicare Covered Dental Services</u> \$20 copayment – Specialist's Office</p> <p><u>Mandatory Supplemental Dental Benefits</u> *You are covered for Mandatory Supplemental Dental Benefit. See the Mandatory Supplemental Dental Benefit description at the end of this chart for details.</p>

Covered Service	What you pay
<p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	
<p> Depression screening</p> <p>We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment and/or referrals.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for an annual depression screening visit.</p>
<p> Diabetes screening</p> <p>We cover this screening (includes fasting glucose tests) if you have any of these risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes.</p> <p>You may be eligible for up to 2 diabetes screenings every 12 months following the date of your most recent diabetes screening test.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for the Medicare-covered diabetes screening tests.</p>
<p> Diabetes self-management training, diabetic services and supplies</p> <p>For all people who have diabetes (insulin and non-insulin users). Covered services include:</p> <ul style="list-style-type: none"> • Supplies to monitor your blood glucose: blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors. <ul style="list-style-type: none"> – These are the only covered (preferred) brands of blood glucose monitors and test strips: ACCU-CHEK® manufactured by Roche, or Trividia products sometimes packaged under your pharmacy’s name. – Humana covers any blood glucose monitors and test strips specified within the preferred brand list above. In general, alternate non-preferred brand products are not covered unless your doctor provides adequate information that the use of an alternate brand is medically necessary in your specific situation. If you are new to Humana and are using a brand of blood glucose monitor and test strips that are not on the preferred brand list, you may contact us within the first 90 days of enrollment into the plan to request a temporary supply of the alternate non-preferred brand. During this time, you should talk with your doctor to decide whether any of the preferred product brands listed above are medically appropriate for you. Non-preferred brand products will not be covered following the initial 90 days of coverage without an approved prior authorization for a coverage exception. • For people with diabetes who have severe diabetic foot disease: one pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and 2 additional pairs of inserts, or one 	<p><u>In-Network:</u> <u>Diabetes self-management training</u> \$0 copayment <ul style="list-style-type: none"> – PCP's Office – Specialist's Office – Outpatient Hospital <u>Diabetic Monitoring Supplies</u> \$0 copayment <ul style="list-style-type: none"> – Preferred Diabetic Supplier – Network Retail Pharmacy 20% coinsurance <ul style="list-style-type: none"> – Diabetic Supplier <u>Diabetic Shoes and Inserts</u> \$0 copayment <ul style="list-style-type: none"> – Durable Medical Equipment Provider – Prosthetics Provider </p>

Covered Service	What you pay
<p>pair of depth shoes and 3 pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting.</p> <ul style="list-style-type: none"> • Diabetes self-management training is covered under certain conditions. • For Continuous Glucose Monitors, see Durable medical equipment (DME) and related supplies. <p>The 🍏 (preventive service) only applies to Diabetes self-management training.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	
<p>Durable medical equipment (DME) and related supplies</p> <p>(For a definition of durable medical equipment, go to Chapter 12 and Chapter 3.)</p> <p>Covered items include, but aren't limited to, wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, continuous glucose monitors**, and walkers.</p> <p>We cover all medically necessary DME covered by Original Medicare. If our supplier in your area doesn't carry a particular brand or manufacturer, you can ask them if they can special order it for you. The most recent list of suppliers is available on our website Humana.com/findadoctor.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p> <p>**Preferred Continuous Glucose Monitors (CGMs) are covered at pharmacies. Preferred CGMs are Dexcom & Freestyle Libre. Non-preferred CGMs are not covered through a pharmacy unless your doctor provides adequate information that the use of an alternate brand is medically necessary. All CGMs will continue to be covered through durable medical equipment providers (DME).</p>	<p><u>In-Network:</u> <u>Durable Medical Equipment</u> 20% coinsurance</p> <ul style="list-style-type: none"> – Durable Medical Equipment Provider <p><u>Durable Medical Equipment-Oxygen System</u> \$0 copayment</p> <ul style="list-style-type: none"> – Durable Medical Equipment Provider <p><u>Continuous Glucose Monitor</u> \$0 copayment</p> <ul style="list-style-type: none"> – Durable Medical Equipment Provider – Pharmacy
<p>🍏 EKG screening</p> <p>The screening EKG, when done as a referral from the <i>Welcome to Medicare</i> preventive visit, is only covered once during a beneficiary's lifetime.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for an EKG screening visit.</p>
<p>Emergency care</p> <p>Emergency care refers to services that are:</p>	<p><u>In-Network:</u> <u>Emergency Services</u> \$150 copayment</p>

Covered Service	What you pay
<ul style="list-style-type: none"> • Furnished by a provider qualified to furnish emergency services, and • Needed to evaluate or stabilize an emergency medical condition. <p>A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.</p> <p>Cost sharing for necessary emergency services you get out-of-network is the same as when you get these services in-network.</p> <p>You are covered for emergency care world-wide. If you have an emergency outside of the U.S. and its territories, you will be responsible to pay for the services rendered upfront. You must submit proof of payment to Humana for reimbursement. For more information please see Chapter 7. We may not reimburse you for all out of pocket expenses. This is because our contracted rates may be lower than provider rates outside of the U.S. and its territories. You are responsible for any costs exceeding our contracted rates as well as any applicable member cost share.</p>	<ul style="list-style-type: none"> – Emergency Room <p><u>In-Network:</u> <u>Provider and Professional Services</u> \$0 copayment</p> <ul style="list-style-type: none"> – Emergency Room <p>You do not pay the emergency room visit cost share if you are admitted to the same hospital within 24 hours for the same condition.</p> <p>If you get emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital for your care to continue to be covered OR you must have your inpatient care at the out-of-network hospital authorized by our plan and your cost is the cost sharing you would pay at a network hospital.</p> <p>If you move into an observation status, your emergency care copay will be waived and you will pay your observation or inpatient copay. For further information, see the Outpatient Hospital Observation or Inpatient Hospital Care section of this chart.</p>
<p>Hearing services</p> <p>Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when you get them from a physician, audiologist, or other qualified provider.</p> <p>In addition, we cover Mandatory Supplemental Hearing Benefits which include a routine hearing exam and hearing aid coverage.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p><u>In-Network:</u> <u>Medicare Covered Hearing Services</u> \$20 copayment</p> <ul style="list-style-type: none"> – Specialist's Office <p><u>Mandatory Supplemental Hearing Benefits</u> *You are covered for Mandatory Supplemental Hearing Benefit. See the Mandatory Supplemental Hearing Benefit description at the end of this chart for details.</p>
<p> HIV screening</p>	<p><u>In-Network:</u></p>

Covered Service	What you pay
<p>For people who ask for an HIV screening test or are at increased risk for HIV infection, we cover:</p> <ul style="list-style-type: none"> • One screening exam every 12 months <p>If you are pregnant, we cover:</p> <ul style="list-style-type: none"> • Up to 3 screening exams during a pregnancy 	<p>There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered preventive HIV screening.</p>
<p>Home health agency care</p> <p>Before you get home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort.</p> <p>Covered services include, but aren't limited to:</p> <ul style="list-style-type: none"> • Part-time or intermittent skilled nursing and home health aide services (to be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week) • Physical therapy, occupational therapy, and speech therapy • Medical and social services • Medical equipment and supplies <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p><u>In-Network:</u> <u>Home Health Care</u> \$0 copayment – Member's Home</p> <p><u>Durable Medical Equipment</u> 20% coinsurance – Durable Medical Equipment Provider</p> <p><u>Durable Medical Equipment-Oxygen System</u> \$0 copayment – Durable Medical Equipment Provider</p>
<p>Home infusion therapy</p> <p>Home infusion therapy involves the intravenous or subcutaneous administration of drugs or biologicals to a person at home. The components needed to perform home infusion include the drug (for example, antivirals, immune globulin), equipment (for example, a pump), and supplies (for example, tubing and catheters).</p> <p>Covered services include, but aren't limited to:</p> <ul style="list-style-type: none"> • Professional services, including nursing services, furnished in accordance with our plan of care • Patient training and education not otherwise covered under the durable medical equipment benefit • Remote monitoring • Monitoring services for the provision of home infusion therapy and home infusion drugs furnished by a qualified home infusion therapy supplier <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p><u>In-Network:</u> <u>Medical Supplies</u> 20% coinsurance – Medical Supply Provider</p> <p><u>Other Medicare Part B Drugs</u> 20% coinsurance – PCP's Office – Specialist's Office – Outpatient Hospital – Pharmacy</p> <p><u>Provider and Professional Services</u> \$0 copayment – PCP's Office</p>

Covered Service	What you pay
<p>Hospice care</p> <p>You're eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You can get care from any Medicare-certified hospice program. Our plan is obligated to help you find Medicare-certified hospice programs in our plan's service area, including programs we own, control, or have a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider.</p> <p>Covered services include:</p> <ul style="list-style-type: none">• Drugs for symptom control and pain relief• Short-term respite care• Home care <p>When you're admitted to a hospice, you have the right to stay in our plan; if you stay in our plan you must continue to pay plan premiums.</p> <p>For hospice services and services covered by Medicare Part A or B that are related to your terminal prognosis: Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you're in the hospice program, your hospice provider will bill Original Medicare for the services Original Medicare pays for. You'll be billed Original Medicare cost sharing.</p> <p>For services covered by Medicare Part A or B not related to your terminal prognosis: If you need non-emergency, non-urgently needed services covered under Medicare Part A or B that aren't related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network and follow plan rules (like if there's a requirement to get prior authorization).</p> <ul style="list-style-type: none">• If you get the covered services from a network provider and follow plan rules for getting service, you pay only our plan cost-sharing amount for in-network services• If you get the covered services from an out-of-network provider, you pay the cost-sharing under Original Medicare <p>For services that are covered by Humana Community (HMO) but not covered by Medicare Part A or B: Humana Community (HMO) will continue to cover plan-covered services that aren't covered under Part A or B whether or not they're related to your terminal prognosis. You pay our plan cost-sharing amount for these services.</p> <p>For drugs that may be covered by our plan's Part D benefit: If these drugs are unrelated to your terminal hospice condition you pay cost sharing. If they're related to your terminal hospice condition, you pay Original Medicare cost sharing. Drugs are never covered by both hospice</p>	<p>When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not Humana Community (HMO). Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit. Provider cost sharing may apply for outpatient consultations.</p>

Covered Service	What you pay
<p>and our plan at the same time. For more information, go to Chapter 5, Section 9.4.</p> <p>Note: If you need non-hospice care (care that's not related to your terminal prognosis), contact us to arrange the services.</p>	
<p>* Humana Well Dine® meal program</p> <p>Your plan has more than one meal program you may be eligible for:</p> <p>After your inpatient stay in either the hospital or a nursing facility, you are eligible to receive 2 meals per day for 7 days at no extra cost to you. 14 nutritious meals will be delivered to your home. Meal program limited to 4 times per calendar year. Meals have to be requested within 30 days of discharge from inpatient stay.</p> <p>With your doctor's approval, and at no cost to you, you could receive up to 20 home delivered meals (2 meals per day for 10 days) for each eligible chronic condition to assist you in establishing a diet needed to improve and/or stabilize one or more of the following chronic conditions:</p> <p>Cardiovascular Disease</p> <p>Benefit limited to once per calendar year per eligible chronic condition.</p> <p>For additional information, please contact the Customer Care number on the back of your Humana Member ID card.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible to participate.</p>
<p> Immunizations</p> <p>Covered Medicare Part B services include:</p> <ul style="list-style-type: none"> • Pneumonia vaccines • Flu/influenza shots (or vaccines), once each flu/influenza season in the fall and winter, with additional flu/influenza shots (or vaccines) if medically necessary • Hepatitis B vaccines if you're at high or intermediate risk of getting Hepatitis B • COVID-19 vaccines • Other vaccines if you're at risk and they meet Medicare Part B coverage rules <p>We also cover most other adult vaccines under our Part D drug benefit. Go to Chapter 6, Section 8 for more information.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for the pneumonia, flu/influenza, Hepatitis B, and COVID-19 vaccines.</p>
<p>Inpatient hospital care</p> <p>Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you're formally admitted to the hospital with a doctor's order. The day before you're discharged is your last inpatient day.</p>	<p>Your inpatient cost share will begin on day one each time you are admitted or transferred to a specific facility type, including Inpatient Rehabilitation facilities, Long Term Acute Care (LTAC) facilities, Inpatient Acute Care</p>

Covered Service	What you pay
<p>You are covered for an unlimited number of medically necessary inpatient hospital days. Covered services include but aren't limited to:</p> <ul style="list-style-type: none"> • Semi-private room (or a private room if medically necessary) • Meals including special diets • Regular nursing services • Costs of special care units (such as intensive care or coronary care units) • Drugs and medications • Lab tests • X-rays and other radiology services • Necessary surgical and medical supplies • Use of appliances, such as wheelchairs • Operating and recovery room costs • Physical, occupational, and speech language therapy • Inpatient substance abuse services • Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we'll arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you're a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If Humana Community (HMO) provides transplant services at a location outside the pattern of care for transplants in your community and you choose to get transplants at this distant location, we'll arrange or pay for appropriate lodging and transportation costs for you and a companion. Travel and lodging reimbursement requires a minimum of 100 miles one way to transplant center and is limited to \$10,000 per transplant. • If you are in need of a solid organ or bone marrow/stem cell transplant, please contact our Transplant Department at 1-866-421-5663, TTY 711 for important information about your transplant care. Additional details on transplant travel and lodging can be found at https://provider.humana.com/patient-care/transplant-resources/transplant-services-questions. • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. • Physician services <p>Note: To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you're not sure if you're an inpatient or an outpatient, ask the hospital staff.</p> <p>Get more information in the Medicare fact sheet <i>Medicare Hospital Benefits</i>. <p>Inpatient services in a psychiatric hospital</p> <p>Covered services include mental health care services that require a hospital stay.</p> <ul style="list-style-type: none"> • 190-day lifetime limit for inpatient services in a psychiatric hospital <ul style="list-style-type: none"> – The 190-day limit does not apply to Inpatient Mental Health services provided in a psychiatric unit of a general hospital • The benefit days used under the Original Medicare program will count toward the 190-day lifetime reserve days when enrolling in a Medicare Advantage plan <p>Prior authorization is required for inpatient mental health care.</p>	<p>Your inpatient cost share will begin on day one each time you are admitted or transferred to a specific facility type, including Inpatient Rehabilitation facilities, Long Term Acute Care (LTAC) facilities, Inpatient Acute Care facilities, and Inpatient Psychiatric facilities.</p> <p><u>In-Network:</u> <u>Inpatient Mental Health Care</u> Inpatient Hospital</p> <ul style="list-style-type: none"> – \$150 copayment per day, days 1 to 6 – \$0 copayment per day, days 7 to 90 <p>Inpatient Psychiatric Facility</p> <ul style="list-style-type: none"> – \$150 copayment per day, days 1 to 6 – \$0 copayment per day, days 7 to 90 <p><u>In-Network</u> <u>Provider and Professional Services</u> \$0 copayment</p> <ul style="list-style-type: none"> – Inpatient Hospital – Inpatient Psychiatric Facility
<p>Inpatient stay: Covered services you get in a hospital or SNF during a non-covered inpatient stay</p> <p>If you've used up your inpatient benefits or if the inpatient stay isn't reasonable and necessary, we won't cover your inpatient stay. In some cases, we'll cover certain services you get while you're in the hospital or the skilled nursing facility (SNF). Covered services include, but aren't limited to:</p> <ul style="list-style-type: none"> • Physician services • Diagnostic tests (like lab tests) • X-ray, radium, and isotope therapy including technician materials and services 	<p>When your inpatient stay is not covered, you will pay the cost of the services received as described throughout this benefit chart.</p>

Covered Service	What you pay
<ul style="list-style-type: none"> • Surgical dressings • Splints, casts and other devices used to reduce fractures and dislocations • Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices • Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition • Physical therapy, speech therapy, and occupational therapy 	
<p> Medical nutrition therapy</p> <p>This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when referred by your doctor.</p> <p>We cover 3 hours of one-on-one counseling services during the first year you get medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to get more hours of treatment with a physician's referral. A physician must prescribe these services and renew their referral yearly if your treatment is needed into the next calendar year.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered medical nutrition therapy services.</p>
<p> Medicare Diabetes Prevention Program (MDPP)</p> <p>MDPP services are covered for eligible people under all Medicare health plans.</p> <p>MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for the MDPP benefit.</p>
<p>Medicare Part B drugs</p> <p>These drugs are covered under Part B of Original Medicare. Members of our plan get coverage for these drugs through our plan. Covered drugs include:</p> <ul style="list-style-type: none"> • Drugs that usually aren't self-administered by the patient and are injected or infused while you get physician, hospital outpatient, or ambulatory surgical center services • Insulin furnished through an item of durable medical equipment (such as a medically necessary insulin pump) • Other drugs you take using durable medical equipment (such as nebulizers) that were authorized by our plan • The Alzheimer's drug, Leqembi[®], (generic name lecanemab), which is administered intravenously. In addition to medication costs, you may 	<p><u>In-Network:</u></p> <p><u>Chemotherapy Drugs</u> 20% coinsurance</p> <ul style="list-style-type: none"> – Specialist's Office – Outpatient Hospital <p><u>Medicare Part B Insulin Drugs</u> 20% coinsurance</p> <ul style="list-style-type: none"> – PCP's Office – Specialist's Office – Outpatient Hospital – Pharmacy <p><u>Other Medicare Part B Drugs</u></p>

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

Covered Service	What you pay
<p>need additional scans and tests before and/or during treatment that could add to your overall costs. Talk to your doctor about what scans and tests you may need as part of your treatment</p> <ul style="list-style-type: none"> • Clotting factors you give yourself by injection if you have hemophilia • Transplant/immunosuppressive drugs: Medicare covers transplant drug therapy if Medicare paid for your organ transplant. You must have Part A at the time of the covered transplant, and you must have Part B at the time you get immunosuppressive drugs. Medicare Part D drug coverage covers immunosuppressive drugs if Part B doesn't cover them • Injectable osteoporosis drugs, if you're homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and can't self-administer the drug • Some antigens: Medicare covers antigens if a doctor prepares them and a properly instructed person (who could be you, the patient) gives them under appropriate supervision • Certain oral anti-cancer drugs: Medicare covers some oral cancer drugs you take by mouth if the same drug is available in injectable form or the drug is a prodrug (an oral form of a drug that, when ingested, breaks down into the same active ingredient found in the injectable drug) of the injectable drug. As new oral cancer drugs become available, Part B may cover them. If Part B doesn't cover them, Part D does • Oral anti-nausea drugs: Medicare covers oral anti-nausea drugs you use as part of an anti-cancer chemotherapeutic regimen if they're administered before, at, or within 48 hours of chemotherapy or are used as a full therapeutic replacement for an intravenous anti-nausea drug • Certain oral End-Stage Renal Disease (ESRD) drugs covered under Medicare Part B • Calcimimetic and phosphate binder medications under the ESRD payment system, including the intravenous medication Parsabiv[®], and the oral medication Sensipar[®] • Certain drugs for home dialysis, including heparin, the antidote for heparin, when medically necessary, and topical anesthetics • Erythropoiesis-stimulating agents: Medicare covers erythropoietin by injection if you have End-Stage Renal Disease (ESRD) or you need this drug to treat anemia related to certain other conditions (such as Epogen[®], Procrit[®], Retacrit[®], Epoetin Alfa, Darbepoetin Alfa, Mircera[®], or Methoxy polyethylene glycol-epoetin beta) • Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases • Parenteral and enteral nutrition (intravenous and tube feeding) <p>The following link will take you to a list of Part B Drugs that may be subject to Step Therapy: Humana.com/PAL</p> <p>We also cover some vaccines under Part B and most adult vaccines under our Part D drug benefit.</p>	<p>20% coinsurance</p> <ul style="list-style-type: none"> – PCP's Office – Specialist's Office – Outpatient Hospital – Pharmacy <p>Some rebatable Part B drugs may be subject to a lower coinsurance. There may be a cost for the administration of a Part B drug, in addition to the cost for the drug itself.</p> <p>You may have to try a different drug first before we will agree to cover the drug you are requesting. This is called "step therapy."</p> <p>You will pay no more than \$35 for a one-month (up to 30-day) supply for all Part B insulin covered by our plan, and if your plan has a deductible it does not apply to the Part B insulin.</p>

Covered Service	What you pay
<p>Chapter 5 explains our Part D drug benefit, including rules you must follow to have prescriptions covered. What you pay for Part D drugs through our plan is explained in Chapter 6.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	
<p> Obesity screening and therapy to promote sustained weight loss</p> <p>If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for preventive obesity screening and therapy.</p>
<p>Opioid treatment program services</p> <p>Members of our plan with opioid use disorder (OUD) can get coverage of services to treat OUD through an Opioid Treatment Program (OTP) which includes the following services:</p> <ul style="list-style-type: none"> • U.S. Food and Drug Administration (FDA)-approved opioid agonist and antagonist medication-assisted treatment (MAT) medications. • Dispensing and administration of MAT medications (if applicable) • Substance use counseling • Individual and group therapy • Toxicology testing • Intake activities • Periodic assessments <p>Our plan requires prior authorization for certain items and services. <p> Screening and counseling to reduce alcohol misuse</p>	<p><u>In-Network:</u></p> <p>There is no coinsurance, copayment, or deductible for the</p>

Covered Service	What you pay
<p>We cover one alcohol misuse screening for adults (including pregnant women) who misuse alcohol but aren't alcohol dependent.</p> <p>If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.</p>	<p>Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit.</p>
<p>🍎 Screening for lung cancer with low dose computed tomography (LDCT)</p> <p>For qualified people, a LDCT is covered every 12 months.</p> <p>Eligible members are: people age 50 – 77 who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 20 pack-years and who currently smoke or have quit smoking within the last 15 years, who get an order for LDCT during a lung cancer screening counseling and shared decision-making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner.</p> <p><i>For LDCT lung cancer screenings after the initial LDCT screening:</i> the members must get an order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision-making visit for later lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for the Medicare covered counseling and shared decision-making visit or for the LDCT.</p>
<p>🍎 Screening for Hepatitis C Virus infection</p> <p>We cover one Hepatitis C screening if your primary care doctor or other qualified health care provider orders one and you meet one of these conditions:</p> <ul style="list-style-type: none"> • You're at high risk because you use or have used illicit injection drugs. • You had a blood transfusion before 1992. • You were born between 1945-1965. <p>If you were born between 1945-1965 and aren't considered high risk, we pay for a screening once. If you're at high risk (for example, you've continued to use illicit injection drugs since your previous negative Hepatitis C screening test), we cover yearly screenings.</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered screening for Hepatitis C Virus.</p>
<p>🍎 Screening for sexually transmitted infections (STIs) and counseling to prevent STIs</p> <p>We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for the Medicare-covered screening for STIs and counseling for STIs preventive benefit.</p>

Covered Service	What you pay
<p>when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy.</p> <p>We also cover up to 2 individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office.</p>	
<p>Services to treat kidney disease</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to 6 sessions of kidney disease education services per lifetime • Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3, or when your provider for this service is temporarily unavailable or inaccessible) • Inpatient dialysis treatments (if you're admitted as an inpatient to a hospital for special care) • Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments) • Home dialysis equipment and supplies • Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply) <p>Certain drugs for dialysis are covered under Medicare Part B. For information about coverage for Part B Drugs, go to Medicare Part B drugs in this table.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p><u>In-Network:</u></p> <p><u>Kidney Disease Education Services</u> \$0 copayment</p> <ul style="list-style-type: none"> – PCP's Office – Specialist's Office <p><u>Renal Dialysis Services</u> 20% coinsurance</p> <ul style="list-style-type: none"> – Dialysis Center – Outpatient Hospital <p><u>Durable Medical Equipment</u> 20% coinsurance</p> <ul style="list-style-type: none"> – Durable Medical Equipment Provider <p><u>Home Health Care</u> \$0 copayment</p> <ul style="list-style-type: none"> – Member's Home
<p>* SilverSneakers® Fitness program</p> <p>SilverSneakers® is a fitness program for seniors that is included at no additional charge with qualifying Medicare health plans. Members have access to participating fitness locations across the country that may include weights and machines plus group exercise classes led by trained instructors at select locations. Access online education on SilverSneakers.com, watch workout videos on SilverSneakers On-Demand™ or download the SilverSneakers GO™ fitness app for additional workout ideas.</p> <p>Any fitness center services that usually have an extra fee are not included in your membership.</p>	<p><u>In-Network:</u></p> <p>\$0 copayment</p>

Covered Service	What you pay
<p>Skilled nursing facility (SNF) care</p> <p>(For a definition of skilled nursing facility care, go to Chapter 12. Skilled nursing facilities are sometimes called SNFs.)</p> <p>You are covered for up to 100 medically necessary days per benefit period. Prior hospital stay is not required. Covered services include but aren't limited to:</p> <ul style="list-style-type: none"> • Semiprivate room (or a private room if medically necessary) • Meals, including special diets • Skilled nursing services • Physical therapy, occupational therapy, and speech therapy • Drugs administered to you as part of our plan of care (this includes substances that are naturally present in the body, such as blood clotting factors.) • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood you need. • Medical and surgical supplies ordinarily provided by SNFs • Laboratory tests ordinarily provided by SNFs • X-rays and other radiology services ordinarily provided by SNFs • Use of appliances such as wheelchairs ordinarily provided by SNFs • Physician/Practitioner services <p>Generally, you get SNF care from network facilities. Under certain conditions listed below, you may be able to pay in-network cost sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment.</p> <ul style="list-style-type: none"> • A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care) • A SNF where your spouse or domestic partner is living at the time you leave the hospital <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p>A new benefit period will begin on day one when you first enroll in a Medicare Advantage plan, or when you have been discharged from skilled care in a skilled nursing facility for 60 consecutive days.</p> <p>Per Benefit Period, you pay:</p> <p><u>In-Network:</u> \$0 copayment per day, days 1 to 20</p> <ul style="list-style-type: none"> – Skilled Nursing Facility <p>\$160 copayment per day, days 21 to 100</p> <ul style="list-style-type: none"> – Skilled Nursing Facility
<p> Smoking and tobacco use cessation (counseling to stop smoking or tobacco use)</p> <p>Smoking and tobacco use cessation counseling is covered for outpatient and hospitalized patients who meet these criteria:</p> <ul style="list-style-type: none"> • Use tobacco, regardless of whether they exhibit signs or symptoms of tobacco-related disease • Are competent and alert during counseling • A qualified physician or other Medicare-recognized practitioner provides counseling <p>We cover 2 cessation attempts per year (each attempt may include a</p>	<p><u>In-Network:</u> There is no coinsurance, copayment, or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefits.</p>

Covered Service	What you pay
<p>maximum of 4 intermediate or intensive sessions, with the patient getting up to 8 sessions per year.)</p>	
<p>Supervised Exercise Therapy (SET)</p> <p>SET is covered for members who have symptomatic peripheral artery disease (PAD).</p> <p>Up to 36 sessions over a 12-week period are covered if the SET program requirements are met.</p> <p>The SET program must:</p> <ul style="list-style-type: none"> • Consist of sessions lasting 30-60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication • Be conducted in a hospital outpatient setting or a physician's office • Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms, and who are trained in exercise therapy for PAD • Be under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques <p>SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time if deemed medically necessary by a health care provider.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p><u>In-Network:</u> \$20 copayment</p> <ul style="list-style-type: none"> - Specialist's Office - Outpatient Hospital
<p>Urgently needed services</p> <p>A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or, even if you're inside our plan's service area, it's unreasonable given your time, place, and circumstances to get this service from network providers. Our plan must cover urgently needed services and only charge you in-network cost sharing. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.</p> <p>You are covered for urgently needed services world-wide. If you have an urgent need for care while outside of the U.S. and its territories, you will be responsible to pay for the services rendered upfront. You must submit proof of payment to Customer Care for reimbursement. For more information please see Chapter 7. We may not reimburse you for all out of pocket expenses. This is because our contracted rates may be lower than provider rates outside of the U.S. and its territories. You are responsible for any costs</p>	<p><u>In-Network:</u> <u>Urgently Needed Services</u> \$25 copayment</p> <ul style="list-style-type: none"> - Urgent Care Center

Covered Service	What you pay
<p>exceeding our contracted rates as well as any applicable member cost-share.</p> <p>See Physician/Practitioner services, including doctor's office visits for additional information about urgently needed services provided in the office setting.</p>	
<p> Vision care</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts • For people who are at high risk for glaucoma, we cover one glaucoma screening each year. People at high risk of glaucoma include people with a family history of glaucoma, people with diabetes, African-Americans who are age 50 and older, and Hispanic Americans who are 65 or older • For people with diabetes, screening for diabetic retinopathy is covered once per year • One pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. If you have 2 separate cataract operations, you can't reserve the benefit after the first surgery and purchase 2 eyeglasses after the second surgery. <p>Covered eyeglasses after cataract surgery includes standard frames and lenses as defined by Medicare; any upgrades are not covered (including, but not limited to, deluxe frames, tinting, progressive lenses, or anti-reflective coating).</p> <p>In addition, we cover Mandatory Supplemental Vision Benefits which include a routine vision exam and an allowance for eyewear.</p> <p>The  (preventive service) only applies to Glaucoma Screening.</p> <p>Our plan requires prior authorization for certain items and services. The following link will take you to a list of items and services that may be subject to prior authorization: Humana.com/PAL.</p>	<p><u>In-Network:</u> <u>Medicare Covered Vision Services</u> \$20 copayment – Specialist's Office</p> <p><u>Glaucoma Screening</u> \$0 copayment – Specialist's Office</p> <p><u>Diabetic Eye Exam</u> \$0 copayment – All Places of Treatment</p> <p><u>Eyewear (Post Cataract Surgery)</u> \$0 copayment – All Places of Treatment</p> <p><u>Mandatory Supplemental Vision Benefits</u> *You are covered for Mandatory Supplemental Vision Benefit. See the Mandatory Supplemental Vision Benefit description at the end of this chart for details.</p> <p>Please note: the network of providers for your supplemental vision benefits may be different than the network of providers for the Original Medicare vision benefits listed above.</p>
<p> Welcome to Medicare preventive visit</p> <p>Our plan covers the one-time <i>Welcome to Medicare</i> preventive visit. The visit includes a review of your health, as well as education and counseling about preventive services you need (including certain screenings and shots), and referrals for other care if needed.</p> <p>Important: We cover the <i>Welcome to Medicare</i> preventive visit only within the first 12 months you have Medicare Part B. Covered Service	What you pay
appointment, let your doctor's office know you want to schedule your <i>Welcome to Medicare</i> preventive visit.	

Mandatory Supplemental Dental Benefit DENF38

Coverage Description

You may receive the following non-Medicare covered routine dental-related services:

Services that are covered for you
<p>Dental Services</p> <p>Most dental services are covered in-network only at a \$0 copayment until the maximum allowable benefit of \$4,000 is reached annually.</p> <ul style="list-style-type: none">Your benefit can be used for most dental treatments such as:<ul style="list-style-type: none">Preventive dental services, such as exams, routine cleanings, etc.Basic dental services, such as fillings, extractions, etc.Major dental services, such as periodontal scaling, crowns, dentures, root canals, bridges, etc.30% coinsurance applies to dentures and bridges up to the allowance amount.Frequency limits may apply.Note: The allowance cannot be used on fluoride, implants, or cosmetic services.You are responsible for any amount above the dental coverage limit.Any amount unused at the end of the year will expire.

Limitations and exclusions may apply. Submitted claims are subject to a review process which may include a clinical review and dental history to approve coverage. Dental benefits under this plan may not cover all ADA procedure codes. Any services received that are not listed will not be covered by the plan and will be the member's responsibility. The member is responsible for any amount above the annual maximum benefit coverage amount. Benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire. Information regarding each plan is available at **Humana.com/sb**.

*In-network dentists have agreed to provide covered services at contracted rates (per the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member cannot be billed for charges that exceed the negotiated fee schedule (but any applicable coinsurance payment still applies).

The Mandatory Supplemental Dental benefits are provided through the Florida GoldPlus Medicare Network. The provider locator for our nationwide network can be found at **Humana.com/FindCare**.

How Payments to You or Your Dentist Are Calculated

For covered dental services, we will pay as follows:

- We will determine the total covered expense.
- We will review the covered expense against the maximum benefits allowed.

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

- We will pay the remaining expense to you or your dentist, minus any coinsurance you owe (the procedure you received may require you to pay a percentage of the cost).

For dental claim billing purposes, the "Date of Service" (DOS) is defined as follows:

- The date teeth are prepared for fixed bridges, crowns, inlays or onlays
- The date the impression or digital scan is made for dentures or partials
- The date the impression or digital scan of the abutment/implant is taken for implant crowns
- The date the pulp chamber of a tooth is opened for root canal therapy
- The date periodontal surgery is performed
- The date the service is performed for services not listed above

For dental conditions that have two or more possible treatments, Humana will cover the lowest cost treatment, as long as it is proven to provide satisfactory results. If you choose to receive a higher cost treatment, you will be responsible to pay for the difference.

Submitting Pretreatment Plans

If the dental care you need is expected to exceed **\$300**, we suggest you or your dentist send a dental treatment plan for us to review ahead of time so that we can provide you with an estimate for services. The pretreatment plan should include:

- A list of services you will receive, using American Dental Association terminology and codes.
- Your dentist's written description of the proposed treatment.
- X-rays that show your dental needs.
- Itemized cost of the proposed treatment.
- Any other diagnostic materials we request.

Mandatory Supplemental Hearing Benefit HER709

Coverage Description

You may receive the following non-Medicare covered services from any network hearing or hearing aid provider:

Description of Benefit	You Pay
Routine hearing exam (1 per calendar year)	\$0
Hearing aid fitting/evaluation (1 per calendar year)	\$0
Prescription hearing aid(s) (1 per ear per calendar year) • Note: Includes 1 month battery supply and 1 year warranty.	Any amount over \$1,500 per ear per calendar year

The provider locator for routine hearing can be found at [Humana.com/FindCare](https://www.humana.com/FindCare).

Copayments, coinsurances, and deductibles paid for supplemental benefits do not count toward your maximum out-of-pocket amount.

These benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire.

Mandatory Supplemental Vision Benefit VIS027

Coverage Description

You may receive the following non-Medicare covered routine vision-related services:

Description of Benefit	In-Network You Pay
<ul style="list-style-type: none"> Routine Eye Exam including refraction (1 per calendar year) 	\$0
<ul style="list-style-type: none"> Frames and Lens Package You have a choice of: <ul style="list-style-type: none"> \$400 Benefit toward the purchase and fitting of eyeglasses and pair of lenses or purchase of contact lenses (1 per calendar year) Contact lenses will include conventional or disposable. Ultraviolet protection and scratch-resistant coating are included in the eyeglass allowance benefit. 	Any amount over \$400

The provider locator for routine or Medicare-covered vision can be found at [Humana.com/FindCare](https://www.humana.com/FindCare) > Enter Zip Code > Select Medical > Choose Your Medical Network (Your Plan's Name) > Select > Select Specialty > Type "Optometrist" > Search.

Copayments, coinsurances, and deductibles paid for supplemental benefits do not count toward your maximum out-of-pocket amount.

These benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire.

SECTION 3 Services that aren't covered by our plan (exclusions)

This section tells you what services are excluded from Medicare coverage and therefore, aren't covered by this plan.

The chart below lists services and items that either aren't covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you get the excluded services at an emergency facility, the excluded services are still not covered, and our plan won't pay for them. The only exception is if the service is appealed and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we made to not cover a medical service, go to Chapter 9, Section 5.3.)

Services not covered by Medicare	Covered only under specific conditions
Charges for equipment which is primarily and customarily used for a nonmedical purpose, even though the item has some remote medically related use	Not covered under any condition
Cosmetic surgery or procedures	Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance
Experimental medical and surgical procedures, equipment, and medications Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community	May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan (Go to Chapter 3, Section 5 for more information on clinical research studies).
Fees charged for care by your immediate relatives or members of your household.	Not covered under any condition
Full-time nursing care in your home.	Not covered under any condition
Naturopath services (uses natural or alternative treatments)	Not covered under any condition
Nonconventional interocular lenses (IOLs) following cataract surgery, including: <ul style="list-style-type: none"> • an astigmatism correcting function of an intraocular lens • a presbyopia correcting function of an intraocular lens 	Not covered under any condition
Non-routine dental care	Dental care required to treat illness or injury may be covered as inpatient or outpatient care

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

Services not covered by Medicare	Covered only under specific conditions
Orthopedic shoes or supportive devices for the feet	Shoes that are part of a leg brace and are included in the cost of the brace. Orthopedic or therapeutic shoes for people with diabetic foot disease
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television	Not covered under any condition
Private room in a hospital	Covered only when medically necessary.
Reversal of sterilization procedures and/or non-prescription contraceptive supplies	Not covered under any condition
Routine chiropractic care	Manual manipulation of the spine to correct a subluxation is covered
Services considered not reasonable and necessary, according to Original Medicare standards	Not covered under any condition
Purchase, instead of rental, of durable medical equipment that Original Medicare does not allow to be purchased outright	Not covered under any condition

In addition to any exclusions or limitations described in the Medical Benefits Chart, or anywhere else in this *Evidence of Coverage*, **the following items and services aren't covered under Original Medicare or by our plan:**

- Radial keratotomy, LASIK surgery, and other low vision aids and services.
- Services provided to veterans in Veterans Affairs (VA) facilities. However, when emergency services are received at VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we will reimburse veterans for the difference. Members are still responsible for our cost-sharing amounts.

Dental Mandatory Supplemental Benefit Exclusions include, but not limited to, the following:

- Network dentists have agreed to provide services at contracted fees (the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member will not receive a bill for charges more than the negotiated fee schedule on covered services (coinsurance payment still applies).
- Services received from an out-of-network dentist are not covered benefits.
- Initial placement or replacement of a prior denture that is unserviceable and cannot be made serviceable. Spare dentures are not covered.
- Dental relines may not be covered within six months of initial denture placement or on spare dentures.
- Dental adjustments may not be covered within six months of initial denture placement or on spare dentures.
- Expenses incurred while you qualify for any workers' compensation or occupational disease act or law, whether or not you applied for coverage.
- Services that are:
 - Free or that you would not be required to pay for if you did not have this insurance, unless charges are received from and reimbursable to the U.S. government or any of its agencies as required by law.
 - Furnished by, or payable under, any plan or law through any government or any political subdivision – this does not include Medicare or Medicaid.
 - Furnished by any U.S. government-owned or operated hospital/institution/agency for any service connected with sickness or bodily injury.

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

- Any loss caused or contributed by war or any act of war, whether declared or not; any act of international armed conflict; or any conflict involving armed forces of any international authority.
- Any expense arising from the completion of forms.
- Your failure to keep an appointment with the dentist.
- Any service we consider cosmetic dentistry unless it is necessary as a result of an accidental injury sustained while you are covered under this policy. We consider the following cosmetic dentistry procedures to include, but are not limited to:
 - Facings on crowns or pontics – the portion of a fixed bridge between the abutments – posterior to the second bicuspid;
 - Any service to correct congenital malformation;
 - Any service performed primarily to improve appearance;
 - Characterizations and personalization of prosthetic devices; or
 - Any procedure to change the spacing and/or shape of the teeth;
- Charges for:
 - Any type of implant and all related services, including crowns or the prosthetic device attached to it;
 - Precision or semi-precision attachments;
 - Other customized attachments;
 - Temporary or interim dental services;
 - Additional charges related to material or equipment used in the delivery of dental care;
 - The removal of any implants unless a covered service.
- Any service related to:
 - Altering vertical dimension of teeth.
 - Restoration or maintenance of occlusion.
 - Splinting teeth, including multiple abutments, or any service to stabilize periodontally weakened teeth.
 - Replacing tooth structures lost as a result of abrasion, attrition, erosion or abfraction.
 - Bite registration or bite analysis.
- Infection control, including but not limited to sterilization techniques.
- Fees for treatment performed by someone other than a dentist, except for scaling, teeth cleaning and the topical application of fluoride, which can be performed by a licensed dental hygienist. The treatment must be rendered under the supervision of the dentist in accordance with generally accepted dental standards.
- Any hospital, surgical or treatment facility, or for services of an anesthesiologist or anesthetist.
- Prescription drugs or pre-medications, whether dispensed or prescribed.
- Any service not specifically listed in the Coverage Information.
- Any service that is not eligible for benefits based upon clinical review; does not offer a favorable prognosis; does not have uniform professional endorsement; or is deemed to be experimental or investigational in nature.
- Orthodontic services.
- Retainer Crown services when bridge coverage is not included in the benefit.
- Any expense incurred before your effective date or after the date this supplemental benefit terminates.
- Services provided by someone who ordinarily lives in your home or who is a family member.
- Charges exceeding the reimbursement limit for the service.
- Treatment resulting from any intentionally self-inflicted injury or bodily illness.
- Local anesthetics, irrigation, bases, pulp caps, temporary dental services, study models/diagnostic casts, treatment plans, occlusal (biting or grinding surfaces of molar and bicuspid teeth) adjustments, or tissue preparation associated with the impression or placement of a restoration when charged as a separate service. These services are considered an integral part of the entire dental service.
- Any test, intraoperative, x-rays, laboratory, removal of existing posts, filling material, Thermafill carriers, and any other follow-up care is considered integral to root canal therapy. A separate fee for these services is not considered a covered expense.
- Repair and replacement of orthodontic appliances.

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

- Any surgical or nonsurgical treatment for any jaw joint problems, including any temporomandibular joint disorder, craniomaxillary, craniomandibular disorder, or other conditions of the joint linking the jaw bone and skull; or treatment of the facial muscles used in expression and chewing functions, for symptoms including, but not limited to, headaches.
- The oral surgery benefits under this plan do not include:
 - Any services for orthognathic surgery;
 - Any services for destruction of lesions by any method;
 - Any services for tooth transplantation;
 - Any services for removal of a foreign body from the oral tissue or bone;
 - Any services for reconstruction of surgical, traumatic, or congenital defects of the facial bones;
 - Any separate fees for pre and post-operative care.
- General anesthesia or conscious sedation is not a covered service unless it is based on clinical review of documentation provided and administered by a dentist or health care practitioner in conjunction with covered oral surgical procedures, periodontal and osseous surgical procedures, or periradicular surgical procedures for covered services.
- General anesthesia or conscious sedation administered due, but not limited to, the following reasons are not covered:
 - Pain control unless a documented allergy to local anesthetic is provided;
 - Anxiety;
 - Fear of pain;
 - Pain management;
 - Emotional inability to undergo surgery.
- Preventive control programs including, but not limited to, oral hygiene instructions, plaque control, take-home items, prescriptions and dietary planning.
- Replacement of any lost, stolen, damaged, misplaced or duplicate major restoration, prosthesis or appliance.
- Any caries susceptibility testing, laboratory tests, saliva samples, anaerobic cultures, sensitivity testing or charges for oral pathology procedures.
- Separate fees for pre and post-operative care and re-evaluation within 12 months are not considered covered services under the surgical periodontic services in this plan.
- We do not cover services that generally are considered to be medical services except those specifically noted as covered in the Coverage Information.
- Copayments, coinsurances, and deductibles paid for supplemental benefits do not count toward your maximum out-of-pocket amount.

Hearing Mandatory Supplemental Benefit Exclusions include, but not limited to, the following:

- Any fees for exams, tests, evaluations or any services in excess of the stated maximums.
- Any expenses which are covered by Medicare or any other government program or insurance plan, or for which you are not legally required to pay.
- Services provided for clearance/consultation by a provider.
- Any refitting fees for lost or damaged hearing aids.
- Any fees for any services rendered by a non-network hearing aid provider. In-network hearing aid providers reserve the right to only service devices purchased from in-network providers.
- Hearing aids and provider visits to service hearing aids (except as specifically described in the Covered Benefits), ear molds, hearing aid accessories, return fees, warranty claim fees, and hearing aid batteries (beyond the covered limit).

Vision Mandatory Supplemental Benefit Exclusions include, but not limited to, the following:

- Any benefits received at a non-network optical provider.
- Refitting or change in lens design after initial fitting.

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

- Any expense arising from the completion of forms.
- Any service not specifically listed in your supplemental benefit.
- Orthoptic or vision training.
- Subnormal vision aids and associated testing.
- Aniseikonic lenses.
- Athletic or industrial lenses.
- Prisms (not covered with allowance, but may be available at a discounted rate off retail price; check with provider for details)
- Any service we consider cosmetic.
- Any expense incurred before your effective date or after the date this supplemental benefit terminates.
- Services provided by someone who ordinarily lives in your home or who is a family member.
- Charges exceeding the allowance for the service.
- Treatment resulting from any intentionally self-inflicted injury or bodily illness.
- Plano lenses.
- Medical or surgical treatment of eye, eyes or supporting structures.
- Non-prescription sunglasses.
- Two pair of glasses in lieu of bifocals.
- Services or materials provided by any other group benefit plans providing vision care.
- Corrective vision treatment of an experimental nature.
- Solutions and/or cleaning products for glasses or contact lenses.
- Non-prescription items.
- Costs associated with securing materials.
- Pre and post-operative services.
- Orthokeratology.
- Routine maintenance of materials.
- Artistically painted lenses.
- Any expenses incurred while you qualify for any workers' compensation or occupational disease act or law, whether or not you applied for coverage.
- Services that are:
 - Free or that you would not be required to pay for if you did not have this insurance, unless charges are received from and reimbursable to the U.S. government or any of its agencies as required by law.
 - Furnished by, or payable under, any plan or law through any government or any political subdivision (this does not include Medicare or Medicaid).
 - Furnished by any U.S. government-owned or operated hospital/institution/agency for any service connected with sickness or bodily injury.
- Any loss caused or contributed by war or any act of war, whether declared or not; any act of international armed conflict; or any conflict involving armed forces of any international authority.
- Your failure to keep an appointment.
- Any hospital, surgical or treatment facility, or for services of an anesthesiologist or anesthesiologist.
- Prescription drugs or pre-medications, whether dispensed or prescribed.
- Any service that we determine is not a visual necessity; does not offer a favorable prognosis; does not have uniform professional endorsement; or is deemed to be experimental or investigational in nature.
- Replacement of lenses or eyeglass frames furnished under this supplemental benefit that are lost or broken, unless otherwise available under the supplemental benefit.
- Any examination or material required by an employer as a condition of employment or safety eyewear.
- Pathological treatment.
- Copayments, coinsurances, and deductibles paid for supplemental benefits do not count toward your maximum out-of-pocket amount.
- These benefits are offered on a calendar year basis. Any amount unused at the end of the year will expire.

Chapter 4 Medical Benefits Chart (what's covered and what you pay)

The plan will not cover the excluded services listed above. Even if you receive the services at an emergency facility, the excluded services are still not covered.

CHAPTER 5: Using plan coverage for Part D drugs

SECTION 1 Basic rules for our plan's Part D drug coverage

Go to the Medical Benefits Chart in Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

Our plan will generally cover your drugs as long as you follow these basic rules:

- You must have a provider (a doctor, dentist, or other prescriber) write you a prescription, that's valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription (Go to Section 2) or you can fill your prescription through our plan's mail-order service.
- Your drug must be in our plan's Drug Guide (go to Section 3 in this chapter).
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that is either approved by the FDA or supported by certain references. (Go to Section 3 for more information about a medically accepted indication.)
- Your drug may require approval from our plan based on certain criteria before we agree to cover it. (Go to Section 4 in this chapter for more information.)

SECTION 2 Fill your prescription at a network pharmacy or through our plan's mail-order service

In most cases, your prescriptions are covered *only* if they're filled at our plan's network pharmacies. (Go to Section 2.5 for information about when we cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with our plan to provide your covered drugs. The term "covered drugs" means all the Part D drugs that are in our plan's Drug Guide.

Section 2.1 Network pharmacies

Find a network pharmacy in your area

To find a network pharmacy, go to your *Provider Directory*, visit our website ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)), and/or call Customer Care at 800-457-4708 (TTY users call 711).

You may go to any of our network pharmacies. Some network pharmacies provide preferred cost sharing, which may be lower than the cost sharing at a pharmacy that offers standard cost sharing. The *Provider Directory* will tell

Chapter 5 Using plan coverage for Part D drugs

you which network pharmacies offer preferred cost sharing. Contact us to find out more about how your out-of-pocket costs could vary for different drugs.

If your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you'll have to find a new pharmacy that's in the network. If the pharmacy you use stays within our network but no longer offers preferred cost sharing, you may want to switch to a different network or preferred pharmacy, if available. To find another pharmacy in your area, get help from Customer Care at 800-457-4708 (TTY users call 711) or use the *Provider Directory*. You can also find information on our website at [Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments).

Specialized pharmacies

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, an LTC facility (such as a nursing home) has its own pharmacy. If you have difficulty getting Part D drugs in an LTC facility, call Customer Care at 800-457-4708 (TTY users call 711).
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. To locate a specialized pharmacy, go to your *Provider Directory* ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)) or call Customer Care at 800-457-4708 (TTY users call 711).

Section 2.2	Our plan's mail-order service
--------------------	--------------------------------------

For certain kinds of drugs, you can use our plan's network mail-order service. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for a chronic or long-term medical condition. These drugs are marked as **mail-order drugs** in our Drug Guide.

Our plan's mail-order service allows you to order **up to a 100-day supply**.

Within the pharmacy network, there are mail-order pharmacies which provide preferred cost sharing. You may pay more at other mail-order pharmacies.

To get order forms and information about filling your prescriptions by mail, please contact Customer Care.

Usually, a mail-order pharmacy order will be delivered to you in no more than 10 business days from when your prescriptions are received. When you plan to use a mail-order pharmacy, it's a good precaution to ask your doctor to write two prescriptions for your drugs: one you'll send for ordering by mail, and one you can fill in person at an in-network pharmacy if your mail order doesn't arrive on time. That way, you won't have a gap in your medication if your mail order is delayed. If you have trouble filling your prescription at an in-network pharmacy while waiting for mail order, please contact your prescriber's office.

Chapter 5 Using plan coverage for Part D drugs

New prescriptions the pharmacy gets directly from your doctor's office.

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or
- You sign up for automatic delivery of all new prescriptions received directly from health care providers. You can ask for automatic delivery of all new prescriptions at any time by calling Customer Care.

If you get a prescription automatically by mail that you don't want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you used mail order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by calling Customer Care.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. It's important to respond each time you're contacted by the pharmacy, to let them know whether to ship, delay, or cancel the new prescription.

To opt out of automatic deliveries of new prescriptions received directly from your health care provider's office, contact us by calling Customer Care.

Refills on mail-order prescriptions. For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.

If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, contact your pharmacy 14 business days before your current prescription will run out. This will ensure your order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling Customer Care at 800-457-4708 (TTY users call 711).

If you get a refill automatically by mail that you don't want, you may be eligible for a refund.

Section 2.3 How to get a long-term supply of drugs

When you get a long-term supply of drugs, your cost sharing may be lower. Our plan offers 2 ways to get a long-term supply (also called an extended supply) of maintenance drugs in our plan's Drug Guide. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Your *Provider Directory* ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)) tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Customer Care at 800-457-4708 (TTY users call 711) for more information.
2. You can also get maintenance drugs through our mail-order program. Go to Section 2.2 for more information.

Section 2.4 Using a pharmacy that's not in our plan's network

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you aren't able to use a network pharmacy. We also have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. **Please check first with Customer Care at 800-457-4708 (TTY users call 711)** to see if there's a network pharmacy nearby.

We cover prescriptions filled at an out-of-network pharmacy only in these circumstances:

- **If you need a prescription because of a medical emergency**
 - We'll cover prescriptions that are filled at an out-of-network pharmacy (up to a 30-day supply) if the prescriptions are related to care for a medical emergency. In this situation, you'll have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a prescription drug claim form, located at <https://www.humana.com/pharmacy/prescription-coverages/medicare-claim-forms/>. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. (Chapter 7, Section 2 explains how to ask the plan to pay you back.)
- **If you need coverage while you're traveling away from our plan's service area**
 - If you take a prescription drug on a regular basis and you're going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our prescription mail-order service or through a network retail pharmacy that offers an extended supply. If you're traveling outside of our plan's service area but within the United States and territories and become ill, or run out of your prescription drugs, call Customer Care to find a network pharmacy in your area where you can fill your prescription. If a network pharmacy is not available, we'll cover prescriptions that are filled at an out-of-network pharmacy (up to a 30-day supply) if you follow all other coverage rules identified within this document. In this situation, you'll have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription.
 - **If the prescription is covered, it will be covered at an out-of-network rate.** You may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. (Chapter 7, Section 2 explains how to ask the plan to pay you back.)
 - **Please recognize, however, that multiple non-emergency occurrences of out-of-network pharmacy claims will result in claim denials. In addition, we can't pay for any stolen medications or prescriptions that are filled by pharmacies outside the United States and territories, even for a medical emergency, for example on a cruise ship when outside of the United States.**

There are other times you can get your prescription covered if you go to an out-of-network pharmacy.

These situations will be covered at an out-of-network rate. In these situations, you'll have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy or provider, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. (Chapter 7,

Chapter 5 Using plan coverage for Part D drugs

Section 2 explains how to ask the plan to pay you back.) We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- You can't get a covered drug that you need immediately because there are no open in-network pharmacies within a reasonable driving distance.
- Your prescription is for a specialty drug in-network pharmacies don't usually keep in stock.
- You were eligible for Medicaid at the time you got the prescription, even if you weren't enrolled yet. This is called retroactive enrollment.
- You're evacuated from your home because of a state, federal, or public health emergency and don't have access to an in-network pharmacy.
- If you get a covered prescription drug from an institutional based pharmacy while a patient in an emergency room, provider based clinic, outpatient surgery clinic, or other outpatient setting.

If you must use an out-of-network pharmacy, you'll generally have to pay the full cost (rather than your normal cost share) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Go to Chapter 7, Section 2 for information on how to ask our plan to pay you back.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

SECTION 3 Your drugs need to be in our plan's Drug Guide

Section 3.1 The Drug Guide tells which Part D drugs are covered

Our plan has a *Prescription Drug Guide* (formulary). In this *Evidence of Coverage*, **we call it the Drug Guide**.

The drugs on this list are selected by the plan with the help of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare. The Drug Guide only shows drugs covered under Medicare Part D.

We generally cover a drug in our plan's Drug Guide as long as you follow the other coverage rules explained in this chapter and use of the drug for a medically accepted indication. A medically accepted indication is a use of the drug that is *either*:

- Approved by the FDA for the diagnosis or condition for which it's being prescribed, or
- Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System.

The Drug Guide includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. In the Drug Guide, when we refer to drugs, this could mean a drug or biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Biological products have alternatives called biosimilars. Generally, generics and biosimilars work just as well as the brand

Chapter 5 Using plan coverage for Part D drugs

name drug or original biological product and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Go to Chapter 12 for definitions of types of drugs that may be in the Drug Guide.

Over-the-counter drugs

Our plan also covers certain over-the-counter drugs. Some over-the-counter drugs are less expensive than prescription drugs and work just as well. For more information, call Customer Care at 800-457-4708 (TTY users call 711).

Drugs that aren't in the Drug Guide?

Our plan doesn't cover all prescription drugs.

- In some cases, the law doesn't allow any Medicare plan to cover certain types of drugs. (For more information, go to Section 7.)
- In other cases, we decided not to include a particular drug in the Drug Guide.
- In some cases, you may be able to get a drug that's not in the Drug Guide. (For more information, go to Chapter 9.)

Section 3.2 Five (5) cost-sharing tiers for drugs in the Drug Guide

Every drug in our plan's Drug Guide is in one of Five (5) cost-sharing tiers. In general, the higher the tier, the higher your cost for the drug:

- **Cost-Sharing Tier 1 – Preferred Generic:** Generic or brand drugs that are available at the lowest cost share for this plan
- **Cost-Sharing Tier 2 – Generic:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 1 Preferred Generic drugs
- **Cost-Sharing Tier 3 – Preferred Brand:** Generic or brand drugs that the plan offers at a lower cost to you than Tier 4 Non-Preferred Drug drugs
- **Cost-Sharing Tier 4 – Non-Preferred Drug:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 3 Preferred Brand drugs
- **Cost-Sharing Tier 5 – Specialty Tier:** Some injectables and other high-cost drugs

To find out which cost-sharing tier your drug is in, look it up in our plan's Drug Guide. The amount you pay for drugs in each cost-sharing tier is shown in Chapter 6.

Section 3.3 How to find out if a specific drug is in the Drug Guide

To find out if a drug is in our Drug Guide, you have these options:

Chapter 5 Using plan coverage for Part D drugs

- Check the most recent Drug Guide we provided electronically. (The Drug Guide includes information for the covered drugs most commonly used by our members. We cover additional drugs that aren't included in the Drug Guide. If one of your drugs isn't listed, visit our website or contact Customer Care at 800-457-4708 (TTY users call 711) to find out if we cover it.)
- Visit our plan's website ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)). The Drug Guide on the website is always the most current.
- Call Customer Care at 800-457-4708 (TTY users call 711) to find out if a particular drug is on our plan's Drug Guide or ask for a copy of the list.
- Use our plan's "Real-Time Benefit Tool" (by visiting [Humana.com](https://www.humana.com) and logging into MyHumana) to search for drugs on the Drug Guide to get an estimate of what you'll pay and see if there are alternative drugs on the Drug Guide that could treat the same condition.

SECTION 4 Drugs with restrictions on coverage

Section 4.1 Why some drugs have restrictions

For certain prescription drugs, special rules restrict how and when our plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the most effective way. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug Guide.

If a safe, lower-cost drug will work just as well medically as a higher-cost drug, our plan's rules are designed to encourage you and your provider to use that lower-cost option.

Note that sometimes a drug may appear more than once in our Drug Guide. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for example, 10 mg versus 100 mg; one per day versus 2 per day; tablet versus liquid).

Section 4.2 Types of restrictions

If there's a restriction for your drug, it usually means that you or your provider have to take extra steps for us to cover the drug. Call Customer Care at 800-457-4708 (TTY users call 711) to learn what you or your provider can do to get coverage for the drug. **If you want us to waive the restriction for you, you need to use the coverage decision process and ask us to make an exception.** We may or may not agree to waive the restriction for you. (Go to Chapter 9.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from our plan based on specific criteria before we agree to cover the drug for you. This is called **prior authorization**. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get this approval, your drug might not be covered by our plan. Our plan's prior authorization criteria can be obtained by calling Customer Care at 800-457-4708 (TTY users call 711) or on our website at

<https://assets.humana.com/is/content/humana/2026%20Plus-5%201-Prior%20Authorizationpdf?>

Chapter 5 Using plan coverage for Part D drugs

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before our plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, our plan may require you to try Drug A first. If Drug A doesn't work for you, our plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**. Our plan's step therapy criteria can be obtained by calling Customer Care at 800-457-4708 (TTY users call 711) or on our website at

<https://assets.humana.com/is/content/humana/2026%20Plus-5%201-Step%20Therapypdf>.

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it's normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What you can do if one of your drugs isn't covered the way you'd like

There are situations where a prescription drug you take, or that you and your provider think you should take, isn't on our drug Guide or has restrictions. For example:

- The drug might not be covered at all. Or a generic version of the drug may be covered but the brand name version you want to take isn't covered.
- The drug is covered, but there are extra rules or restrictions on coverage.
- The drug is covered, but in a cost-sharing tier that makes your cost sharing more expensive than you think it should be
- **If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.1 to learn what you can do.**

If your drug isn't in the Drug Guide or is restricted, here are options for what you can do:

- You may be able to get a temporary supply of the drug.
- You can change to another drug.
- You can ask for an **exception** and ask our plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, our plan must provide a temporary supply of a drug you're already taking. This temporary supply gives you time to talk with your provider about the change.

To be eligible for a temporary supply, the drug you take **must no longer be in our plan's Drug Guide OR is now restricted in some way.**

- **If you're a new member**, we'll cover a temporary supply of your drug during the first **90 days** of your membership in our plan.

Chapter 5 Using plan coverage for Part D drugs

- **If you were in our plan last year**, we'll cover a temporary supply of your drug during the first **90 days** of the calendar year.
- This temporary supply will be for a maximum of 30 days. If your prescription is written for fewer days, we'll allow multiple fills to provide up to a maximum of a 30-day supply of medication. The prescription must be filled at a network pharmacy. (Note that a long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For members who've been in our plan for more than 90 days and live in a long-term care facility and need a supply right away:**

We'll cover one 31-day emergency supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

- **Transition Supply for Current Members with changes in treatment setting:**

If the setting where you receive treatment changes during the plan year, you may need a short-term supply of your drugs during the transition. For example:

- You're discharged from a hospital or skilled nursing facility (where your Medicare Part A payments include drug costs) and need a prescription from a pharmacy to continue taking a drug at home (using your Part D plan benefit); or
- You transfer from one skilled nursing facility to another

If you do change treatment settings and need to fill a prescription at a pharmacy, we'll cover up to a 31-day supply of a drug covered by Medicare Part D, so your drug treatment won't be interrupted.

If you change treatment settings multiple times within the same month, you may have to request an exception or prior authorization for continued coverage of your drug.

Policies for Temporary Drug Supplies During the Transition Period

We consider the first 90 days of the 2026 plan year a transition period if you're a new member, you changed plans, or there were changes in your drug coverage. As described above, there are several ways we make sure you can get a temporary supply of your drugs, if needed, during the transition period.

During the first 90 days, you can get a temporary supply if you have a current prescription for a drug that's not in our Drug Guide or requires prior authorization because of restrictions. The conditions for getting a temporary supply are described below.

One-Time Transition Supply at a Retail or Mail-Order Pharmacy

We'll cover up to a 30-day supply of a drug covered by Medicare Part D. While you have your temporary supply, talk to your doctor about what to do after you use the temporary supply. You may be able to switch to a covered drug that would work just as well for you. You and your doctor can request an exception if you believe it's medically necessary to continue the same drug.

Transition Supply if you're in a Long-Term Care Facility

We'll cover up to a 31-day supply of a drug covered by Medicare Part D. This coverage is available anytime during the 90 day transition period, as long as your current prescription is filled at a pharmacy in a long-term care facility.

Chapter 5 Using plan coverage for Part D drugs

If you have a problem getting a prescribed drug later in the plan year (after the 90 day transition period), we'll cover up to a 31-day emergency supply of a drug covered by Medicare Part D. The emergency supply will let you continue your drug treatment while you and your doctor request an exception or prior authorization to continue.

Transition Period Extension

If you have requested an exception or made an appeal for drug coverage, it may be possible to extend the temporary transition period while we're processing your request. Call Customer Care (phone numbers are printed on the back cover of this document) if you believe we need to extend the transition period to make sure you continue to receive your drugs as needed.

Costs for Temporary Supplies

Your copayment or coinsurance for a temporary drug supply will be based on our plan's approved drug cost-sharing tiers. If you receive "Extra Help" in 2026, your copayment or coinsurance won't exceed your Low Income Subsidy amount.

For questions about a temporary supply, call Customer Care at 800-457-4708 (TTY users call 711).

During the time when you're using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have 2 options:

Option 1. You can change to another drug

Talk with your provider about whether a different drug covered by our plan may work just as well for you. Call Customer Care at 800-457-4708 (TTY users call 711) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

Option 2. You can ask for an exception

You and your provider can ask our plan to make an exception and cover the drug in the way you'd like it covered. If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception. For example, you can ask our plan to cover a drug even though it is not in our plan's Drug Guide. Or you can ask our plan to make an exception and cover the drug without restrictions.

If you're a current member and a drug you take will be removed from the formulary or restricted in some way for next year, we'll tell you about any change before the new year. You can ask for an exception before next year and we'll give you an answer within 72 hours after we get your request (or your prescriber's supporting statement). If we approve your request, we'll authorize coverage for the drug before the change takes effect.

If you and your provider want to ask for an exception, go to Chapter 9, Section 6.4 to learn what to do. It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly

<h3>Section 5.1 What to do if your drug is in a cost-sharing tier you think is too high</h3>
--

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

You can change to another drug

If your drug is in a cost-sharing tier you think is too high, talk to your provider. There may be a different drug in a lower cost-sharing tier that might work just as well for you. Call Customer Care at 800-457-4708 (TTY users call

711) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

You can ask for an exception

You and your provider can ask our plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception to the rule.

If you and your provider want to ask for an exception, go to Chapter 9, Section 6.4 for what to do. It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our Cost-Sharing Tier 5 – Specialty Tier aren't eligible for this type of exception. We don't lower the cost-sharing amount for drugs in this tier.

SECTION 6 Our Drug Guide can change during the year

Most changes in drug coverage happen at the beginning of each year (January 1). However, during the year, our plan can make some changes to the Drug Guide. For example, our plan might:

- **Add or remove drugs from the Drug Guide**
- **Move a drug to a higher or lower cost-sharing tier**
- **Add or remove a restriction on coverage for a drug**
- **Replace a brand name drug with a generic version of the drug**
- **Replace an original biological product with an interchangeable biosimilar version of the biological product**

We must follow Medicare requirements before we change our plan's Drug Guide.

Information on changes to drug coverage

When changes to the Drug Guide occur, we post information on our website about those changes. We also update our online Drug Guide regularly. Sometimes you'll get direct notice if changes are made to a drug that you take.

Changes to drug coverage that affect you during this plan year

- **Adding new drugs to the Drug Guide and immediately removing or making changes to a like drug in the Drug Guide.**
 - When adding a new version of a drug to the Drug Guide, we may immediately remove a like drug from the Drug Guide, move the like drug to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
 - We'll make these immediate changes only if we add a new generic version of a brand name or add certain new biosimilar versions of an original biological product that was already on the Drug Guide.

Chapter 5 Using plan coverage for Part D drugs

- We may make these changes immediately and tell you later, even if you take the drug that we remove or make changes to. If you take the like drug at the time we make the change, we'll tell you about any specific change we made.
- **Adding drugs to the Drug Guide and removing or making changes to a like drug in the Drug Guide.**
 - When adding another version of a drug to the Drug Guide, we may remove a like drug from the Drug Guide, move it to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
 - We'll make these changes only if we add a new generic version of a brand name drug or add certain new biosimilar versions of an original biological product that was already on the Drug Guide.
 - We'll tell you at least 30 days before we make the change or tell you about the change and cover a 30-day fill of the version of the drug you're taking.
- **Removing unsafe drugs and other drugs in the Drug Guide that are withdrawn from the market.**
 - Sometimes a drug can be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug Guide. If you take that drug, we'll tell you after we make the change.
- **Making other changes to drugs in the Drug Guide.**
 - We may make other changes once the year has started that affect drugs you are taking. For example, we may make changes based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
 - We'll tell you at least 30 days before we make these changes, or tell you about the change and cover an additional 30-day fill of the drug you're taking.

If we make changes to any of the drugs you take, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or asking for a coverage decision to satisfy any new restrictions on the drug you take. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you take. For information on how to ask for a coverage decision, including an exception, go to Chapter 9.

Changes to the Drug Guide that don't affect you during this plan year

We may make certain changes to the Drug Guide that aren't described above. In these cases, the change won't apply to you if you're taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that won't affect you during the current plan year are:

- We move your drug into a higher cost-sharing tier.
- We put a new restriction on the use of your drug.
- We remove your drug from the Drug Guide.

If any of these changes happen for a drug you take (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use or what you pay as your share of the cost until January 1 of the next year.

We won't tell you about these types of changes directly during the current plan year. You'll need to check the Drug Guide for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to drugs you take that will impact you during the next plan year.

SECTION 7 Types of drugs we don't cover

Some kinds of prescription drugs are *excluded*. This means Medicare doesn't pay for these drugs.

If you get drugs that are excluded, you must pay for them yourself (except for certain excluded drugs covered under our enhanced drug coverage). If you appeal and the requested drug is found not to be excluded under Part D, we'll pay for or cover it. (For information about appealing a decision, go to Chapter 9.)

Here are 3 general rules about drugs that Medicare drug plans won't cover under Part D:

- Our plan's Part D drug coverage can't cover a drug that would be covered under Medicare Part A or Part B.
- Our plan can't cover a drug purchased outside the United States or its territories.
- Our plan can't cover *off-label* use of a drug when the use isn't supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. *Off-label* use is any use of the drug other than those indicated on a drug's label as approved by the FDA.

In addition, by law, the following categories of drugs aren't covered by Medicare drug plans: (Our plan covers certain drugs listed below through our enhanced drug coverage, for which you may be charged an additional premium. More information is provided below.)

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer requires associated tests or monitoring services be purchased only from the manufacturer as a condition of sale

We offer additional coverage of some prescription drugs (enhanced drug coverage) not normally covered in a Medicare prescription drug plan.

- Erectile Dysfunction drugs
- Prescription Vitamins

Chapter 5 Using plan coverage for Part D drugs

These drugs and their utilization management edits, if any, are listed in the Drug Guide. The amount you pay for these drugs does not count towards qualifying you for the Catastrophic Coverage Stage. (The Catastrophic Coverage Stage is described in Chapter 6, Section 6.)

If you get **Extra Help from Medicare** to pay for your prescriptions, Extra Help won't pay for drugs that aren't normally covered. (Go to our plan's Drug Guide or call Customer Care at 800-457-4708 (TTY users call 711). for more information. If you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Contact your state Medicaid program to determine what drug coverage may be available to you. (Find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 How to fill a prescription

To fill your prescription, provide our plan membership information (which can be found on your membership card) at the network pharmacy you choose. The network pharmacy will automatically bill our plan for *our* share of your drug cost. You need to pay the pharmacy *your* share of the cost when you pick up your prescription.

If you don't have our plan membership information with you, you or the pharmacy can call our plan to get the information, or you can ask the pharmacy to look up our plan enrollment information.

If the pharmacy can't get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** (You can then **ask us to reimburse you** for our share. Go to Chapter 7, Section 2 for information about how to ask our plan for reimbursement.

SECTION 9 Part D drug coverage in special situations

Section 9.1 In a hospital or a skilled nursing facility for a stay covered by our plan

If you're admitted to a hospital or to a skilled nursing facility for a stay covered by our plan, we'll generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, our plan will cover your prescription drugs as long as the drugs meet all our rules for coverage described in this chapter.

Section 9.2 As resident in a long-term care (LTC) facility

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all of its residents. If you're a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it's part of our network.

Check your *Provider Directory* ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)) to out if your LTC facility's pharmacy or the one it uses is part of our network. If it isn't, or if you need more information or help, call Customer Care at 800-457-4708 (TTY users call 711). If you're in an LTC facility, we must ensure that you're able to routinely get your Part D benefits through our network of LTC pharmacies.

If you're a resident in an LTC facility and need a drug that's not in our Drug Guide or restricted in some way, go to Section 5 for information about getting a temporary or emergency supply.

Chapter 5 Using plan coverage for Part D drugs

Section 9.3 If you also have drug coverage from an employer or retiree group plan

If you have other drug coverage through your (or your spouse or domestic partner's) employer or retiree group, contact **that group's benefits administrator**. They can help you understand how your current drug coverage will work with our plan.

In general, if you have employee or retiree group coverage, the drug coverage you get from us will be *secondary* to your group coverage. That means your group coverage pays first.

Special note about creditable coverage:

Each year your employer or retiree group should send you a notice that tells you if your drug coverage for the next calendar year is creditable.

If the coverage from the group plan is creditable, it means that our plan has drug coverage that is expected to pay, on average, at least as much as Medicare's standard drug coverage.

Keep any notices about creditable coverage because you may need these notices later to show that you maintained creditable coverage. If you didn't get a creditable coverage notice, ask for a copy from your employer or retiree plan's benefits administrator or the employer or union.

Section 9.4 If you're in a Medicare-certified hospice

Hospice and our plan don't cover the same drug at the same time. If you're enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxative, pain medication or anti-anxiety drugs) that aren't covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in getting these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

SECTION 10 Programs on drug safety and managing medications

We conduct drug use reviews to help make sure our members get safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems like:

- Possible medication errors
- Drugs that may not be necessary because you take another similar drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time

Chapter 5 Using plan coverage for Part D drugs

- Prescriptions for drugs that have ingredients you're allergic to
- Possible errors in the amount (dosage) of a drug you take
- Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we'll work with your provider to correct the problem.

Section 10.1 Drug Management Program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioids or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You'll have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your request about the limitations that apply to your access to medications, we'll automatically send your case to an independent reviewer outside of our plan. Go to Chapter 9 for information about how to ask for an appeal.

You won't be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you're getting hospice, palliative, or end-of-life care, or live in a long-term care facility.

Section 10.2 Medication Therapy Management (MTM) and other programs to help members manage medications

We have programs that can help our members with complex health needs. One program is called a Medication Therapy Management (MTM) program. This program is voluntary and free. A team of pharmacists and doctors developed the programs for us to help make sure our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs or are in a DMP to help them use opioids safely may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions

Chapter 5 Using plan coverage for Part D drugs

you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will get information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we'll automatically enroll you in the program and send you information. If you decide not to participate, notify us and we'll withdraw you. For questions about these programs, call Customer Care at 800-457-4708 (TTY users call 711).

CHAPTER 6:

What you pay for Part D drugs

SECTION 1 What you pay for Part D drugs

If you're in a program that helps pay for your drugs, **some information in this Evidence of Coverage about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, call Customer Care at 800-457-4708 (TTY users call 711) and ask for the *LIS Rider*.

We use “drug” in this chapter to mean a Part D prescription drug. Not all drugs are Part D drugs. Some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law. Some excluded drugs may be covered by our plan.

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5 explains these rules. When you use our plan's “Real-Time Benefit Tool” to look up drug coverage (by visiting [Humana.com](https://www.humana.com) and logging into MyHumana), the cost you see shows an estimate of the out-of-pocket costs you're expected to pay. You can also get information provided by the “Real-Time Benefit Tool” by calling Customer Care at 800-457-4708 (TTY users call 711).

Section 1.1 Types of out-of-pocket costs you may pay for covered drugs

There are different types of out-of-pocket costs for covered Part D drugs you may be asked to pay:

- **Deductible** is the amount you pay for drugs before our plan starts to pay our share.
- **Copayment** is a fixed amount you pay each time you fill a prescription.
- **Coinsurance** is a percentage of the total cost you pay each time you fill a prescription.

Section 1.2 How Medicare calculates your out-of-pocket costs

Medicare has rules about what counts and what doesn't count toward your out-of-pocket costs. Here are the rules we must follow to keep track of your out-of-pocket costs.

These payments are included in your out-of-pocket costs

Your out-of-pocket costs include the payments listed below (as long as they are for covered Part D drugs, and you followed the rules for drug coverage explained in Chapter 5):

- The amount you pay for drugs when you're in the following drug payment stages:

Chapter 6 What you pay for Part D drugs

- The Deductible Stage
- The Initial Coverage Stage
- Any payments you made during this calendar year as a member of a different Medicare drug plan before you joined our plan.
- Any payments for your drugs made by family or friends
- Any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, and most charities

Moving to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of **\$2,100** in out-of-pocket costs within the calendar year, you will move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

These payments aren't included in your out-of-pocket costs

Your out-of-pocket costs **don't include** any of these types of payments:

- Drugs you buy outside the United States and its territories
- Drugs that aren't covered by our plan
- Drugs you get at an out-of-network pharmacy that do not meet the plan's requirements for out-of-network coverage
- Prescription drugs and vaccines covered by Part A or Part B
- Payments you make toward drugs covered under our additional coverage but not normally covered in a Medicare Drug Plan
- Payments you make toward drugs not normally covered in a Medicare Drug Plan
- Payments for your drugs that are made by certain insurance plans and government-funded health programs such as TRICARE and the Veterans Health Administration (VA)
- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Workers' Compensation)
- Payments made by drug manufacturers under the Manufacturer Discount Program

Reminder: If any other organization like the ones listed above pays part or all your out-of-pocket costs for drugs, you're required to tell our plan by calling Customer Care at 800-457-4708 (TTY users call 711).

Tracking your out-of-pocket total

- The *SmartSummary*® you get includes the current total of your out-of-pocket costs. When this amount reaches **\$2,100**, the *SmartSummary*® will tell you that you left the Initial Coverage Stage and moved to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Go to Section 3.1 to learn what you can do to help make sure our records of what you spent are complete and up to date.

SECTION 2 Drug payment stages for Humana Community (HMO) members

There are **3 drug payment stages** for your drug coverage under Humana Community (HMO). How much you pay for each prescription depends on what stage you're in when you get a prescription filled or refilled. Details of each stage are explained in this chapter. The stages are:

- **Stage 1: Yearly Deductible Stage**
- **Stage 2: Initial Coverage Stage**
- **Stage 3: Catastrophic Coverage Stage**

SECTION 3 Your *SmartSummary*® explains which payment stage you're in

Our plan keeps track of your prescription drug costs and the payments you make when you get prescriptions at the pharmacy. This way, we can tell you when you move from one drug payment stage to the next. We track 2 types of costs:

- **Out-of-Pocket Costs:** this is how much you paid. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, and charities.
- **Total Drug Costs:** this is the total of all payments made for your covered Part D drugs. It includes what our plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you filled one or more prescriptions through our plan during the previous month, we'll send you a *SmartSummary*. The *SmartSummary* includes:

- **Information for that month.** This report gives payment details about prescriptions you filled during the previous month. It shows the total drug costs, what our plan paid, and what you and others paid on your behalf.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This displays the total drug price, and information about changes in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This shows information about other available drugs with lower cost sharing for each prescription claim, if applicable.

Section 3.1 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here's how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps make sure we know about the prescriptions you fill and what you pay.
- **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we won't automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of your receipts.
Examples of when you should give us copies of your drug receipts:
 - When you purchase a covered drug at a network pharmacy at a special price or use a discount card that's not part of our plan's benefit.
 - When you pay a copayment for drugs provided under a drug manufacturer patient assistance program.
 - Any time you buy covered drugs at out-of-network pharmacies or pay the full price for a covered drug under special circumstances.
 - If you're billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.
- **Send us information about the payments others make for you.** Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you get the *SmartSummary*, look it over to be sure the information is complete and correct. If you think something is missing or you have questions, call Customer Care at 800-457-4708 (TTY users call 711). Be sure to keep these reports.

SECTION 4 The Deductible Stage

The Deductible Stage is the first payment stage for your drug coverage. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines. You'll pay a yearly deductible of **\$175** on Cost-Sharing Tier 3, Cost-Sharing Tier 4, and Cost-Sharing Tier 5 drugs. **You must pay the full cost of your Cost-Sharing Tier 3, Cost-Sharing Tier 4, and Cost-Sharing Tier 5 drugs** until you reach our plan's deductible amount. For all other drugs, you won't have to pay any deductible. The **full cost** is usually lower than the normal full price of the drug since our plan has negotiated lower costs for most drugs at network pharmacies. The full cost cannot exceed the maximum fair price plus dispensing fees for drugs with negotiated prices under the Medicare Drug Price Negotiation Program.

Once you pay **\$175** for your Cost-Sharing Tier 3, Cost-Sharing Tier 4, and Cost-Sharing Tier 5 drugs, you leave the Deductible Stage and move on to the Initial Coverage Stage.

SECTION 5 The Initial Coverage Stage

Section 5.1	What you pay for a drug depends on the drug and where you fill your prescription
--------------------	---

During the Initial Coverage Stage, our plan pays its share of the cost of your covered drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

Our plan has Five (5) cost-sharing tiers

Every drug in our plan's Drug Guide is in one of Five (5) cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- **Cost-Sharing Tier 1 – Preferred Generic:** Generic or brand drugs that are available at the lowest cost-share for this plan.
- **Cost-Sharing Tier 2 – Generic:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 1 Preferred Generic drugs.
- **Cost-Sharing Tier 3 – Preferred Brand:** Generic or brand drugs that the plan offers at a lower cost to you than Tier 4 Non-Preferred Drug drugs.
- **Cost-Sharing Tier 4 – Non-Preferred Drug:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 3 Preferred Brand drugs.
- **Cost-Sharing Tier 5 – Specialty Tier:** Some injectables and other high-cost drugs.

To find out which cost-sharing tier your drug is in, look it up in our plan's Drug Guide. To see what you pay for drugs in the Initial Coverage Stage, including insulins, see Section 5.2 below.

Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A network retail pharmacy.
- A pharmacy that isn't in the plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Go to Chapter 5, Section 2.5 to find out when we'll cover a prescription filled at an out-of-network pharmacy.
- Our plan's mail-order pharmacy.

For more information about these pharmacy choices and filling your prescriptions, go to Chapter 5 and our plan's *Provider Directory* ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)).

Section 5.2	Your costs for a one-month supply of a covered drug
--------------------	--

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

Chapter 6 What you pay for Part D drugs

The amount of the copayment or coinsurance depends on the cost-sharing tier.

Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your costs for a one-month supply of a covered Part D drug:

Tier	Retail cost sharing (in-network) (up to a 30-day supply)	Standard mail-order cost sharing (in-network) (up to a 30-day supply)	Preferred mail-order cost sharing (in-network) (up to a 30-day supply)	Long-term care (LTC) cost sharing (in-network) (up to a 31-day supply)	*Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 1 Preferred Generic	\$0	\$10	\$0	\$0	\$0
Cost-Sharing Tier 1 Insulins	0%	25% up to \$10	0%	0%	0%
Cost-Sharing Tier 2 Generic	\$0	\$20	\$0	\$0	\$0
Cost-Sharing Tier 2 Insulins	0%	25% up to \$20	0%	0%	0%
Cost-Sharing Tier 3 Preferred Brand	\$30	\$47	\$30	\$30	\$30
Cost-Sharing Tier 3 Insulins	25% up to \$30	25% up to \$35	25% up to \$30	25% up to \$30	25% up to \$30
Cost-Sharing Tier 4 Non-Preferred Drug	37%	37%	37%	37%	37%
Cost-Sharing Tier 4 Insulins	25% up to \$35	25% up to \$35	25% up to \$35	25% up to \$35	25% up to \$35
Cost-Sharing Tier 5 Specialty Tier	31%	31%	31%	31%	31%

Chapter 6 What you pay for Part D drugs

Tier	Retail cost sharing (in-network) (up to a 30-day supply)	Standard mail-order cost sharing (in-network) (up to a 30-day supply)	Preferred mail-order cost sharing (in-network) (up to a 30-day supply)	Long-term care (LTC) cost sharing (in-network) (up to a 31-day supply)	*Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 5 Insulins	25% up to \$35	25% up to \$35	25% up to \$35	25% up to \$35	25% up to \$35

* You pay the in-network cost share (listed in the out-of-network cost-sharing column) plus the difference between the in-network cost and the out-of-network cost for covered prescription drugs received from a non-network pharmacy.

Not all tiers may include insulin. Please refer to your Prescription Drug Guide to confirm insulin coverage.

Go to Section 8 of this chapter for more information on cost sharing for Part D vaccines.

Section 5.3	If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply
--------------------	---

Typically, the amount you pay for a drug covers a full month's supply. There may be times when you or your doctor would like you to have less than a month's supply of a drug (for example, when you're trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply, if this will help you better plan refill dates.

If you get less than a full month's supply of certain drugs, you won't have to pay for the full month's supply.

- If you're responsible for coinsurance, you pay a percentage of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
- If you're responsible for a copayment for the drug, you only pay for the number of days of the drug that you get instead of a whole month. We calculate the amount you pay per day for your drug (the daily cost-sharing rate) and multiply it by the number of days of the drug you get.

Section 5.4	Your costs for a long-term (up to a 100-day) supply of a covered Part D drug
--------------------	---

For some drugs, you can get a long-term supply (also called an extended supply). A long-term supply is up to a 100-day supply.

Specialty drugs or other drugs deemed ineligible by the plan do not qualify for an extended supply. Please see your *Drug Guide* to find out what drugs are restricted.

Chapter 6 What you pay for Part D drugs

The table below shows what you pay when you get a long-term supply of a drug.

- Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your costs for a long-term supply of a covered Part D drug:

Tier	Retail cost sharing (in-network) (up to a 100-day supply)	Standard mail-order cost sharing (in-network) (up to a 100-day supply)	Preferred mail-order cost sharing (in-network) (up to a 100-day supply)
Cost-Sharing Tier 1 Preferred Generic	\$0	\$30	\$0
Cost-Sharing Tier 1 Insulins	0%	25% up to \$30	0%
Cost-Sharing Tier 2 Generic	\$0	\$60	\$0
Cost-Sharing Tier 2 Insulins	0%	25% up to \$60	0%
Cost-Sharing Tier 3 Preferred Brand	\$90	\$141	\$60
Cost-Sharing Tier 3 Insulins	25% up to \$90	25% up to \$105	25% up to \$60
Cost-Sharing Tier 4 Non-Preferred Drug	37%	37%	37%
Cost-Sharing Tier 4 Insulins	25% up to \$105	25% up to \$105	25% up to \$105
Cost-Sharing Tier 5 Specialty Tier	A long-term supply is not available for drugs in Tier 5.		

Not all tiers may include insulin. Please refer to your Prescription Drug Guide to confirm insulin coverage.

Section 5.5	You stay in the Initial Coverage Stage until your out-of-pocket costs for the year reach \$2,100
--------------------	---

You stay in the Initial Coverage Stage until your total out-of-pocket costs reach **\$2,100**. You then move to the Catastrophic Coverage Stage.

We offer additional coverage on some prescription drugs that aren't normally covered in a Medicare Prescription Drug Plan. Payments made for these drugs won't count towards your total out-of-pocket costs.

Chapter 6 What you pay for Part D drugs

The *SmartSummary* you get will help you keep track of how much you, our plan, and any third parties have spent on your behalf during the year. Not all members will reach the **\$2,100** out-of-pocket limit in a year.

We'll let you know if you reach this amount. Go to Section 1.3 for more information on how Medicare calculates your out-of-pocket costs.

SECTION 6 The Catastrophic Coverage Stage

In the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs. You enter the Catastrophic Coverage Stage when your out-of-pocket costs reach the **\$2,100** limit for the calendar year. Once you're in the Catastrophic Coverage Stage, you'll stay in this payment stage until the end of the calendar year.

- During this payment stage, you pay nothing for your covered Part D drugs and for excluded drugs that are covered under our enhanced benefit.

SECTION 7 Additional benefits information

Our plan offers additional benefits for the following:

- Select Erectile Dysfunction drugs are covered at Tier 1 cost-share based on location
- Select Prescription Vitamins are covered at Tier 1 cost-share based on location

Once you enter the Catastrophic Coverage Stage, you pay nothing for these drugs.

Please refer to your Drug Guide for information about coverage of additional prescription drugs or call Customer Care if you have any questions. Dispensing limits may apply.

SECTION 8 What you pay for Part D Vaccines

Important message about what you pay for vaccines - Some vaccines are considered medical benefits and are covered under Part B. Other vaccines are considered Part D drugs. You can find these vaccines listed in our plan's Drug Guide. Our plan covers most adult Part D vaccines at no cost to you even if you haven't paid your deductible. Refer to your plan's Drug Guide or contact Customer Care for coverage and cost-sharing details about specific vaccines.

There are 2 parts to our coverage of Part D vaccines:

- The first part is the cost of **the vaccine itself**.
- The second part is for the cost of **giving you the vaccine**. (This is sometimes called the administration of the vaccine.)

Your costs for a Part D vaccine depend on 3 things:

- 1. Whether the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP).**
 - Most adult Part D vaccines are recommended by ACIP and cost you nothing.

Chapter 6 What you pay for Part D drugs

2. Where you get the vaccine.

- The vaccine itself may be dispensed by a pharmacy or provided by the doctor's office.

3. Who gives you the vaccine.

- A pharmacist or another provider may give the vaccine in the pharmacy, or a provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccine can vary depending on the circumstances and what **drug payment stage** you're in.

- When you get a vaccination, you may have to pay the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost. For most adult Part D vaccines, this means you'll be reimbursed the entire cost you paid.
- Other times, when you get a vaccine, you will pay only your share of the cost under your Part D benefit. For most adult Part D vaccines, you will pay nothing.

Below are 3 examples of ways you might get a Part D vaccine.

Situation 1: You get the Part D vaccine at the network pharmacy. (Whether you have this choice depends on where you live. Some states don't allow pharmacies to give certain vaccines.)

- For most adult Part D vaccines, you pay nothing.
- For other Part D vaccines, you pay the pharmacy your coinsurance or copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

Situation 2: You get the Part D vaccine at your doctor's office.

- When you get the vaccine, you may have to pay the entire cost of the vaccine itself and the cost for the provider to give it to you.
- You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- For most adult Part D vaccines, You'll be reimbursed the full amount you paid. For other Part D vaccines, you'll be reimbursed the amount you paid less any coinsurance or copayment for the vaccine (including administration), and less any difference between the amount the doctor charges and what we normally pay. (If you get Extra Help, we'll reimburse you for this difference.)

Situation 3: You buy the Part D vaccine itself at the network pharmacy, and take it to your doctor's office where they give you the vaccine.

- For most adult Part D vaccines, you pay nothing for the vaccine itself.
- For other Part D vaccines, you pay the pharmacy your coinsurance or copayment for the vaccine itself.

Chapter 6 What you pay for Part D drugs

- When your doctor gives you the vaccine, you may have to pay the entire cost for this service.
- You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid. For other Part D vaccines, you will be reimbursed the amount you paid less any coinsurance for the vaccine administration, and less any difference between the amount the doctor charges and what we normally pay. (If you get Extra Help, we'll reimburse you for this difference.)

CHAPTER 7:

Asking us to pay our share of a bill for covered medical services or drugs

SECTION 1 Situations when you should ask us to pay our share for covered services or drugs

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost. Other times, you may find you pay more than you expected under the coverage rules of our plan, or you may get a bill from a provider. In these cases, you can ask our plan to pay you back (reimburse you). It's your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs covered by our plan. There may be deadlines that you must meet to get paid back. Go to Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you got or for more than your share of cost sharing. First try to resolve the bill with the provider. If that doesn't work, send the bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered. If we decide they should be covered, we'll pay the provider directly. If we decide not to pay it, we'll notify the provider. You should never pay more than plan-allowed cost sharing. If this provider is contracted, you still have the right to treatment.

Examples of situations in which you may need to ask our plan to pay you back or to pay a bill you got:

1. When you got emergency or urgently needed medical care from a provider who's not in our plan's network

Outside the service area, you can get emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases,

- You're only responsible for paying your share of the cost for emergency or urgently needed services. Emergency providers are legally required to provide emergency care. If you pay the entire amount yourself at the time you get the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you made.
- You may get a bill from the provider asking for payment you think you don't owe. Send us this bill, along with documentation of any payments you already made.
 - If the provider is owed anything, we'll pay the provider directly.
 - If you already paid more than your share of the cost of the service, we'll determine how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill you think you shouldn't pay

Network providers should always bill our plan directly and ask you only for your share of the cost. But sometimes they make mistakes and ask you to pay more than your share.

Chapter 7 Asking us to pay our share of a bill for covered medical services or drugs

- You only have to pay your cost-sharing amount when you get covered services. We don't allow providers to add additional separate charges, called **balance billing**. This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there's a dispute and we don't pay certain provider charges.
- Whenever you get a bill from a network provider you think is more than you should pay, send us the bill. We'll contact the provider directly and resolve the billing problem.
- If you already paid a bill to a network provider, but feel you paid too much, send us the bill along with documentation of any payment you made and ask us to pay you back the difference between the amount you paid and the amount you owed under our plan.

3. If you're retroactively enrolled in our plan

Sometimes a person's enrollment in our plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out of pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You'll need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you use an out-of-network pharmacy to fill a prescription

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you'll have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. Remember that we only cover out-of-network pharmacies in limited circumstances. Go to Chapter 5, Section 2.5 to learn about these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount we'd pay at an in-network pharmacy.

5. When you pay the full cost for a prescription because you don't have our plan membership card with you

If you don't have our plan membership card with you, you can ask the pharmacy to call our plan or look up our plan enrollment information. If the pharmacy can't get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find the drug isn't covered for some reason.

- For example, the drug may not be on our plan's Drug Guide, or it could have a requirement or restriction you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

Chapter 7 Asking us to pay our share of a bill for covered medical services or drugs

When you send us a request for payment, we'll review your request and decide whether the service or drug should be covered. This is called making a **coverage decision**. If we decide it should be covered, we'll pay for our share of the cost for the service or drug. If we deny your request for payment, you can appeal our decision. Chapter 9 has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or pay a bill you got

You can ask us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your Part C (medical and dental) claim to us within 12 months** of the date you got the service, item, or Part B drug. **You must submit your Part D (prescription drug) claim to us within 36 months** of the date you got the drug.

To make sure you're giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it'll help us process the information faster. The data we need to make a decision are listed below. Because we might need other information to make a reimbursement determination in some cases, we strongly encourage you to provide any other information you can to support your request.
 - Your name and the member ID from your Humana ID card
 - Your receipt or other proof of your payment
 - An itemized statement from the provider showing the services provided that includes the following information. If the information isn't included on the provider's itemized statement, you'll need to contact the provider to request it.
 - > Date(s) of service for those services provided
 - > Provider or supplier's name, address, National Provider Identifier (NPI), and Tax ID Number (TIN)
 - > If a different provider ordered the service or referred you to the rendering provider, the name, address, NPI and TIN for the ordering/referring provider
 - > Description of each service or supply provided, and the following service codes:
 - ~ Revenue code(s), if applicable
 - ~ Relevant CPT and HCPCS code(s)
 - > Charge for each service provided
 - > Description of illness or injury and diagnosis code(s)
 - > Place of treatment
 - Your, or your legal representative's signature
- Download a copy of the form from our website (<https://www.humana.com/member/documents-and-forms>) or call Customer Care at 800-457-4708 (TTY users call 711) and ask for the form.

Mail your request for payment together with any bills or paid receipts to us at this address:

Requests for payment for Medical and Dental Services:

Humana
P.O. Box 14601
Lexington, KY 40512-4601

Requests for payment for Part D drugs:

Humana

P.O. Box 14140

Lexington, KY 40512-4140

SECTION 3 We'll consider your request for payment and say yes or no

When we get your request for payment, we'll let you know if we need any additional information from you. Otherwise, we'll consider your request and make a coverage decision.

- If we decide the medical care or drug is covered and you followed all the rules, we'll pay for our share of the cost. Our share of the cost might not be the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid for a drug is higher than our negotiated price). If you already paid for the service or drug, we'll mail your reimbursement of our share of the cost to you. If you haven't paid for the service or drug yet, we'll mail the payment directly to the provider.
- If we decide the medical care or drug is not covered, or you did *not* follow all the rules, we won't pay for our share of the cost. We'll send you a letter explaining the reasons why we aren't sending the payment and your rights to appeal that decision.

Section 3.1	If we tell you that we won't pay for all or part of the medical care or drug, you can make an appeal
--------------------	---

If you think we made a mistake in turning down your request for payment or the amount we're paying, you can make an appeal. If you make an appeal, it means you're asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9.

CHAPTER 8: Your rights and responsibilities

SECTION 1 Our plan must honor your rights and cultural sensitivities

Section 1.1 We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, braille, large print, or other alternate formats, etc.)

Our plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how our plan can meet these accessibility requirements include but aren't limited to provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you information in braille, in large print, or other alternate formats at no cost if you need it. We're required to give you information about our plan's benefits in a format that's accessible and appropriate for you. To get information from us in a way that works for you, call Customer Care at 800-457-4708 (TTY users call 711).

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in our plan's network for a specialty aren't available, it's our plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you'll only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in our plan's network that cover a service you need, call the plan for information on where to go to get this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that's accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, call to file a grievance with Humana Grievances and Appeals Dept. at 800-457-4708, TTY 711. You can also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Sección 1.1 Debemos proveer la información de una manera que a usted le resulte útil y en conformidad con su sensibilidad cultural (en idiomas que no sean inglés, en Braille, en texto con letras grandes u otros formatos alternativos, etc.)

Su plan debe garantizar que todos los servicios, tanto clínicos como no clínicos, se brinden de manera competente desde el punto de vista cultural y sean accesibles para todos los afiliados, incluidos aquellos con dominio limitado del inglés, habilidades de lectura limitadas, incapacidad auditiva o aquellos con orígenes culturales y étnicos diversos. Algunos ejemplos de cómo un plan puede cumplir con estos requisitos de accesibilidad incluyen, entre

Chapter 8 Your rights and responsibilities

otros, la prestación de servicios de traducción, servicios de interpretación, telemáquinas de escribir o conexión TTY (teléfono de texto o teléfono de telemáquina).

Nuestro plan cuenta con servicios gratuitos de intérpretes disponibles para responder preguntas de afiliados que no hablan inglés. También podemos darle información en braille, en letra grande o en otros formatos alternativos sin costo en caso de ser necesario. Se nos exige darle información sobre los beneficios del plan en un formato que sea accesible y apropiado para usted. Para obtener información de parte de nosotros de una forma que se ajuste a sus necesidades, llame a Atención al cliente.

Nuestro plan debe brindarles a las mujeres inscritas la opción de acceso directo a un especialista en salud femenina dentro de la red para servicios de cuidado de la salud preventivos y de rutina para mujeres.

Si no hay disponibles proveedores de la red del plan para una especialidad, es responsabilidad del plan localizar proveedores especializados fuera de la red que le proporcionen el cuidado necesario. En este caso, solo pagará el costo compartido dentro de la red. Si se encuentra en una situación en la cual no hay especialistas en la red del plan que cubran un servicio que usted necesita, llame al plan para obtener información sobre dónde ir para obtener este servicio al costo compartido dentro de la red.

Si tiene alguna dificultad para obtener información de nuestro plan en un formato que sea accesible y apropiado para usted, ver a un especialista en salud de la mujer o encontrar un especialista de la red, llame para presentar una queja formal ante el Departamento de quejas formales y apelaciones de Humana al 800-457-4708, TTY 711. También puede presentar una queja ante Medicare llamando al 1-800-MEDICARE (1-800-633-4227) o directamente ante la Oficina de Derechos Civiles al 1-800-368-1019 o TTY 1-800-537-7697.

Section 1.2 We must ensure you get timely access to covered services and drugs

You have the right to choose a primary care provider (PCP) in our plan's network to provide and arrange for your covered services. You also have the right to go to a women's health specialist (such as a gynecologist) without a referral.

You have the right to get appointments and covered services from our plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think you aren't getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws. A right to be treated with respect and recognition of their **dignity** and their right to privacy.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.

Chapter 8 Your rights and responsibilities

- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a *Notice of Privacy Practice*, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you have given legal power to make decisions for you first.*
- There are certain exceptions that don't require us to get your written permission first. These exceptions are allowed or required by law.
 - We're required to release health information to government agencies that are checking on quality of care.
 - Because you're a member of our plan through Medicare, we're required to give Medicare your health information including information about your Part D drugs. If Medicare releases your information for research or other uses, this will be done according to federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it's been shared with others

You have the right to look at your medical records held by our plan, and to get a copy of your records. We're allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we'll work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Care at 800-457-4708 (TTY users call 711).

Insurance ACE Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

The privacy of your personal and health information is important. You do not need to do anything unless you have a request or complaint.

This Notice of Privacy Practices applies to all entities that are part of the Insurance ACE, an Affiliated Covered Entity under HIPAA. The ACE is a group of legally separate covered entities that are affiliated and have designated themselves as a single covered entity for purposes of HIPAA. A complete list of the members of the ACE is available at <https://huma.na/insuranceace>

We may change our privacy practices and the terms of this notice at any time, as allowed by law, including information we created or received before we made the changes. When we make a significant change in our privacy practices, we will change this notice and send the notice to our health plan subscribers.

Chapter 8 Your rights and responsibilities

What is nonpublic personal or health information?

Nonpublic personal or health information includes both medical information and personal information, like your name, address, telephone number, Social Security number, account numbers, payment information, or demographic information. The term “information” in this notice includes any nonpublic personal and health information. This includes information created or received by a healthcare provider or health plan. The information relates to your physical or mental health or condition, providing healthcare to you, or the payment for such healthcare.

How do we collect information about you?

We collect information about you and your family when you complete applications and forms. We also collect information from your dealings with us, our affiliates, or others. For example, we may receive information about you from participants in the healthcare system, such as your doctor or hospital, as well as from employers or plan administrators, credit bureaus, and the Medical Information Bureau.

What information do we receive about you?

The information we receive may include such items as your name, address, telephone number, date of birth, Social Security number, premium payment history, and your activity on our website. This also includes information regarding your medical benefit plan, your health benefits, and health risk assessments.

How do we protect your information?

We have a responsibility to protect the privacy of your information in all formats including electronic and oral information. We have administrative, technical, and physical safeguards in place to protect your information in various ways including:

- Limiting who may see your information
- Limiting how we use or disclose your information
- Informing you of our legal duties about your information
- Training our employees about our privacy policies and programs

How do we use and disclose your information?

We use and disclose your information:

- To you or someone who has the legal right to act on your behalf
- To the Secretary of the Department of Health and Human Services

We have the right to use and disclose your information:

- To a doctor, a hospital, or other healthcare provider so you can receive medical care.
- For payment activities, including claims payment for covered services provided to you by healthcare providers and for health plan premium payments.
- For healthcare operation activities, including processing your enrollment, responding to your inquiries, coordinating your care, improving quality, and determining premiums.
- For performing underwriting activities. However, we will not use any results of genetic testing or ask questions regarding family history.
- To your plan sponsor to permit them to perform, plan administration functions such as eligibility, enrollment, and disenrollment activities. We may share summary level health information about you with your plan sponsor in certain situations. For example, to allow your plan sponsor to obtain bids from other health plans. Your detailed health information will not be shared with your plan sponsor. We will ask your permission, or your plan sponsor must certify they agree to maintain the privacy of your information.
- To contact you with information about health-related benefits and services, appointment reminders, or treatment alternatives that may be of interest to you. If you have opted out, we will not contact you.
- To your family and friends if you are unavailable to communicate, such as in an emergency.

Chapter 8 Your rights and responsibilities

- To your family and friends, or any other person you identify. This applies if the information is directly relevant to their involvement with your health care or payment for that care. For example, if a family member or a caregiver calls us with prior knowledge of a claim, we may confirm if the claim has been received and paid.
- To provide payment information to the subscriber for Internal Revenue Service substantiation.
- To public health agencies, if we believe that there is a serious health or safety threat.
- To appropriate authorities when there are issues about abuse, neglect, or domestic violence.
- In response to a court or administrative order, subpoena, discovery request, or other lawful process.
- For law enforcement purposes, to military authorities and as otherwise required by law.
- To help with disaster relief efforts.
- For compliance programs and health oversight activities.
- To fulfill our obligations under any workers' compensation law or contract.
- To avert a serious and imminent threat to your health or safety or the health or safety of others.
- For research purposes in limited circumstances and provided that they have taken appropriate measures to protect your privacy.
- For procurement, banking, or transplantation of organs, eyes, or tissue.
- To a coroner, medical examiner, or funeral director.

Additional restriction on use and disclosure for specific types of information:

- Some federal and state laws may restrict the use and disclosure of certain sensitive health information such as: Substance Use Disorder; Biometric Information; Child or Adult Abuse or Neglect, including Sexual Assault; Communicable Diseases; Genetic Information; HIV/AIDS; Mental Health; Reproductive Health; and Sexually Transmitted Diseases.
- Reproductive Health Information: We will not use or disclose information to conduct an investigation into identifying (or the attempt to impose liability against) any person for the act of seeking, obtaining, providing, or facilitating lawful reproductive health care. In response to a government agency's (or other person's) request for information that might be related to reproductive health care, the person making the request must provide a signed attestation that the purpose of the request does not violate the prohibition on disclosing reproductive health care information.

Will we use your information for purposes not described in this notice?

We will not use or disclose your information for any reason that is not described in this notice, without your written permission. You may cancel your permission at any time by notifying us in writing.

The following uses and disclosures will require your written permission:

- Most uses and disclosures of psychotherapy notes
- Marketing purposes
- Sale of protected health information

What do we do with your information when you are no longer a member?

Your information may continue to be used for purposes described in this notice. This includes when you do not obtain coverage through us. After the required legal retention period, we destroy the information following strict procedures to maintain the confidentiality.

What are my rights concerning my information?

We are committed to responding to your rights request in a timely manner

- Access – You have the right to review and obtain a copy of your information that may be used to make decisions about you. You also may receive a summary of this health information. As required under applicable law, we will make this personal information available to you or to your designated representative.
- Adverse Underwriting Decision – If we decline your application for insurance, you have the right to be provided a reason for the denial.
- Alternate Communications – To avoid a life-threatening situation, you have the right to receive your information in a different manner or at a different place. We will accommodate your request if it is reasonable.

Chapter 8 Your rights and responsibilities

- Amendment – You have the right to request correction of any of this personal information through amendment or deletion. Within 60 business days of receipt of your written request, we will notify you of our amendment or deletion of the information in dispute, or of our refusal to make such correction after further investigation.
- If we refuse to amend or delete the information in dispute, you have the right to submit to us a written statement of the reasons for your disagreement with our assessment of the information in dispute and what you consider to be the correct information. We shall make such a statement accessible to any and all parties reviewing the information in dispute.*
- Disclosure – You have the right to receive a listing of instances in which we or our business associates have disclosed your information. This does not apply to treatment, payment, health plan operations, and certain other activities. We maintain this information and make it available to you for six years. If you request this list more than once in a 12-month period, we may charge you a reasonable, cost-based fee.
- Notice – You have the right to request and receive a written copy of this notice any time.
- Restriction – You have the right to ask to limit how your information is used or disclosed. We are not required to agree to the limit, but if we do, we will abide by our agreement. You also have the right to agree to or terminate a previously submitted limitation.

If I believe my privacy has been violated, what should I do?

If you believe that your privacy has been violated, you may file a complaint with us by calling us at: 866-861-2762 any time.

You may also submit a written complaint to the U.S. Department of Health and Human Services, Office for Civil Rights (OCR). We will give you the appropriate OCR regional address on request. You can also e-mail your complaint to OCRComplaint@hhs.gov. If you elect to file a complaint, your benefits will not be affected, and we will not punish or retaliate against you in any way.

We support your right to protect the privacy of your personal and health information.

Our Responsibilities

- We are required by law to maintain the privacy and security of your protected health information.
- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

We can change the terms of this notice, and the changes will apply to all information we have about you.

The new notice will be available upon request, in our office, and on our web site.

How do I exercise my rights or obtain a copy of this notice?

All of your privacy rights can be exercised by obtaining the applicable forms. You may obtain any of the forms by:

- Contacting us at 866-861-2762
- Accessing our website at Humana.com and going to the Privacy Practices link
- Send completed request form to:
Humana Inc.
Privacy Office 003/10911
101 E. Main Street
Louisville, KY 40202

* This right applies only to our Massachusetts residents in accordance with state regulations.

Section 1.4	We must give you information about our plan, our network of providers, and your covered services
--------------------	---

As a member of Humana Community (HMO), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, call Customer Care at 800-457-4708 (TTY users call 711):

- **Information about our plan.** This includes, for example, information about our plan's financial condition.
- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapters 5 and 6 provide information about Part D drug coverage.
- We have special programs that focus on keeping you healthy, detecting early identification of health risks, ensuring your care is delivered safely and efficiently across all levels of care, and managing chronic conditions. Our care management program offers supportive services to members with complicated medical conditions, or those who have been hospitalized. The Humana Care Management team will help you navigate through the health care system and assist in coordinating your care. We have programs to help people manage health conditions like diabetes, congestive heart failure, chronic obstructive pulmonary disease (COPD) and other illness. In addition, the Humana Care Management team is available to assist with the coordination of care and benefits. All of these programs are voluntary. If you qualify and are contacted about one of these programs, we encourage you to participate as most members find care management to be very helpful. You may choose to discontinue it anytime by letting your care manager know. If you would like more information about these health programs, call the Nurse Advice Line at 1-800-491-4164, TTY 711.
- **Information about why something is not covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug isn't covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

Section 1.5	You have the right to know your treatment options and participate in decisions about your care
--------------------	---

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all your choices.** You have the right to be told about all treatment options recommended for your condition, no matter what they cost or whether they're covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.

Chapter 8 Your rights and responsibilities

- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say "no."** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. If you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what's to be done if you can't make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you're in this situation. This means, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

Legal documents you can use to give directions in advance of these situations are called **advance directives**. Documents like a **living will** and **power of attorney for health care** are examples of advance directives.

How to set up an advance directive to give instructions:

- **Get a form.** You can get an advance directive form from your lawyer, a social worker, or some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also call Customer Care at 800-457-4708 (TTY users call 711) to ask for the forms.
- **Fill out the form and sign it.** No matter where you get this form, it's a legal document. Consider having a lawyer help you prepare it.
- **Give copies of the form to the right people.** Give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you're going to be hospitalized, and you signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask whether you signed an advance directive form and whether you have it with you.
- If you didn't sign an advance directive form, the hospital has forms available and will ask if you want to sign one.

Filling out an advance directive is your choice (including whether you want to sign one if you're in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you signed an advance directive.

Chapter 8 Your rights and responsibilities

If your instructions aren't followed

If you sign an advance directive and you believe that a doctor or hospital didn't follow the instructions in it, you can file a complaint with your state's Quality Improvement Organization (QIO). Contact information can be found in "Exhibit A" in the back of this document.

Section 1.6 You have the right to make complaints and ask us to reconsider decisions we made

At Humana, a process called Utilization Management (UM) is used to determine whether a service or treatment is covered and appropriate for payment under your benefit plan. Humana does not reward or provide financial incentives to doctors, other individuals or Humana employees for denying coverage or encouraging under use of services. In fact, Humana works with your doctors and other providers to help you get the most appropriate care for your medical condition. If you have questions or concerns related to Utilization Management, staff are available at least eight hours a day during normal business hours. Humana has free language interpreter services available to answer questions related to Utilization Management from non-English speaking members. Members may call 800-457-4708 (TTY:711).

Humana decides about coverage of new medical procedures and devices on an ongoing basis. This is done by checking peer-reviewed medical literature and consulting with medical experts to see if the new technology is effective and safe. Humana also relies on guidance from the Centers for Medicare & Medicaid Services (CMS), which often makes national coverage decisions for new medical procedures or devices.

If you have any problems, concerns, or complaints and need to ask for coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we're required to treat you fairly.**

Section 1.7 If you believe you're being treated unfairly, or your rights aren't being respected

If you believe you've been treated unfairly or your rights haven't been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY users call 1-800-537-7697), or call your local Office for Civil Rights.

If you believe you've been treated unfairly or your rights haven't been respected, *and it's not* about discrimination, you can get help dealing with the problem you're having from these places:

- **Call Customer Care** at 800-457-4708 (TTY users call 711).
- **Call your local SHIP.** You'll find numbers and website URLs in Exhibit A in the back of this document.
- **Call Medicare** at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048.)

Section 1.8 How to get more information about your rights

Get more information about your rights from these places:

Chapter 8 Your rights and responsibilities

- **Call our plan's Customer Care** at 800-457-4708 (TTY users call 711).
- **Call your local SHIP.** You'll find numbers and website URLs in Exhibit A in the back of this document.
- **Contact Medicare.**
 - Visit www.Medicare.gov to read the publication *Medicare Rights & Protections* (available at: [Medicare-Rights-and-Protections.](#))
 - Call 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048.)

SECTION 2 Your responsibilities as a member of our plan

Things you need to do as a member of our plan are listed below. For questions, call Customer Care at 800-457-4708 (TTY users call 711).

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* to learn what's covered and the rules you need to follow to get covered services.
 - Chapters 3 and 4 give details about medical services.
 - Chapters 5 and 6 give details about Part D prescription drug coverage.
- **If you have any other health coverage or drug coverage in addition to our plan, you're required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you're enrolled in our plan.** Show our plan membership card whenever you get medical care or Part D drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions you and your doctors agree on.
 - Make sure your doctors know all the drugs you're taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - You must continue to pay a premium for your Medicare Part B to stay a member of our plan.
 - For most of your medical services or drugs covered by our plan, you must pay your share of the cost when you get the service or drug.
 - If you're required to pay a late enrollment penalty, you must pay the penalty to keep your drug coverage.

Chapter 8 Your rights and responsibilities

- If you're required to pay the extra amount for Part D because of your yearly income, you must continue to pay the extra amount directly to the government to stay a member of our plan.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* our plan service area, you can't stay a member of our plan.**
- **If you move, tell Social Security (or the Railroad Retirement Board).**
- **A right to make recommendations regarding the organization's member rights and responsibilities policy.**

Chapter 9:

If you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 1 What to do if you have a problem or concern

This chapter explains 2 types of processes for handling problems and concerns:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints** (also called grievances).

Both processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The information in this chapter will help you identify the right process to use and what to do.

Section 1.1	Legal terms
--------------------	--------------------

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people. To make things easier, this chapter uses more familiar words in place of some legal terms.

However, it's sometimes important to know the correct legal terms. To help you know which terms to use to get the right help or information, we include these legal terms when we give details for handling specific situations.

SECTION 2 Where to get more information and personalized help

We're always available to help you. Even if you have a complaint about our treatment of you, we're obligated to honor your right to complain. You should always call Customer Care at 800-457-4708 (TTY users call 711) for help. In some situations, you may also want help or guidance from someone who isn't connected with us. Two organizations that can help you are:

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you're having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You'll find phone numbers and website URLs in Exhibit A in the back of this document.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**Medicare**

You can also contact Medicare for help.

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.
- Visit www.Medicare.gov.

SECTION 3 Which process to use for your problem**Is your problem or concern about your benefits or coverage?**

This includes problems about whether medical care (medical items, services and/or Part B drugs) are covered or not, the way they are covered, and problems related to payment for medical care.

Yes.	No.
Go to Section 4, A guide to coverage decisions and appeals.	Go to Section 10, How to make a complaint about quality of care, waiting times, customer service or other concerns.

COVERAGE DECISIONS AND APPEALS**SECTION 4 A guide to coverage decisions and appeals**

Coverage decisions and appeals deal with problems about your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Medicare Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions before you get services

If you want to know if we'll cover medical care before you get it, you can ask us to make a coverage decision for you. A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical care. For example, if our plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either you or your network doctor can show that you got a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we'll cover a particular medical service or refuses to provide medical care you think you need.

In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we might decide medical care isn't covered or is no longer covered for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after you get a benefit, and you aren't satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we made. Under certain circumstances, you can ask for an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we properly followed the rules. When we complete the review, we give you our decision.

In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go to a Level 2 appeal conducted by an independent review organization that isn't connected to us.

- You don't need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we don't fully agree with your Level 1 appeal.
- Go to **Section 5.4** for more information about Level 2 appeals for medical care.
- Part D appeals are discussed further in Section 6.

If you aren't satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (this chapter explains the Level 3, 4, and 5 appeals processes).

Section 4.1 Get help asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **Call Customer Care** at 800-457-4708 (TTY users call 711).
- **Get free help** from your State Health Insurance Assistance Program.
- **Your doctor can make a request for you.** If your doctor helps with an appeal past Level 2, they will need to be appointed as your representative. Call Customer Care at 800-457-4708 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at <https://www.humana.com/member/documents-and-forms>.)
 - For medical care or Part B drugs, your doctor can ask for a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- For Part D drugs, your doctor or other prescriber can ask for a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied, your doctor or prescriber can ask a Level 2 appeal.
- **You can ask someone to act on your behalf.** You can name another person to act for you as your representative to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Customer Care at 800-457-4708 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at <https://www.humana.com/member/documents-and-forms>.) This form gives that person permission to act on your behalf. It must be signed by you and by the person you want to act on your behalf. You must give us a copy of the signed form.
 - We can accept an appeal request from a representative without the form, but we can't complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we'll send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.
- **You also have the right to hire a lawyer.** You can contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you aren't required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.2 Rules and deadlines for different situations

There are 4 different situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give the details for each of these situations:

- **Section 5:** Medical care: How to ask for a coverage decision or make an appeal
- **Section 6:** Part D drugs: How to ask for a coverage decision or make an appeal
- **Section 7:** How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon
- **Section 8:** How to ask us to keep covering certain medical services if you think your coverage is ending too soon (*Applies only to these services:* home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you're not sure which information applies to you, call Customer Care at 800-457-4708 (TTY users call 711). You can also get help or information from your SHIP.

SECTION 5 Medical care: How to ask for a coverage decision or make an appeal

Section 5.1 What to do if you have problems getting coverage for medical care or want us to pay you back for our share of the cost of your care

Your benefits for medical care are described in Chapter 4 in the Medical Benefits Chart. In some cases, different rules apply to a request for a Part B drug. In those cases, we'll explain how the rules for Part B drugs are different from the rules for medical items and services.

This section tells what you can do if you're in any of the 5 following situations:

1. You aren't getting certain medical care you want, and you believe this is covered by our plan. **Ask for a coverage decision. Section 5.2.**
2. Our plan won't approve the medical care your doctor or other medical provider wants to give you, and you believe this care is covered by our plan. **Ask for a coverage decision. Section 5.2.**
3. You got medical care that you believe should be covered by our plan, but we said we won't pay for this care. **Make an appeal. Section 5.3.**
4. You got and paid for medical care that you believe should be covered by our plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**
5. You're told that coverage for certain medical care you've been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 5.3.**

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, go to Sections 7 and 8. Special rules apply to these types of care.

Section 5.2 How to ask for a coverage decision

Legal Terms:

A coverage decision that involves your medical care is called an **organization determination**.

A fast coverage decision is called an **expedited determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 7 calendar days when the medical item or service is subject to our prior authorization rules, 14 calendar days for all other medical items and services, or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. To get a fast coverage decision, you must meet 2 requirements:

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- You may *only* ask for coverage for medical items and/or services (not requests for payment for items and/or services you already got).
- You can get a fast coverage decision *only* if using the standard deadlines could cause serious harm to your health or hurt your ability to regain function.
- **If your doctor tells us that your health requires a fast coverage decision, we'll automatically agree to give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines.
 - Explains if your doctor asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
 - Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

This means we'll give you an answer within 7 calendar days after we get your request for a medical item or service that is subject to your prior authorization rules. If your requested medical item or service isn't subject to our prior authorization rules, we'll give you an answer within 14 calendar days after we get your request. If your request is for a Part B drug, we'll give you an answer within 72 hours after we get your request.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we *shouldn't* take extra days, you can file a fast complaint. We'll give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. Go to Section 10 for information on complaints.)

For fast coverage decisions we use an expedited timeframe.

A fast coverage decision means we'll answer within 72 hours if your request is for a medical item or service. If your request is for a Part B drug, we'll answer within 24 hours.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If you believe we *shouldn't* take extra days, you can file a fast complaint. (Go to Section 10 for information on complaints.) We'll call you as soon as we make the decision.
- If our answer is no to part or all of what you asked for, we'll send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you're going on to Level 1 of the appeals process.

Section 5.3 How to make a Level 1 appeal

Legal Terms:

An appeal to our plan about a medical care coverage decision is called a plan **reconsideration**.

A fast appeal is also called an **expedited reconsideration**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

- If you're appealing a decision we made about coverage for care, you and/or your doctor need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we'll give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 5.2.

Step 2: Ask our plan for an appeal or a fast appeal

- **If you're asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- **If you're asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.** We're allowed to charge a fee for copying and sending this information to you.

Step 3: We consider your appeal and we give you our answer.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- When our plan is reviewing your appeal, we take a careful look at all of the information. We check to see if we followed all the rules when we said no to your request.
- We'll gather more information if needed and may contact you or your doctor.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
 - If you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time if your request is for a Part B drug.
 - If we don't give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we're required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it get your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer **within 30 calendar days** after we get your appeal. If your request is for a Part B drug you didn't get yet, we'll give you our answer **within 7 calendar days** after we receive your appeal. We'll give you our decision sooner if your health condition requires us to.
 - If you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
 - If you believe we shouldn't take extra days, you can file a fast complaint. When you file a fast complaint, we'll give you an answer to your complaint within 24 hours. (Go to Section 10 of this chapter for information on complaints.)
 - If we don't give you an answer by the deadline (or by the end of the extended time period), we'll send your request to a Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Part B drug.
- **If our plan says no to part or all of your appeal**, we'll automatically send your appeal to the independent review organization for a Level 2 appeal.

Section 5.4 The Level 2 appeal process**Legal Term:**

The formal name for the independent review organization is the **Independent Review Entity**. It's sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: The independent review organization reviews your appeal.

- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file**. We're allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all of the information about your appeal.

If you had a fast appeal at Level 1, you'll also have a fast appeal at Level 2.

- For the fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

If you had a standard appeal at Level 1, you'll also have a standard appeal at Level 2.

- For the standard appeal if your request is for a medical item or service, the independent review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Part B drug, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

Step 2: The independent review organization gives you its answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

- **If the independent review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within **72 hours** or provide the service within 14 calendar days after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have **72 hours** from the date we get the decision from the independent review organization.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the independent review organization says yes to part or all of a request for a Part B drug**, we must authorize or provide the Part B drug within **72 hours** after we get the decision from the independent review organization for **standard requests**. For **expedited requests** we have **24 hours** from the date we get the decision from the independent review organization.
- **If this organization says no to part or all of your appeal**, it means it agrees with us that your request (or part of your request) for coverage for medical care shouldn't be approved. (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:
 - Explains the decision.
 - Lets you know about your right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Tells you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 explains the Level 3, 4, and 5 appeals processes.

Section 5.5 If you're asking us to pay for our share of a bill you got for medical care

Chapter 7 describes when you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you're asking for a coverage decision. To make this decision, we'll check to see if the medical care you paid for is covered. We'll also check to see if you followed the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed the rules, we'll send you the payment for our share of the cost typically within 30 calendar days, but no later than 60 calendar days after we get your request. If you haven't paid for the medical care, we'll send the payment directly to the provider.
- **If we say no to your request:** If the medical care is *not* covered, or you did *not* follow all the rules, we won't send payment. Instead, we'll send you a letter that says we won't pay for the medical care and the reasons why.

If you don't agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you're asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals in Section 5.3. For appeals concerning reimbursement, note:

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- We must give you our answer within 60 calendar days after we get your appeal. If you're asking us to pay you back for medical care you already got and paid for, you aren't allowed to ask for a fast appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you asked for to you or the provider within 60 calendar days.

SECTION 6 Part D drugs: How to ask for a coverage decision or make an appeal

Section 6.1 What to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (Go to Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs go to see Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this section, instead of repeating *covered outpatient prescription drug* or *Part D drug* every time. We also use the term Drug Guide instead of *List of Covered Drugs* or *formulary*.

- If you don't know if a drug is covered or if you meet the rules, you can ask us. Some drugs require you to get approval from us before we'll cover it.
- If your pharmacy tells you that your prescription can't be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Part D coverage decisions and appeals

Legal Term:

An initial coverage decision about your Part D drugs is called a **coverage determination**.

A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your drugs. This section tells what you can do if you're in any of the following situations:

- Asking to cover a Part D drug that's not on our plan's Drug List. **Ask for an exception. Section 6.2**
- Asking to waive a restriction on our plan's coverage for a drug (such as limits on the amount of the drug you can get, prior authorization criteria, or the requirement to try another drug first). **Ask for an exception. Section 6.2**
- Asking to pay a lower cost-sharing amount for a covered drug on a higher cost-sharing tier. **Ask for an exception. Section 6.2**
- Asking to get pre-approval for a drug. **Ask for a coverage decision. Section 6.4**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 6.4**

If you disagree with a coverage decision we made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to ask for an appeal.

Section 6.2 Asking for an exception

Legal Terms:

Asking for coverage of a drug that's not on the Drug Guide is a **formulary exception**.

Asking for removal of a restriction on coverage for a drug is a **formulary exception**.

Asking to pay a lower price for a covered non-preferred drug is a **tiering exception**.

If a drug isn't covered in the way you'd like it to be covered, you can ask us to make an **exception**. An exception is a type of coverage decision.

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are 3 examples of exceptions that you or your doctor or other prescriber can ask us to make:

- 1. Covering a Part D drug for you that's not on our Drug Guide.** If we agree to cover a drug not on the Drug Guide, you'll need to pay the cost-sharing amount that applies to drugs in Cost-Sharing Tier 4 – Non-Preferred Drug. You can't ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 2. Removing a restriction for a covered drug.** Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug Guide. If we agree to make an exception and waive a restriction for you, you can ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 3. Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our Drug Guide is in one of Five (5) cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you pay as your share of the cost of the drug.
 - If our Drug Guide contains alternative drug(s) for treating your medical condition that are in a lower cost-sharing tier than your drug, you can ask us to cover your drug at the cost-sharing amount that applies to the alternative drug(s).
 - If the drug you're taking is a biological product you can ask us to cover your drug at a lower cost-sharing amount. This would be the lowest tier that contains biological product alternatives for treating your condition.
 - If the drug you're taking is a brand name drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains brand name alternatives for treating your condition.
 - If the drug you're taking is a generic drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains either brand or generic alternatives for treating your condition.
 - You can't ask us to change the cost-sharing tier for any drug in Cost-Sharing Tier 5 – Specialty Tier.
 - If we approve your tiering exception request and there's more than one lower cost-sharing tier with alternative drugs you can't take, you usually pay the lowest amount.

Section 6.3 Important things to know about asking for exceptions**Your doctor must tell us the medical reasons**

Your doctor or other prescriber must give us a statement that explains the medical reasons you're asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug Guide typically includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you're asking for and wouldn't cause more side effects or other health problems, we generally won't approve your request for an exception. If you ask us for a tiering exception, we generally *won't* approve your request for an exception unless all the alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of our plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request, you can ask for another review by making an appeal.

Section 6.4 How to ask for a coverage decision, including an exception**Legal**

A fast coverage decision is called an **expedited coverage determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

Standard coverage decisions are made within **72 hours** after we get your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we get your doctor's statement.

If your health requires it, ask us to give you a fast coverage decision. To get a fast coverage decision, you must meet 2 requirements:

- You must be asking for a drug you didn't get yet. (You can't ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- **If your doctor or other prescriber tells us that your health requires a fast coverage decision, we'll automatically give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- Explains if your doctor or other prescriber asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
- Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for. We'll answer your complaint within 24 hours of receipt.

Step 2: Ask for a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to ask us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the *CMS Model Coverage Determination Request Form* or on our plan's form, which are available on our website. Chapter 2 has contact information. To help us process your request, include your name, contact information, and information that shows which drug is being requested.

You, your doctor (or other prescriber), or your representative can do this. You can also have a lawyer act on your behalf. Section 4 tells how you can give written permission to someone else to act as your representative.

- **If you're asking for an exception, provide the supporting statement** which is the medical reasons for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Step 3: We consider your request and give you our answer.

Deadlines for a fast coverage decision

- We must generally give you our answer **within 24 hours** after we get your request.
 - For exceptions, we'll give you our answer within 24 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
 - If we don't meet this deadline, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage we agreed to within 24 hours after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about a drug you didn't get yet

- We must generally give you our answer **within 72 hours** after we get your request.
 - For exceptions, we'll give you our answer within 72 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
 - If we don't meet this deadline, we're required to send your request to Level 2 of the appeals process, where it'll be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we must **provide the coverage** we agreed to **within 72 hours** after we get your request or doctor's statement supporting your request.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we get your request.
 - If we don't meet this deadline, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we're also required to make payment to you within 14 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your coverage request, you can make an appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you're going to Level 1 of the appeals process.

Section 6.5 How to make a Level 1 appeal**Legal Terms:**

An appeal to our plan about a Part D drug coverage decision is called a plan **redetermination**.

A fast appeal is called an **expedited redetermination**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.

- If you're appealing a decision, we made about a drug you didn't get yet, you and your doctor or other prescriber will need to decide if you need a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.4 of this chapter.

Step 2: You, your representative, doctor, or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.

- **For standard appeals, submit a written request.** Chapter 2 has contact information.
- **For fast appeals either submit your appeal in writing or call us at (800-451-4651, TTY: 711).** Chapter 2 has contact information.
- **We must accept any written request**, including a request submitted on the *CMS Model Redetermination Request Form*, which is available on our website

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

[Humana.com/member/member-rights/pharmacy-authorizations](https://www.humana.com/member/member-rights/pharmacy-authorizations). Include your name, contact information, and information about your claim to help us process your request.

- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal. We're allowed to charge a fee for copying and sending this information to you.

Step 3: We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all the information about your coverage request. We check to see if we were following all the rules when we said no to your request. We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
 - If we don't give you an answer within 72 hours, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal for a drug you didn't get yet

- For standard appeals, we must give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if you didn't get the drug yet and your health condition requires us to do so.
 - If we don't give you a decision within 7 calendar days, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal about payment for a drug you already bought

- We must give you our answer **within 14 calendar days** after we get your request.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If we don't meet this deadline, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we're also required to make payment to you within **30 calendar days** after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make another appeal.

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

Section 6.6 How to make a Level 2 appeal

Legal Term:

The formal name for the independent review organization is the **Independent Review Entity**. It is sometimes called the **IRE**.

The independent review organization is an independent organization hired by Medicare. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.

- If we say no to your Level 1 appeal, the written notice we send you'll include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the independent review organization.
- **You must make your appeal request within 65 calendar days** from the date on the written notice.
- If we did not complete our review within the applicable timeframe or make an unfavorable decision regarding an **at-risk** determination under our drug management program, we'll automatically forward your request to the IRE.
- We'll send the information about your appeal to the independent review organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file.** We're allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the independent review organization additional information to support your appeal.

Step 2: The independent review organization reviews your appeal.

Reviewers at the independent review organization will take a careful look at all of the information about your appeal.

Deadlines for fast appeal

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If your health requires it, ask the independent review organization for a fast appeal.
- If the organization agrees to give you a fast appeal, the organization must give you an answer to your Level 2 appeal **within 72 hours** after it receives your appeal request.

Deadlines for standard appeal

- For standard appeals, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it receives your appeal if it is for a drug you didn't get yet. If you're asking us to pay you back for a drug you already bought, the independent review organization must give you an answer to your Level 2 appeal **within 14 calendar days** after it gets your request.

Step 3: The independent review organization gives you its answer.

For fast appeals:

- **If the independent review organization says yes to part or all of what you asked for**, we must provide the drug coverage that was approved by the independent review organization **within 24 hours** after we get the decision from the independent review organization.

For standard appeals:

- **If the independent review organization says yes to part or all of your request for coverage**, we must **provide the drug coverage** that was approved by the review organization **within 72 hours** after we receive the decision from the review organization.
- **If the independent review organization says yes to part or all of your request to pay you back** for a drug you already bought, we're required to **send payment to you within 30 calendar days** after we get the decision from the independent review organization.

What if the independent review organization says no to your appeal?

If this organization says no to **part or all of** your appeal, it means they agree with our decision not to approve your request (or part of your request). (This is called **upholding the decision**. It's also called **turning down your appeal**.) In this case, the independent review organization will send you a letter that:

- Explains the decision.
- Lets you know about your right to a Level 3 appeal if the dollar value of the drug coverage you're asking for meets a certain minimum. If the dollar value of the drug coverage you're asking for is too low, you can't make another appeal and the decision at Level 2 is final.
- Tells you the dollar value that must be in dispute to continue with the appeals process.

Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal).
- If you want to go on to a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 7 How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon

When you're admitted to a hospital, you have the right to get all covered hospital services necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day you leave the hospital. They'll help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you're being asked to leave the hospital too soon, you can ask for a longer hospital stay, and your request will be considered.

<h3>Section 7.1 During your inpatient hospital stay, you'll get a written notice from Medicare that tells you about your rights</h3>
--

Within 2 calendar days of being admitted to the hospital, you'll be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you don't get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, call Customer Care at 800-457-4708 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048).

1. Read this notice carefully and ask questions if you don't understand it. It tells you:

- Your right to get Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay.
- Where to report any concerns you have about the quality of your hospital care.
- Your right to **request an immediate review** of the decision to discharge you if you think you're being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date, so we'll cover your hospital care for a longer time.

2. You'll be asked to sign the written notice to show that you got it and understand your rights.

- You or someone who is acting on your behalf will be asked to sign the notice.
- Signing the notice shows *only* that you got the information about your rights. The notice doesn't give your discharge date. Signing the notice **doesn't mean** you're agreeing on a discharge date.

3. Keep your copy of the notice so you have the information about making an appeal (or reporting a concern about quality of care) if you need it.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If you sign the notice more than 2 calendar days before your discharge date, you'll get another copy before you're scheduled to be discharged.
- To look at a copy of this notice in advance, call Customer Care at 800-457-4708 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can also get the notice online at www.cms.gov/Medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Section 7.2 How to make a Level 1 appeal to change your hospital discharge date

To ask us to cover your inpatient hospital services for a longer time, use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help call Customer Care at 800-457-4708 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. The services of (SHIP) counselors are free. You'll find phone numbers and website URLs in Exhibit A in the back of this document.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you. The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts aren't part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you got (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
 - **If you meet this deadline**, you can stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision from the Quality Improvement Organization.
 - **If you don't meet this deadline, contact us.** If you decide to stay in the hospital after your planned discharge date, *you may have to pay the costs* for hospital care you get after your planned discharge date.
- Once you ask for an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we're contacted, we'll give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- You can get a sample of the **Detailed Notice of Discharge** by calling Customer Care at 800-457-4708 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227). (TTY users call 1-877-486-2048.) Or you can get a sample notice online at www.CMS.gov/Medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (the *reviewers*) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want.
- The reviewers will also look at your medical information, talk with your doctor, and review information that we and the hospital gave them.
- By noon of the day after the reviewers told us of your appeal, you'll get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.

What happens if the answer is yes?

- If the independent review organization says *yes*, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the independent review organization says *no*, they're saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.
- If the independent review organization says *no* to your appeal and you decide to stay in the hospital, **you may have to pay the full cost** of hospital care you get after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, you can make another appeal. Making another appeal means you're going on to *Level 2* of the appeals process.

<h2>Section 7.3 How to make a Level 2 appeal to change your hospital discharge date</h2>

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at its decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information about your appeal.

Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you its decision.

If the independent review organization says yes:

- We must reimburse you** for our share of the costs of hospital care you have got since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the independent review organization says no:

- It means they agree with the decision they made on your Level 1 appeal. This is called upholding the decision.
- The notice you get will tell you in writing what you can do if you want to continue with the review process.

Step 4: If the answer is no, you need to decide whether you want to take your appeal further by going to Level 3.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 8 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

When you're getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it's time to stop covering any of these 3 types of care for you, we're required to tell you in advance. When your coverage for that care ends, *we'll stop paying our share of the cost for your care.*

If you think we're ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 8.1 We'll tell you in advance when your coverage will be ending**Legal Term:**

Notice of Medicare Non-Coverage. It tells you how you can request a **fast-track appeal**. Asking for a fast-track appeal is a formal, legal way to ask for a change to our coverage decision about when to stop your care.

- 1. You get a notice in writing** at least 2 calendar days before our plan is going to stop covering your care. The notice tells you:
 - The date when we'll stop covering the care for you.
 - How to ask for a fast-track appeal to ask us to keep covering your care for a longer period of time.
- 2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you got.** Signing the notice shows *only* that you have got the information about when your coverage will stop. **Signing it doesn't mean you agree** with our plan's decision to stop care.

Section 8.2 Step-by-step: How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you'll need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help, call Customer Care at 800-457-4708 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. The services of SHIP counselors are free. You'll find phone numbers and website URLs in Exhibit A in the back of this document.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate.

The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts aren't part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a *fast-track* appeal. You must act quickly.

How can you contact this organization?

- The written notice you got (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the *Notice of Medicare Non-Coverage*.
- If you miss the deadline, and you want to file an appeal, you still have appeal rights. Contact the Quality Improvement Organization using the contact information on the *Notice of Medicare Non-coverage*. The name, address, and phone number of the Quality Improvement Organization for your state may also be found in Chapter 2.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Term:

Detailed Explanation of Non-Coverage. Notice that gives details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you wish.
- The independent review organization will also look at your medical information, talk with your doctor, and review information our plan gives them.
- By the end of the day the reviewers tell us of your appeal, you'll get the *Detailed Explanation of Non-Coverage* from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need; the reviewers will tell you its decision.

What happens if the reviewers say yes?

- If the reviewers say yes to your appeal, then **we must keep providing your covered services for as long as it's medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say *no*, then **your coverage will end on the date we told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, **you'll have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say *no* to your Level 1 appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.

Section 8.3	How to make a Level 2 appeal to have our plan cover your care for a longer time
--------------------	--

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you continued getting care after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information about your appeal.

Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you its decision.***What happens if the independent review organization says yes?***

- **We must reimburse you** for our share of the costs of care you got since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it's medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the independent review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process. It will give you details about how to go to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further.

- There are 3 additional levels of appeal after Level 2, for a total of 5 levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 9 Taking your appeal to Levels 3, 4, and 5

Section 9.1 Appeal Levels 3, 4, and 5 for Medical Service Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the dollar value of the item or medical service you appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you can't appeal any further. The written response you get to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An **Administrative Law Judge** or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over.** Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that's favorable to you. If we decide to appeal, it will go to a Level 4 appeal.
 - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after we get the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we'll send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process may or may not be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We'll decide whether to appeal this decision to Level 5.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after getting the Council's decision.
 - If we decide to appeal the decision, we'll let you know in writing.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the answer is no or if the Council denies the review request, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 9.2 Appeal Levels 3, 4, and 5 for Part D Drug Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go to additional levels of appeal. If the dollar amount is less, you can't appeal any further. The written response you get to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An **Administrative Law Judge** or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge or attorney adjudicator **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.
- **If the answer is no, the appeals process may or may not be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the answer is no, the appeals process may or may not be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal or denies your request to review the appeal, the notice will tell you whether the rules allow you to go on to a Level 5 appeal. It will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

MAKING COMPLAINTS**SECTION 10 How to make a complaint about quality of care, waiting times, customer service, or other concerns****Section 10.1 What kinds of problems are handled by the complaint process?**

The complaint process is *only* used for certain types of problems. This includes problems about quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	<ul style="list-style-type: none"> • Are you unhappy with the quality of the care you got (including care in the hospital)?
Respecting your privacy	<ul style="list-style-type: none"> • Did someone not respect your right to privacy or share confidential information?
Disrespect, poor customer service, or other negative behaviors	<ul style="list-style-type: none"> • Has someone been rude or disrespectful to you? • Are you unhappy with our Customer Care? • Do you feel you're being encouraged to leave our plan?
Waiting times	<ul style="list-style-type: none"> • Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Care or other staff at our plan? <ul style="list-style-type: none"> – Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.
Cleanliness	<ul style="list-style-type: none"> • Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
Information you get from us	<ul style="list-style-type: none"> • Did we fail to give you a required notice? • Is our written information hard to understand?
Timeliness (These types of complaints are all related to the <i>timeliness</i> of our actions related to coverage decisions and appeals)	<p>If you asked for a coverage decision or made an appeal, and you think we aren't responding quickly enough, you can make a complaint about our slowness. Here are examples:</p> <ul style="list-style-type: none"> • You asked us for a <i>fast coverage decision</i> or a <i>fast appeal</i>, and we said no; you can make a complaint. • You believe we aren't meeting the deadlines for coverage decisions or appeals; you can make a complaint. • You believe we aren't meeting deadlines for covering or reimbursing you for certain medical items or services or drugs that were approved; you can make a complaint. • You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 10.2 How to make a complaint**Legal Terms:**

- A **complaint** is also called a **grievance**.
- **Making a complaint** is called **filing a grievance**.
- **Using the process for complaints** is called **using the process for filing a grievance**.
- A **fast complaint** is called an **expedited grievance**.

Step 1: Contact us promptly – either by phone or in writing.

- **Calling Customer Care** at 800-457-4708 (TTY users call 711) **is usually the first step**. If there's anything else you need to do, Customer Care will let you know.
- **If you don't want to call (or you called and weren't satisfied), you can put your complaint in writing and send it to us**. If you put your complaint in writing, we'll respond to your complaint in writing.
- **Grievance Filing Instructions**
File a verbal grievance by calling Customer Care at 800-457-4708, (TTY: 711).

Send a written grievance to:
 Humana Grievances and Appeals Dept.
 P.O. Box 14165
 Lexington, KY 40512-4165

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

When filing a grievance, please provide:

- Name
- Address
- Telephone number
- Member identification number
- A summary of the complaint and any previous contact with us related to the complaint
- The action you're requesting from us
- A signature from you or your authorized representative and the date. If you want a friend, relative, your doctor or other provider, or other person to be your representative, call Customer Care and ask for the *Appointment of Representative* form. (The form is also available on Medicare's website at <https://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf> or on our website at <https://www.humana.com/member/documents-and-forms>) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.

- **Option for Fast Review of your Grievance**

You may request a fast review, and we'll respond within 24 hours upon receipt, if your grievance concerns one of the following circumstances:

- We've extended the timeframe for making an organization determination/reconsiderations, and you believe you need a decision faster.
- We denied your request for a fast review of a 72-hour organization/coverage decision.
- We denied your request for a fast review of a 72-hour appeal.

It's best to call Customer Care if you want to request fast review of your grievance. If you mail your request, we'll call you to let you know we received it.

- **Whether you call or write, you should contact Customer Care right away.** You can make the complaint at any time after you had the problem you want to complain about.
- The **deadline** for making a complaint is 60 calendar days from the time you had the problem you want to complain about.

Step 2: We look into your complaint and give you our answer.

- **If possible, we'll answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, **we can take up to 14 more calendar days** (44 calendar days total) to answer your complaint. If we decide to take extra days, we'll tell you in writing.
- **If you're making a complaint because we denied your request for a fast coverage decision or a fast appeal, we'll automatically give you a fast complaint.** If you have a fast complaint, it means we'll give you **an answer within 24 hours.**
- **If we don't agree** with some or all of your complaint or don't take responsibility for the problem you're complaining about, we'll include our reasons in our response to you.

Section 10.3 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about *quality of care*, you have 2 extra options:

- **You can make your complaint directly to the Quality Improvement Organization.** The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

Section 10.4 You can also tell Medicare about your complaint

You can submit a complaint about Humana Community (HMO) directly to Medicare. To submit a complaint to Medicare, go to www.Medicare.gov/my/medicare-complaint. You can also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users call 1-877-486-2048.

CHAPTER 10: Ending membership in our plan

SECTION 1 Ending your membership in our plan

Ending your membership in Humana Community (HMO) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you decide you *want* to leave. Sections 2 and 3 give information on ending your membership voluntarily.
- There are also limited situations where we're required to end your membership. Section 5 tells you about situations when we must end your membership.

If you're leaving our plan, our plan must continue to provide your medical care and prescription drugs and you'll continue to pay your cost share until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1 You can end your membership during the Open Enrollment Period
--

You can end your membership in our plan during the **Open Enrollment Period** each year. During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- **The Open Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan, with or without drug coverage,
 - Original Medicare *with* a separate Medicare drug plan,
 - Original Medicare *without* a separate Medicare drug plan.
 - > If you choose this option and receive Extra Help, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for 63 or more days in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- **Your membership will end in our plan** when your new plan's coverage starts on January 1.

Chapter 10 Ending membership in our plan

Section 2.2 You can end your membership during the Medicare Advantage Open Enrollment Period
--

You can make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period** each year.

- **The Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and, for new Medicare beneficiaries who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.
- **During the Medicare Advantage Open Enrollment Period** you can:
 - Switch to another Medicare Advantage plan with or without drug coverage.
 - Disenroll from our plan and get coverage through Original Medicare. If you switch to Original Medicare during this period, you can also join a separate Medicare drug plan at the same time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare drug plan, your membership in the drug plan will start the first day of the month after the drug plan gets your enrollment request.

Section 2.3 In certain situations, you can end your membership during a Special Enrollment Period

In certain situations, members of Humana Community (HMO) may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply. These are just examples. For the full list you can contact our plan, call Medicare, or visit www.Medicare.gov.

- Usually, when you move
- If you have Medicaid
- If you're eligible for Extra Help with paying for your Medicare drug coverage
- If we violate our contract with you
- If you're getting care in an institution, such as a nursing home or long-term care (LTC) hospital
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE)
- **Note:** If you're in a drug management program, you may not be able to change plans. Chapter 5, Section 10 tells you more about drug management programs.

Enrollment time periods vary depending on your situation.

To find out if you're eligible for a Special Enrollment Period, call Medicare at 1-800-MEDICARE (1-800-633-4227), TTY users call 1-877-486-2048. If you're eligible to end your membership because of a special

Chapter 10 Ending membership in our plan

situation, you can choose to change both your Medicare health coverage and prescription drug coverage. You can choose:

- Another Medicare health plan with or without drug coverage,
- Original Medicare *with* a separate Medicare drug plan,
- - *or* - Original Medicare *without* a separate Medicare drug plan.

Note: If you disenroll from Medicare drug coverage and go without creditable prescription drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

Your membership will usually end on the first day of the month after we get your request to change our plan.

If you get Extra Help from Medicare to pay your drugs coverage costs: If you switch to Original Medicare and don't enroll in a separate Medicare drug plan, Medicare may enroll you in a drug plan, unless you opt out of automatic enrollment.

Section 2.4 Get more information about when you can end your membership?
--

If you have questions about ending your membership you can:

- **Call Customer Care** at 800-457-4708 for additional information. (TTY users call 711.).
- Find the information in the **Medicare & You 2026** handbook.
- Call **Medicare** at 1-800-MEDICARE (1-800-633-4227), TTY users call 1-877-486-2048.

SECTION 3 How to end your membership in our plan

The table below explains how you should end your membership in our plan.

To switch from our plan to:	Here's what to do:
Another Medicare health plan	<ul style="list-style-type: none">• Enroll in the new Medicare health plan.• You 'll automatically be disenrolled from Humana Community (HMO) when your new plan's coverage starts.
Original Medicare <i>with</i> a separate Medicare drug plan	<ul style="list-style-type: none">• Enroll in the new Medicare drug plan.• You'll automatically be disenrolled from Humana Community (HMO) when your new drug plan's coverage starts.
Original Medicare <i>without</i> a separate Medicare drug plan	<ul style="list-style-type: none">• Send us a written request to disenroll. Call Customer Care at 800-457-4708 for additional information. (TTY users call 711) if you need more information on how to do this.• You can also call Medicare, at 1-800-MEDICARE (1-800-633-4227), and ask to be disenrolled. TTY users call 1-877-486-2048.• You'll be disenrolled from Humana Community (HMO) when your coverage in Original Medicare starts.

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan

Until your membership ends, and your new Medicare coverage starts, you must continue to get your medical services, items and prescription drugs through our plan.

- **Continue to use our network providers to get medical care.**
- **Continue to use our network pharmacies or mail order to get your prescriptions filled.**
- **If you're hospitalized on the day your membership ends, your hospital stay will be covered by our plan until you're discharged** (even if you're discharged after your new health coverage starts).

SECTION 5 Humana Community (HMO) must end our plan membership in certain situations

Humana Community (HMO) must end your membership in the plan if any of the following happen:

- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you're away from our service area for more than 6 months.
 - If you move or take a long trip, call Customer Care at 800-457-4708 for additional information. (TTY users call 711) to find out if the place you're moving or traveling to is in our plan's area.
- If you become incarcerated (go to prison).
- If you're no longer a United States citizen or lawfully present in the United States.
- If you lie or withhold information about other insurance you have that provides prescription drug coverage.
- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.
- If you're required to pay the extra Part D amount because of your income and you don't pay it, Medicare will disenroll you from our plan and you'll lose drug coverage.

If you have questions or would like more information on when we can end your membership, call Customer Care at 800-457-4708 for additional information. (TTY users call 711.)

Section 5.1 We <u>can't</u> ask you to leave our plan for any health-related reason

Humana Community (HMO) is not allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel that you're being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY user call 1-877-486-2048.

Chapter 10 Ending membership in our plan

Section 5.2 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 11: Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, (CMS). In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws aren't included or explained in this document.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at www.HHS.gov/ocr/index.html.

If you have a disability and need help with access to care, please call Customer Care at 800-457-4708 (TTY users call 711). If you have a complaint, such as a problem with wheelchair access, Customer Care can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Humana Community (HMO), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

SECTION 4 Additional Notice about Subrogation (Recovery from a Third Party)

Our right to recover payment

If we pay a claim for you, we have subrogation rights. This is a very common insurance provision that means we have the right to recover the amount we paid for your claim from any third party that is responsible for the medical

Chapter 11 Legal notices

expenses or benefits related to your injury, illness, or condition. You assign to us your right to take legal action against any responsible third party, and you agree to:

1. Provide any relevant information that we request; and
2. Participate in any phase of legal action, such as discovery, depositions, and trial testimony, if needed.

If you don't cooperate with us or our representatives, or you do anything that interferes with our rights, we may take legal action against you. You also agree not to assign your right to take legal action to someone else without our written consent.

Our right of reimbursement

We also have the right to be reimbursed if a responsible third party pays you directly. If you receive any amount as a judgment, settlement, or other payment from any third party, you must immediately reimburse us, up to the amount we paid for your claim.

Our rights take priority

Our rights of recovery and reimbursement have priority over other claims, and will not be affected by any equitable doctrine. This means that we're entitled to recover the amount we paid, even if you haven't been compensated by the responsible third party for all costs related to your injury or illness. If you disagree with our efforts to recover payment, you have the right to appeal, as explained in Chapter 9.

We are not obligated to pursue reimbursement or take legal action against a third party, either for our own benefit or on your behalf. Our rights under Medicare law and this *Evidence of Coverage* will not be affected if we don't participate in any legal action you take related to your injury, illness, or condition.

SECTION 5 Notice of coordination of benefits

Why do we need to know if you have other coverage?

We coordinate benefits in accordance with the Medicare Secondary Payer rules, which allow us to bill, or authorize a provider of services to bill, other insurance carriers, plans, policies, employers, or other entities when the other payer is responsible for payment of services provided to you. We are also authorized to charge or bill you for amounts the other payer has already paid to you for such services. We shall have all the rights accorded to the Medicare Program under the Medicare Secondary Payer rules.

Who pays first when you have other coverage?

When you have additional coverage, how we coordinate your coverage depends on your situation. With coordination of benefits, you will often get your care as usual through our plan providers, and the other plan or plans you have will simply help pay for the care you receive. If you have group health coverage, you may be able to maximize the benefits available to you if you use providers who participate in your group plan **and** our plan. In other situations, such as for benefits that are not covered by our plan, you may get your care outside of our plan.

Employer and employee organization group health plans

Sometimes, a group health plan must provide health benefits to you before we will provide health benefits to you. This happens if:

Chapter 11 Legal notices

- You have coverage under a group health plan (including both employer and employee organization plans), either directly or through your spouse, and
- The employer has twenty (20) or more employees (as determined by Medicare rules), and
- You are not covered by Medicare due to disability or End-Stage Renal Disease (ESRD).

If the employer has fewer than twenty (20) employees, generally we will provide your primary health benefits. If you have retiree coverage under a group health plan, either directly or through your spouse, generally we will provide primary health benefits. Special rules apply if you have or develop ESRD.

Employer and employee organization group health plans for people who are disabled

If you have coverage under a group health plan, and you have Medicare because you are disabled, generally we will provide your primary health benefits. This happens if:

- You are under age 65, and
- You do not have ESRD, and
- You do not have coverage directly or through your spouse under a large group health plan.

A large group health plan is a health plan offered by an employer with 100 or more employees, or by an employer who is part of a multiple-employer plan where any employer participating in the plan has 100 or more employees. If you have coverage under a large group health plan, either directly or through your spouse, your large group health plan must provide health benefits to you before we will provide health benefits to you. This happens if:

- You do not have ESRD, and
- Are under age 65 and have Medicare based on a disability.

In such cases, we will provide only those benefits not covered by your large employer group plan. Special rules apply if you have or develop ESRD.

Employer and employee organization group health plans for people with End-Stage Renal Disease (ESRD)

If you are or become eligible for Medicare because of ESRD and have coverage under an employer or employee organization group health plan, either directly or through your spouse, your group health plan is responsible for providing primary health benefits to you for the first thirty (30) months after you become eligible for Medicare due to your ESRD. We will provide secondary coverage to you during this time, and we will provide primary coverage to you thereafter. If you are already on Medicare because of age or disability when you develop ESRD, we will provide primary coverage.

Workers' Compensation and similar programs

If you have suffered a job-related illness or injury and workers' compensation benefits are available to you, workers' compensation must provide its benefits first for any healthcare costs related to your job-related illness or injury before we will provide any benefits under this *Evidence of Coverage* for services rendered in connection with your job-related illness or injury.

Chapter 11 Legal notices

Accidents and injuries

The Medicare Secondary Payer rules apply if you have been in an accident or suffered an injury. If benefits under "Med Pay," no-fault, automobile, accident, or liability coverage are available to you, the "Med Pay," no-fault, automobile, accident, or liability coverage carrier must provide its benefits first for any healthcare costs related to the accident or injury before we will provide any benefits for services related to your accident or injury.

Liability insurance claims are often not settled promptly. We may make conditional payments while the liability claim is pending. We may also receive a claim and not know that a liability or other claim is pending. In these situations, our payments are conditional. Conditional payments must be refunded to us upon receipt of the insurance or liability payment.

If you recover from a third party for medical expenses, we are entitled to recovery of payments we have made without regard to any settlement agreement stipulations. Stipulations that the settlement does not include damages for medical expenses will be disregarded. We will recognize allocations of liability payments to non-medical losses only when payment is based on a court order on the merits of the case. We will not seek recovery from any portion of an award that is appropriately designated by the court as payment for losses other than medical services (e.g., property losses).

Where we provide benefits in the form of services, we shall be entitled to reimbursement on the basis of the reasonable value of the benefits provided.

Non-duplication of benefits

We will not duplicate any benefits or payments you receive under any automobile, accident, liability, or other coverage. You agree to notify us when such coverage is available to you, and it is your responsibility to take any actions necessary to receive benefits or payments under such automobile, accident, liability, or other coverage. We may seek reimbursement of the reasonable value of any benefits we have provided in the event that we have duplicated benefits to which you are entitled under such coverage. You are obligated to cooperate with us in obtaining payment from any automobile, accident, or liability coverage or other carrier.

If we do provide benefits to you before any other type of health coverage you may have, we may seek recovery of those benefits in accordance with the Medicare Secondary Payer rules. Please also refer to section 4 of this chapter, **Additional Notice about Subrogation (Recovery from a Third Party)** for more information on our recovery rights.

More information

This is just a brief summary. Whether we pay first or second - or at all - depends on what types of additional insurance you have and the Medicare rules that apply to your situation. For more information, consult the brochure published by the government called "*Medicare & Other Health Benefits: Your Guide to Who Pays First.*" It is CMS Pub. No. 02179. Be sure to consult the most current version. Other details are explained in the Medicare Secondary Payer rules, such as the way the number of persons employed by an employer for purposes of the coordination of benefits rules is to be determined. The rules are published in the *Code of Federal Regulations*.

Appeal rights

If you disagree with any decision or action by our plan in connection with the coordination of benefits and payment rules outlined above, you must follow the procedures explained in Chapter 9 *What to do if you have a problem or complaint (coverage decisions, appeals, complaints)* in this *Evidence of Coverage*.

CHAPTER 12: Definitions

Advanced Imaging Services – Specialized imaging method that takes more detailed images than standard X-rays. There are several kinds of imaging services, including Computed Tomography Imaging (CT/CAT) Scan, Magnetic Resonance Angiography (MRA), Magnetic Resonance Imaging (MRI), and Positron Emission Tomography (PET) Scan or other similar technology.

Allowed Amount – The maximum amount a plan will pay for a healthcare benefit.

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you're getting.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than our plan's allowed cost-sharing amount. As a member of Humana Community (HMO), you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We don't allow providers to **balance bill** or otherwise charge you more than the amount of cost sharing our plan says you must pay.

Benefit Period – The way that Original Medicare measures your use of skilled nursing facility (SNF) services. For our plan, you will have a benefit period for your skilled nursing facility benefits. A SNF benefit period begins the day you go into a skilled nursing facility. The benefit period will accumulate one day for each day you are at a SNF. The benefit period ends when you haven't gotten any skilled care in a SNF for 60 days in a row. If you go into a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

Biological Product – A prescription drug that is made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars. (See also "**Original Biological Product**" and "**Biosimilar**").

Biosimilar – A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (Go to "**Interchangeable Biosimilar**").

Brand Name Drug – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent **\$2,100** for Part D covered drugs during the covered year. During this payment stage, our plan pays the full cost for your covered Part D drugs and for excluded drugs that are covered under our enhanced benefit.

Chapter 12 Definitions

Centers for Medicare & Medicaid Services (CMS) – The federal agency that administers Medicare.

Chronic-Care Special Needs Plan (C-SNP)- C-SNPs are SNPs that restrict enrollment to MA eligible people who have specific severe chronic diseases.

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs after you pay any deductibles.

Complaint - The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems about quality of care, waiting times, and the customer service you get. It also includes complaints if our plan doesn't follow the time periods in the appeal process.

Comprehensive Oral Exam/Evaluation – This code applies when a general dentist and/or dental specialist examines the patient. It applies to: new patients, established patients who have had a significant change in health conditions or other unusual circumstances, by report, or established patients who have not had active treatment for three or more years.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Computed Tomography Imaging (CT/CAT) Scan – Combines the use of a digital computer together with a rotating X-ray device to create detailed cross-sectional images of different organs and body parts.

Contracted Rate – The rate the health plan pays to an in-network provider or pharmacy for covered services or prescription drugs.

Copayment (or Copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example \$10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services or drugs are gotten. Cost sharing includes any combination of the following 3 types of payments: 1) any deductible amount a plan may impose before services or drugs are covered; 2) any fixed copayment amount that a plan requires when a specific service or drug is gotten; or 3) any coinsurance amount, a percentage of the total amount paid for a service or drug, that a plan requires when a specific service or drug is gotten.

Cost Sharing Tier – Every drug on the list of covered drugs is in one of Five (5) cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage Determination – A decision about whether a drug prescribed for you is covered by our plan and the amount, if any, you're required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under our plan, that isn't a coverage determination. You need to call or write to our plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

Covered Drugs – The term we use to mean all of the prescription drugs covered by our plan.

Covered Services – The term we use to mean all the health care services and supplies that are covered by our plan.

Chapter 12 Definitions

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you don't need skilled medical care or skilled nursing care. Custodial care, provided by people who don't have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Customer Care – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Daily Cost-Sharing Rate – A daily cost-sharing rate may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you're required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in our plan is 30 days, then your daily cost-sharing rate is \$1 per day.

Deductible – The amount you must pay for health care or prescriptions before our plan pays.

Diagnostic Mammogram – A specialized X-ray exam given to a patient who shows signs or symptoms of breast disease.

Diagnostic Procedure – An exam to identify a patient's strengths and weaknesses in a specific area, in order to find out more about their condition, disease, or illness.

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist's time to prepare and package the prescription.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll people who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some Medicare costs, depending on the state and the person's eligibility.

Dually Eligible Individual – A person who is eligible for Medicare and Medicaid coverage.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include: walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Chapter 12 Definitions

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage decision that, if approved, allows you to get a drug that isn't on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also ask for request an exception if our plan requires you to try another drug before getting the drug you're asking for, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you're asking for (a formulary exception).

"Extra Help" – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Formulary – A document that lists all prescription drugs covered by a plan.

Freestanding Dialysis Center – A licensed health facility, other than a hospital, that provides dialysis treatment with no overnight stay.

Freestanding Lab – A licensed health facility, other than a hospital, that provides lab tests to prevent, identify, or treat an injury or illness, with no overnight stay.

Freestanding Radiology (Imaging) Center – A licensed health facility, other than a hospital, that provides one or more of the following services to prevent, identify, or treat an injury or illness, with no overnight stay: X-rays; nuclear medicine; radiation oncology (including MRIs, CT scans and PET scans).

Generic Drug – A prescription drug that is approved by the FDA as having the same active ingredient(s) as the brand name drug. Generally, a generic drug works the same as a brand name drug and usually costs less.

Grievance – A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This doesn't involve coverage or payment disputes.

Health Maintenance Organization (HMO) – A type of health insurance plan where members must receive care from the plan's network of doctors, hospitals, and other health care providers.

Home Health Aide – A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Home Health Care – Skilled nursing care and certain other health care services given to a patient in their own home for the treatment of an illness or injury. Covered services are listed in Chapter 4, Medical Benefits Chart under the heading, "Home health agency care." If you need home health care services, our plan will cover these services for you, provided the Medicare coverage requirements are met. Home health care can include services from a home health aide if the services are part of the home health plan of care for your illness or injury. They aren't covered unless you are also getting a covered skilled service. Home health services don't include the services of housekeepers, food service arrangements, or full-time nursing care at home.

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. Our plan must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you're still a member of our plan. You can still get all medically necessary services as well as the supplemental benefits we offer.

Chapter 12 Definitions

Hospice Care – Specialized care for people who are terminally ill, focused on comfort not cure. This also includes counseling for patients' families. Depending on the situation, this type of care may be in the home, a hospice facility, a hospital, or a nursing home, and is given by a team of licensed health professionals.

Hospital Inpatient Stay – A hospital stay when you've been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Humana's National Transplant Network (NTN) – A network of Humana-approved facilities all of which are also Medicare-approved facilities.

Income Related Monthly Adjustment Amount (IRMAA) – If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Stage – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

Initial Enrollment Period – When you're first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

Inpatient Care – Health care that you get when you are admitted to a hospital.

Interchangeable Biosimilar – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (formulary or Drug Guide) – A list of prescription drugs covered by the plan.

Low Income Subsidy (LIS) – "Go to Extra Help."

Magnetic Resonance Angiography (MRA) – A noninvasive method and a form of magnetic resonance imaging (MRI) that can measure blood flow through blood vessels.

Magnetic Resonance Imaging (MRI) – A diagnostic imaging modality method that uses a magnetic field and computerized analysis of induced radio frequency signals to noninvasively image body tissue.

Mail-Order Pharmacy – A pharmacy that fills and sends prescriptions through the mail to the member's home.

Manufacturer Discount Program – A program under which drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the Federal government and drug manufacturers.

Maximum Fair Price – The price Medicare negotiated for a selected drug.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for in-network covered Part A and Part B services. Amounts you pay for Medicare Part A and Part B premiums, and prescription drugs don't count toward the maximum out-of-pocket amount.

Chapter 12 Definitions

Medicaid (or Medical Assistance) – A joint federal and State program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Accepted Indication – A use of a drug that is either approved by the FDA or supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan or get coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after a person is first eligible for Medicare.

Medicare Advantage Organization – A private company that runs Medicare Advantage Plans to offer members more options, and sometimes extra benefits. Medicare Advantage plans are also called “Part C.” They provide all your Part A (Hospital) and Part B (Medical) coverage, and some may also provide Part D (prescription drug) coverage.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**.

Medicare Allowable Charge – The most amount of money that can be charged for a particular medical service covered by Medicare. These are set amounts decided by Medicare.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all the services that are covered by Medicare Part A and B. The term Medicare-Covered Services doesn't include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in our plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Limiting Charge – In the Original Medicare plan, the highest amount of money you can be charged for a covered service by doctors and other health care suppliers who do not accept assignment. The limiting charge is 15 percent over Medicare's approved amount. The limiting charge only applies to certain services and does not apply to supplies or equipment.

Chapter 12 Definitions

Medicare Prescription Drug Coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Medication Therapy Management (MTM) program – A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications.

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or Plan Member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network – See “Network Pharmacy” or “Network Provider.”

Network Pharmacy – A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network Provider – Provider is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Nuclear Medicine – Radiology in which radioisotopes (compounds containing radioactive forms of atoms) are introduced into the body for the purpose of imaging, evaluating organ function, or localizing disease or tumors.

Observation Services – Outpatient hospital services given to help the doctor decide if a patient needs to be admitted as an inpatient or can be discharged. Observation services may be given in the emergency department or another area of the hospital. Even if you stay overnight in a regular hospital bed, you might be an outpatient.

Open Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called *coverage decisions* in this document.

Original Biological Product – A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (Traditional Medicare or Fee-for-Service Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has 2 parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Chapter 12 Definitions

Our Plan – The plan you are enrolled in, Humana Community (HMO).

Out-of-Network Pharmacy – A pharmacy that doesn't have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that doesn't have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that aren't employed, owned, or operated by our plan.

Out-of-Pocket Costs – Go to the definition for *cost sharing* above. A member's cost-sharing requirement to pay for a portion of services or drugs gotten is also referred to as the member's *out-of-pocket* cost requirement.

Out-of-Pocket Threshold – The maximum amount you pay out of pocket for Part D drugs.

PACE Plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term services and supports (LTSS) for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans get both their Medicare and Medicaid benefits through our plan.

Part C – Go to Medicare Advantage (MA) Plan.

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded as covered Part D drugs by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare drug coverage) for a continuous period of 63 days or more after you're first eligible to join a Part D plan.

Periodic Oral Exam – An exam done on established patients to determine changes in dental and health status since a previous periodic or comprehensive evaluation.

Periodontal Scaling and Root Planing – Scaling is a common dental procedure for patients with gum disease. This is a type of dental cleaning that reaches below the gumline to remove plaque buildup. The process of scaling and root planing the teeth is often referred to as a deep cleaning.

Plan Provider – See "Network Provider."

Positron Emission Tomography (PET) Scan – A medical imaging technique that involves injecting the patient with an isotope and using a PET scanner to detect the radiation emitted.

Preferred Cost Sharing – Preferred cost sharing means lower cost sharing for certain covered Part D drugs at certain network pharmacies.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they're received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are gotten from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network

Chapter 12 Definitions

(preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both in-network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or drug coverage.

Prescription Drug Guide (Formulary) – A list of covered drugs provided by the plan. The drugs on this list are selected by the plan with the help of doctors and pharmacists. The list includes both brand name and generic drugs.

Preventive services – Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Primary Care Provider (PCP) – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization – Approval in advance to get services or certain drugs based on specific criteria. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria is posted on our website.

Prophylaxis (cleaning) – Removal of plaque, calculus, and stains from the tooth structures and implants in the permanent and transitional dentition. Prophylaxis is only for people who do not exhibit any of the signs and symptoms of periodontal disease, including bone loss, bleeding, mobility, exudate, and recession. Prophylaxis is, thus, a preventive procedure for patients who don't yet have periodontal disease and should only be used with patients who are periodontally healthy.

Prosthetics and Orthotics – Medical devices including, but are not limited to: arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.

Quantity Limits – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

Radiology – X-rays and other specialized procedures that use high-energy radiation to identify and treat diseases.

"Real-Time Benefit Tool" – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost-sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

Referral – A written order from your primary care doctor for you to visit a specialist or get certain medical services. Without a referral, our plan may not pay for services from a specialist.

Rehabilitation Services – These services include inpatient rehabilitation care, physical therapy(outpatient), speech and language therapy, and occupational therapy.

Screening Mammogram – A specialized X-ray procedure to find out early if a patient has breast cancer.

Chapter 12 Definitions

Selected Drug – A drug covered under Part D for which Medicare negotiated a Maximum Fair Price.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. Our plan must disenroll you if you permanently move out of our plan's service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you're getting Extra Help with your prescription drug costs, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who live in a nursing home, or who have certain chronic medical conditions.

Standard Cost Sharing – Standard cost sharing is cost sharing other than preferred cost sharing offered at a network pharmacy.

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we'll cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

Urgent Care Center – A licensed health facility where doctors and nurses provide services to identify and treat a sudden injury or illness, with no overnight stay.

Urgently Needed Services – A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or it's unreasonable given your time, place, and circumstances to get this service from network. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits, (like annual checkups) aren't considered urgently needed even if you're outside the service area or the plan network is temporarily unavailable.

Exhibit A - State Agency Contact Information**Exhibit A- State Agency Contact Information**

This section provides the contact information for the state agencies referenced in Chapter 2 and in other locations within this Evidence of Coverage. If you have trouble locating the information you seek, please contact Customer Care at the phone number on the back cover of this booklet.
